Driftwood Cove:

The Storymakers Canadian Children's Book Centre, 1999 This valuable resource features the colourful biographies of 72 illustrators and artists whose works are considered among the best in the world Told in the artists own words these biographies offer fascinating insights into their lives and feature a sample illustration from one of their favourite books Discover how these fantastic artists work what their favourite books are who influenced them and how they came to illustrate children s books Geological Survey Professional Paper , 1949

Driftwood Cove Sandra Lightburn, 1998 Katelyn and Matthew who live in the city are visiting their grandparents on the West Coast During a camping trip the two children lose their way on the beach They meet a little girl who offers to help and takes Katelyn and Matthew home with her Selena and her parents are squatters living in a makeshift dwelling of huge hollow tree stumps and driftwood They make their living selling driftwood carvings and subsist mostly on nature s bounty from the ocean and their garden The city children become aware of a lifestyle and environment very different from their own

Murder at the Old Lighthouse Kyla Harris, 2025-08-12 In the sun drenched beach town of Driftwood Cove marine biologist Camila Hill never expected murder to wash up on her shore But when Ruby Wright the eccentric owner of the town s historic lighthouse is found dead at the tower s base Camila s instincts whisper foul play Those whispers swell into waves of rumor a priceless artifact family scandals and secrets buried since the Prohibition era As Camila wades through shady land deals and a tide of small town gossip she leans on her loyal friends to help unravel the truth But the closer she drifts toward the answers the more treacherous the waters become Can Camila expose the killer before the calm surface of Driftwood Cove is shattered again Brimming with coastal charm lighthouse lore and twisty intrigue this cozy mystery is a captivating tale of loyalty legacy and the dark undercurrents that lurk beneath still waters Asylum Hotel Juliet Blackwell, 2025-07-29

When a mysterious figure shows up in the photograph an architect takes of the derelict Seabrink Hotel ghostly encounters and murder are unleashed Aubrey Spencer loves photographing classic old buildings and abandoned places that hold old secrets The Hotel Seabrink perched overlooking the sea is one such place Currently abandoned but scheduled for a major renovation it has a torrid history Back in the 1920s it hosted A list celebrity clientele and now the locals insist it is haunted by the ghosts of two young women who died there When Aubrey goes to photograph the site before the renovation begins she bumps into a man named Dimitri Petroff a minor online celebrity who shares her fascination with old buildings the Hotel Seabrink in particular When he is found dead the next day at the base of a cliff the police are quick to close the investigation But Aubrey feels unsettled by locals who claim he was murdered and that it s not the first time someone interested in the hotel was killed As she digs deeper into the property s dark history and its origins as an asylum as well as Dimitri s professional rivalries she becomes mired in an unsolved murder case from several decades earlier one with eerie parallels to the contemporary case But someone is determined to keep her from discovering the truth at any cost *Aquatic Study* , 1980

Survey Professional Paper ,1967 United States Coast Pilot ,2003 **Alaska Geographic Names** Geological Survey (U.S.). Branch of Geographic Names,1979 **The Bruce Beckons** William S. Fox,2002-12-15 First published in 1952 The Bruce Beckons was immediately acclaimed as a delightful guide to a uniquely beautiful and fascinating part of Ontario Separating Georgian Bay from Lake Huron the Bruce Peninsula s remarkable natural history and richly varied wildlife today continue to draw thousands of visitors every year W Sherwood Fox a distinguished scholar who was for twenty years president of the University of Western Ontario knew and loved the Bruce s history and its folklore throughout his life During his retirement he served several years as honorary president of the Federation of Ontario Naturalists **Cutting a Figure** Richard J. Powell,2008 Examining portraits of black people over the past two centuries Cutting a Figure argues that these images should be viewed as a distinct category of portraiture that differs significantly from depictions of people with other racial and ethnic backgrounds The difference Richard Powell contends lies in the social capital that stems directly from the black subject s power to subvert dominant racist representations by evincing such traits as self composure self adornment and self imagining Powell forcefully supports this argument with evidence drawn from a survey of nineteenth century portraits in depth case studies of the postwar fashion model Donyale Luna and the contemporary portraitist Barkley L Hendricks and insightful analyses of images created since the late 1970s Along the way he discusses major artists such as Fr d ric Bazille John Singer Sargent James Van Der Zee and David Hammons alongside such overlooked producers of black visual culture as the Tonka and Nike corporations Combining previously unpublished images with scrupulous archival research Cutting a Figure illuminates the ideological nature of the genre and the centrality of race and cultural identity in understanding modern and contemporary portraiture **Geological Survey Professional Paper** Geological Survey (U.S.),1967 **Federal Highway Administration Office of Motor Carriers Register** ,1999 **Lake Mead National Recreation Area (N.R.A.), Lake Management Plan, Clark County, Nevada, and Mohave County, Arizona** ,2002

Protecting the Ontario Niagara Escarpment Donald H. Avery,2025-09-08 Protecting the Ontario Niagara Escarpment explores the intersection of politics and conservation business and public interests and government and not for profit organizations over more than six decades to protect what is today a UNESCO World Biosphere Reflecting on both environmental activism and government stewardship author Donald H Avery captures an important period in Canadian environmental history Starting with an overview of the North American conservation movement in the 1960s and the important 1968 Gertler Niagara Escarpment Study he examines the different work done by conservation organizations such as the Coalition on the Niagara Escarpment CONE statutory bodies such as the Niagara Escarpment Commission and government departments and agencies to protect this unique landform until the present day As part of his assessment Avery examines the goals and strategies of competing social groups including mining interests commercial real estate developers landowners groups and environmental organizations while providing insight into how they used the political system to

achieve their specific goals This research is based on a wealth of environmental organizational records government documents news articles and interviews with Niagara Escarpment Commission staff that demonstrates how environmental activism and government stewardship made a difference
