Driven To Love:

Passion Driven Tayo Ayinla, 2014-02 Working for others to earn a salary may be a comforting adventure at the initial stage of one's work life but ultimately it could mean the worst form of slavery. As someone rightly puts it, devoting your time, skills, and energy to another man to earn a fixed income is bondage of a high order. It simply means you have transferred the determination of how your life turns out to someone else. But how about risking everything to become your own boss where you are in the driver's seat of your destiny? Are you afraid of taking the plunge? Or peradventure you are already on your business but struggling with making it work? There is nothing to worry about anymore. **Passion Driven** written by Tayo Ayinla provides a practical roadmap you can use in either case. In this fascinating and highly illuminating manual, you can learn how to discover a good business idea, how to discover your God-given passion, how to raise finance for your business, how to survive challenges of entrepreneurship, how to grow the business into an empire that can take care of your life style, how to get out of paid employment successfully and become your own boss. And many more. **Passion Driven** is laced with practical steps which the author used to negotiate himself successfully out of paid employment and build a thriving business. Follow the steps carefully and with an open mind, you will be in charge of your destiny.

THE GOD-HUMAN LEVEL HYPOTHESIS Sebastian Iyere, 2014-03 THE GOD HUMAN LEVEL HYPOTHESIS an illuminating book by IYERE Sebastian attempts to share a simple and uncomplicated understanding of the Bible and life in general using a simple model. The book presents the human being living simultaneously in two worlds, seen and unseen, with consciousness trapped in this seen world. It explains that there is something out there that controls us all from the unseen world. It submits that the five-dimensional human nature HEART being thread like Ecc 12:6 connecting the SPIRIT and the SOUL, SOUL attached to the FLESH with another threadlike MIGHT is disconnected and disjointed. Whereas a full understanding will be gained at the end of time or after death when consciousness is liberated, there is a need today to consider reconnecting to God and recombining the five dimensions. The connector or plug is Jesus Christ. This literary piece reinforces the authenticity and infallibility of God's word. A coalescence of science, geography, and history. While poignantly projecting the Sovereignty of God, the book depicts as sheer insanity any attempt for anyone to think he/she is in control of anything in this world. The book touches every aspect of life: physical, spiritual, psychological, emotional, and so forth in a microscopic dimension.

Illicit Flirtations Rhacel Salazar Parreñas, 2011-09-12 An excellent ethnography that reveals the global implications of the US morality on international policies and migrant workers. Cristina Firpo, *International Review of Modern Sociology*. In 2004, the US State Department declared Filipina hostesses in Japan the largest group of sex trafficked persons in the world. Since receiving this global attention, the number of hostesses entering Japan has dropped by nearly 90

percent To some this might suggest a victory for the global anti trafficking campaign but Rhacel Parre as counters that this drastic decline which stripped thousands of migrants of their livelihoods is a setback Parre as worked alongside hostesses in a working class club in Tokyo s red light district serving drinks and entertaining her customers While the common assumption has been that these hostess bars are hotbeds of sexual trafficking Parre as quickly discovered a different world of working migrant women there by choice and most importantly where none were coerced into prostitution Illicit Flirtations calls into question the US policy to broadly label these women as sex trafficked It highlights how in imposing top down legal constraints to solve the perceived problems including laws that push dependence on migrant brokers and measures that criminalize undocumented migrants many women become more vulnerable to exploitation not less This book gives a long overdue look into the real world of those labeled as trafficked A highly readable and informative book Ko lin Chin Criminal Law and Criminal Justice Books A nuanced portrayal Scholars and policy makers should take note Viviana A Zelizer Princeton University author of Purchase of Intimacy and Economic Lives How Culture Shapes the Economy An extraordinary book Saskia Sassen Columbia University author of A Sociology of Globalization

Transnational Marriage and Partner Migration Anne-Marie D'Aoust,2022-02-11 This multidisciplinary collection investigates the ways in which marriage and partner migration processes have become the object of state scrutiny and the site of sustained political interventions in several states around the world Covering cases as varied as the United States Canada Japan Iran France Belgium or the Netherlands among others contributors reveal how marriage and partner migration have become battlegrounds for political participation control and exclusion Which forms of attachments towards the family the nation or specific individuals have become framed as risks to be managed How do such preoccupations translate into policies With what consequences for those affected by them in terms of rights and access to citizenship The book answers these questions by analyzing the interplay between issues of security citizenship and rights from the perspectives of migrants and policymakers but also from actors who negotiate encounters with the state such as lawyers non governmental organizations and translators
