and into the early 2000s In an age filled with greats like Shaq Kobe Bryant Tracy McGrady and Steve Nash Carter has played in one of the most exciting eras of modern basketball The Toronto Raptors had quite a few deep playoff runs during Vince Carter s time with them and have just started recovering from his absence years later behind the leadership of DeMar DeRozan and Kyle Lowry Here is a preview of what is inside this book Early Life and Childhood College Years at North Carolina Vince s NBA Career Vince Carter s Personal Life Impact on Basketball and Beyond Carter s Legacy An excerpt from the book Vince Carter is the greatest dunker of all time The 2000 Dunk Contest The Frederic Weis dunk When people talk about Vince Carter they talk about his dunks How he wowed fans across the world How he made highlight reel after highlight reel How every aspiring basketball player dreamed of dunking like Carter As a 37 year old Vince Carter prepares to enter the final years of his career everyone is prepared to acclaim him as the greatest dunker in NBA history And that acclamation is insulting to Vince Carter What people have forgotten about Vince Carter is that he was not just a dunker James White who played 67 games in the NBA was just a dunker Shannon Brown who once nearly jumped over a 6 6 guard in the middle of a playoff game was just a dunker Vince Carter was not just a dunker He was one of the best players in the NBA at his height He brought basketball to Canada and the young Toronto Raptors In his third season in the NBA he arguably outdueled league MVP Allen Iverson in one of the greatest playoff series in NBA history Vince was an all around player who could score from anywhere pass well for a scoring guard and led the Toronto Raptors to multiple playoff berths almost completely by himself But to win a NBA championship takes some luck and Vince never got lucky He never played alongside a truly great teammate in Toronto Eventually the Toronto fans perceived him as a quitter and Carter became the most hated player in Raptors history Carter was traded to the New Jersey Nets and played alongside fellow All Star Jason Kidd but the Nets suffered from fatal flaws that prevented playoff success Later with the Orlando Magic Carter choked in the 2010 NBA Playoffs at the free throw line After a miserable season in 2010 11 with the Phoenix Suns Vince Carter looked finished But unlike many aging stars who refuse to accept that their days as a premier player are over Vince Carter readjusted his career and became a useful role player with the Dallas Mavericks He contributed to Dallas s return to the playoffs and helped Dallas give the eventual champion San Antonio Spurs their greatest challenge in the 2014 playoffs For all of his depictions as a human highlight reel Vince Carter has been just a basketball player committed to the game and to his team s victory That is a legacy far more important than any dunk
