Film by Design Gary D. Rhodes, Robert Singer, 2024-09-16 Contributions by Vlad Dima Laura Hatry Alicia Kozma Lynette Kuliyeve Madhuja Mukherjee Frank Percaccio Gary D Rhodes Courtney Ruffner Grieneisen Marlisa Santos Michael L Shuman and Robert Singer Movie posters regardless of their country

of origin have become indelibly linked with the films they represent often assuming a status as visual encapsulations of films within collective memory Long after their initial role in promotion is complete these posters endure as iconic images etched into film history and cultural consciousness One can hardly hear mention of Steven Spielberg's landmark production Jaws for example without immediately picturing the evocative poster art of Roger Kastel Film by Design The Art of the Movie Poster is a groundbreaking and comprehensive exploration of the international and Hollywood movie poster as a dynamic artistic and cultural formation Drawing inspiration from such prominent genres as horror science fiction and noir the twelve essays in this collection provide insightful analyses of the movie poster as a vital component of the cinematic landscape from the silent era to the contemporary period Crucially this anthology rejects the notion of movie posters as mere historical artifacts or advertising tools and instead examines them as integral parts of a broader aesthetic framework interwoven into their respective film narratives Each chapter whether focusing on controversies close ups or Cuba is accessible to scholars students and fans alike Through its intervention in film studies Film by Design reveals the movie poster to be an ever evolving medium firmly grounded in both theory and practice while serving as an essential and enduring element within the realm of film art
