A History of Literature in the Caribbean A. James Arnold, 2001-07-23. For the first time, the Dutch speaking regions of the Caribbean and Suriname are brought into fruitful dialogue with another major American literature, that of the anglophone Caribbean. The results are as stimulating as they are unexpected. The editors have coordinated the work of a distinguished international team of specialists. Read separately or as a set of three volumes, the *History of Literature in the Caribbean* is designed to serve as the primary reference book in this area. The reader can follow the comparative evolution of a literary genre or plot the development of a set of historical problems under the appropriate heading for the English or Dutch speaking region. An extensive index to names and dates of authors and significant historical figures completes the volume. The subeditors bring to their respective specialty areas a wealth of Caribbeanist experience. Vera M. Kutzinski is Professor of English, American, and Afro-American Literature at Yale University. Her book *Sugar's Secrets: Race and The Erotics of Cuban Nationalism* (1993) treated a crucial subject in the romance of the Caribbean nation.
