**What a Life** Emmanuel Essien,2016-02-11 Anyone who reads this book should remember this has been my life and I chose to share it with you but this cannot be practiced If you are like me you are not alone in a world where wealth with no work is possible talent goes undiscovered and the numbers of greats who die are too much to count Dont die tell your story I am sure its better than mine Thats why Ill read it **The Stallion** Harold

Robbins,2012-12-25 Loren Hardeman known as Number One is gradually transferring control of Bethlehem Motors to his grandson Loren Hardeman III a man possessed with his father s cunning but sadly lacking in his ability to go for the kill So when Angelo Perino an outsider previously nurtured by Number One threatens the position held by Hardeman III what ensues is a battle of wills in which integrity takes a backseat to animal instinct and in which there can only be one winner Bursting with huge ingredients of lust greed sex and intrigue and a plot full of twists and double crosses this is Harold Robbins at his sizzling best

Entranced by Story Hugh Crago,2014-04-24 We live in a world of stories yet few of us pause to ask what stories actually are why we consume them so avidly and what they do for story makers and their audiences This book focuses on the experiences that good stories generate feelings of purposeful involvement elevation temporary loss of self vicarious emotion and relief of tension The author examines what drives writers to create stories and why readers fall under their spell why some children grow up to be writers and how the capacity for creating and comprehending stories develops from infancy right through into old age Entranced by Story applies recent research on brain function to literary examples ranging from the Iliad and Wuthering Heights to Harold and the Purple Crayon providing a groundbreaking exploration of the biological and neurological basis of the literary experience Blending research theory and biographical anecdote the author shows how it is the unique structure of the human brain with its layering of sophisticated cognitive capacities upon archaic emotion driven functions which best explains the mystery of story **Translations on**
