The Crisis of Conversion J. August Higgins,2024-06-25 This book attempts to identify a central problem within the North American evangelical imagination around the issue of religious experience and its relationship to the basic hermeneutical stance of biblical and theological interpretation The relatively recent emergence of the academic discipline of Christian spirituality offers a new set of methodological insights that may help to mediate the theological impasse between more conservative and progressive perspectives concerning the appropriate role of human experience for evangelical thought and practice Specifically we will explore the experience of religious conversion that lies at the center of evangelical spirituality in critical dialogue with the challenges and opportunities brought about by recent philosophical discourse and the postmodern turn variously understood

The Philosophy of Religion Edward R. Wierenga,2016-08-29 Philosophy of Religion is an engaging introduction to the main tenets of this fascinating subject written clearly and with detailed enough explanation to be accessible to those new to the field whilst providing original and challenging ideas to more experienced students The ideal introduction to this fascinating subject providing a clear and engaging entry point to the field The book lucidly introduces the main issues in philosophy of religion and develops a rigorous yet accessible approach to evaluating positions on these issues No previous exposure to philosophy is assumed and more technical topics are introduced and explained before they are employed Original ideas and new approaches to concepts within the book ensure that it is also relevant to those already familiar with the subject

Christian and Humanist Foundations for Statistical Inference Andrew M. Hartley,2007-12-01 The Philosophy of the Law Idea PLI analyzes the manner in which religious beliefs control scientific theorizing Religious beliefs control philosophical overviews of reality Overviews of reality also called ontologies try to discover and disclose the essential nature of reality They are concerned with what kinds of things exist and with the connections between the various types of properties and laws in human experience Among such overviews are the biblically consistent overview provided by the PLI and certain humanist mathematicist and subjectivist overviews The science of statistical inference seeks to evaluate the credibility of scientific hypotheses given empirical data This essay reviews various popular paradigms or systems of theories concerning the ways that credibility may be evaluated and identifies some ways that these religiously controlled overviews of reality have in turn

controlled statistical paradigms In particular one paradigm harmonizes with the PLI s overview another with the subjectivist overview and two others with the mathematicist overview Contemporary Epistemology Ernest Sosa,Jeremy Fantl,Matthew McGrath,2019-03-26 A rigorous authoritative new anthology which brings together some of the most significant contemporary scholarship on the theory of knowledge Carefully calibrated and judiciously curated this strong and contemporary new anthology builds upon Epistemology An Anthology Second Edition Wiley Blackwell 2008 by drawing a concise and well balanced selection of higher level readings from a large diverse and evolving body of research Includes 17 readings that represent a broad and vital part of contemporary epistemology including articles by female philosophers and emerging thought leaders Organized into seven thoughtful and distinct sections including virtue epistemology practical reasons for belief and epistemic dysfunctions among others Designed to sit alongside the highly successful anthology of canonical essays Epistemology An Anthology Second Edition Wiley Blackwell 2008 Edited by a distinguished editorial team including Ernie Sosa one of the most influential active epistemologists Highlights cutting edge methodologies and contemporary topics for advanced students instructors and researchers **The Christian Reformer, Or, Unitarian Magazine and Review** ,1853 *Life in Christ* Edward White,1878 Life in Christ: a study of the Scripture doctrine on the nature of man, the object of the divine Incarnation, and the conditions of human immortality Edward White,1878
