Basque Cyberculture From Digital Euskadi To Cybereuskalherria:

Basque Cyberculture Andoni Alonso,Iñaki Arzoz,2003 This textbook explores the history of technology in the Basque Country the present state of Basque culture there and in the Basque diaspora and prospects for recreating a Basque vernacular culture in cyberspace Distributed for the Center for Basque Studies **Three Plays of Maureen Hunter** Hunter, Maureen,2003 Book is clean and tight No writing in text Like New **The Googlization of Everything** Siva Vaidhyanathan,2012-03-13 In the beginning the World Wide Web was exciting and open to the point of anarchy a vast and intimidating repository of unindexed confusion Into this creative chaos came Google with its dazzling mission To organize the world s information and make it universally accessible and its much quoted motto Don t be evil In this provocative book Siva Vaidhyanathan examines the ways we have used and embraced Google and the growing resistance to its expansion across the globe He exposes the dark side of our Google fantasies raising red flags about issues of intellectual property and the much touted Google Book Search He assesses Google s global impact particularly in China and explains the insidious effect of Googlization on the way we think Finally Vaidhyanathan proposes the construction of an Internet ecosystem designed to benefit the whole world and keep one brilliant and powerful company from falling into the evil it pledged to avoid

Basque Gender Studies Margaret Bullen,2003 Bullen provides an overview of gender theory then focuses on Basque women as agents of cultural transmission in the context of the nationalist movement and in the diaspora The myths surrounding Basque matriarchy and the extent of women s rule fixed in a mythical past are questioned While the powerful mother figure has a vital role in handing down Basque language and culture contemporary women are also breaking old stereotypes and carving out new niches for themselves at times coming into conflict with the force of tradition Distributed for the Center for Basque Studies **Basque Cinema** Jaume Martí-Olivella,2003 This is the first comprehensive textbook in English on Basque film covering the cultural historical and political background of the Basque Country and its cinematic representation Distributed for the Center for Basque Studies **Knowledge Communities** Javier Echeverría,Andoni Alonso,Pedro J. Oiarzabal,2011 Collection of articles from the Knowledge Communities Conference on information cultures and communities Provided by publisher **Writers in Between Languages** Mari Jose Olaziregi,2009 Collection of articles by Basque writers and American and European academics on the globalization of literature postcolonialism and new ethnic landscapes Also treats topics such as center and periphery dualities subaltern identities so called borderlands thought and the effect of Creoleness Provided by publisher **Forthcoming Books** Rose Arny,2003 **American Book Publishing Record** ,2003 **Books in Print Supplement** ,2002 **Diasporas in the New Media Age** Andoni Alonso,Pedro Oiarzabal,2010-04-01 The explosion of digital information and communication technologies has influenced almost every aspect of contemporary life **Diasporas in the New Media Age** is the first book length examination of the social use of these technologies by emigrants and diasporas around the world The eighteen original essays in the book explore the personal

familial and social impact of modern communication technology on populations of European Asian African Caribbean Middle Eastern and Latin American emigrants It also looks at the role and transformation of such concepts as identity nation culture and community in the era of information technology and economic globalization The contributors who represent a number of disciplines and national origins also take a range of approaches empirical theoretical and rhetorical and combine case studies with thoughtful analysis *Diasporas in the New Media Age* is both a discussion of the use of communication technologies by various emigrant groups and an engaging account of the immigrant experience in the contemporary world It offers important insights into the ways that dispersed populations are using digital media to maintain ties with their families and homeland and to create new communities that preserve their culture and reinforce their sense of identity In addition the book is a significant contribution to our understanding of the impact of technology on society in general
