Dreams Visions And Spiritual Authority In Merovingian Gaul:

Dreams, Visions, and Spiritual Authority in Merovingian Gaul Isabel Moreira, 2000 Drawing on a rich variety of sources histories hagiographies ascetic literature and records of dreams at saints shrines Isabel Moreira provides insight into a society struggling to understand and negotiate its religious visions **BOOK JACKET** **Dreams, Dreamers, and Visions** Ann Marie Plane, Leslie Tuttle, 2013-04-26 In this volume scholars from three continents trace the role of dreams in the cultural transitions of the early modern Atlantic world illustrating how both indigenous and European methods of understanding dream phenomena became central to contests over religious and political power Everyday Mysticism Eddie Ensley, 2011 Here Deacon Eddie Ensley shows that mysticism isn't just for monastics and contemplatives It's for each person every day of their lives every time they open their hearts to God Mysticism he says is a simple and profound treasure available to all of us Dreams, Nature, and Practices as Signs of the Future in the Middle Ages Klaus Herbers, Hans-Christian Lehner, 2022-06-13 A great number of historical examples show how desperate people sought to obtain a glimpse of the future or explain certain incidents retrospectively through signs that had occurred in advance In that sense signs are always considered a portent of future events In different societies and at different times the written or unwritten rules regarding their interpretation varied although there was perhaps a common understanding of these processes This present volume collates essays from specialists in the field of prognostication in the European Middle Ages Contributors are Klaus Herbers Wolfram Brandes Zhao Lu Rolf Scheuermann Thomas Krümpel Bernardo Bertholin Kerr Gaelle Bosseman Julia Eva Wannenmacher Matthias Kaup Vincent Gossaert Jürgen Gebhardt Matthias Gebauer Richard Landes **Hell and its Afterlife** Margaret Toscano, 2016-04-22 The notion of an infernal place of punishment for undesired elements in human culture and human nature has a long history both as religious idea and as cultural metaphor This book brings together a wide array of scholars who examine hell as an idea within the Christian tradition and its afterlife in historical and contemporary imagination Leading scholars grapple with the construction and meaning of hell in the past and investigate its modern utility as a means to describe what is perceived as horrific or undesirable in modern culture While the idea of an infernal region of punishment was largely developed in the context of early Jewish and Christian religious culture it remains a central belief for some Christians in the modern world Hell's reception its afterlife in the modern world has extended hell's meaning beyond the religious realm hell has become a pervasive image and metaphor in political rhetoric in popular culture and in the media Bringing together scholars from a variety of fields to contribute to a wider understanding of this fascinating and important cultural idea this book will appeal to readers from historical religious literary and cultural perspectives Saving Paradise Rita Nakashima Brock, Rebecca Ann Parker, 2012-07-01 Saving Paradise examines the effects of the crucifixion becoming Christianity's defining image when for the first ten Christian centuries it was never depicted It explores what this shift in focus has done to our understanding and practice of faith and raises deeply significant

questions for the church today Beginning with a masterly survey of Christian imagery in early art church architecture and spiritual writing *Saving Paradise* reveals a rich visual world filled with images of Christ as shepherd guide and healer and of the earth as paradise once again When the crucified Jesus appears the history of Christianity in the world takes a dramatically different turn and violence and sacrifice in God s name is sanctioned This profoundly challenging book examines the consequences of this for us today and asks how we can rediscover our lost spiritual heritage *The World of Gregory of Tours* Mitchell,Wood,2021-10-01 In a fascinating series of essays the life works and world of Gregory of Tours are evaluated This sixth century bishop is probably best known as writer of the *History of the Franks* The collection of essays makes a valuable contribution to the flourishing field of Gregory of Tours studies Though the contributors take full account of his political dimension they also see Gregory in his cultural context In addition to being representative of the age in which he lived Gregory is presented here as an exceptional man Furthermore the contributors offer an up to date assessment of Merovingian culture history and religion Themes include the urban history of Tours and the Merovingian world ideas politics and international contacts in the Merovingian world the Merovingian church Gregory s hagiographic writings the *Histories* and the manuscript tradition Contributors include Bernard S Bachrach Peter Brown John J Contreni S Fanning Nancy Gauthier Walter Goffart Guy Halsall Yitzak Hen Conrad Leyser Felice Lifshitz Jo Ann McNamara Kathleen Mitchell William Monroe Janet L Nelson Giselle de Nie Thomas F X Noble Patrick P rin Walther Pohl E M Rose B H Rosenwein Danuta Shanzer Julia M H Smith Ian Wood andBarbara Yorke **Roman Barbarians** Y. Hen,2007-11-09 This study investigates the place of the royal court and the operation of patronage in several European kingdoms in the early Middle Ages It seeks to identify the roots of later medieval developments and especially of the Carolingian Renaissance in the centuries immediately succeeding the period of Roman rule *Heaven's Purge* Isabel Moreira,2010-10-07 The doctrine of purgatory the state after death in which Christians undergo punishment by God for unforgiven sins raises many questions What is purgatory like Who experiences it Does purgatory purify souls or punish them or both How painful is it *Heaven s Purge* explores the first posing of these questions in Christianity s early history from the first century to the eighth an era in which the notion that sinful Christians might improve their lot after death was contentious or even heretical Isabel Moreira discusses a wide range of influences at play in purgatory s early formation including ideas about punishment and correction in the Roman world slavery the value of medical purges at the shrines of saints and the authority of visions of the afterlife for informing Christians of the hereafter She also challenges the deeply ingrained supposition that belief in purgatory was a symptom of barbarized Christianity and assesses the extent to which Irish and Germanic views of society and the sources associated with them penitentials and legal tariffs played a role in purgatory s formation Special attention is given to the writings of the last patristic author of antiquity the Northumbrian monk Bede *Heaven s Purge* is the first study to focus on purgatory s history in late antiquity challenging the conclusions of recent scholarship through an examination of the texts communities and cultural

ideas that informed purgatory's early history **Plato in the Third Sophistic** Ryan C. Fowler, 2014-10-09 Plato in the Third Sophistic examines the influence and impact of Plato and Platonism in the era of Byzantine and Christian rhetoric The volume brings together specially commissioned articles from leading scholars of late antique philosophy and literature Their examinations show that Plato is the single most important and influential literary figure used to frame the literature of this time Plato in the Third Sophistic will help scholars and students from a wide range of disciplines to better understand the development of Christian literature in this era as an essential link in the history of Platonism as well as that of Christianity

in the First Millennium John Moorhead,2025-10-01 Whether measured by the period during which it has been celebrated the frequency with which it has been held or the cumulatively vast numbers of people who have participated in it the Eucharist has been central to Western life The book explains how it developed during the first thousand years from the time of its inauguration by Christ at the Last Supper to the beginning of the great schism between the Orthodox and Catholic Churches The Eucharist was a central part of society in late antiquity and the Middle Ages and it throws unexpected light on the lives and attitudes of the countless men and women who attended it and took communion
