Drowning War A:

A Drowning War John Winton,1985 **The Lord is a Man of War, a Duett, Etc** George Frideric Handel,1801 *The Drowned Man* David Whellams,2013-05-01 A retired Scotland Yard detective is lured back to work in a series to follow particularly for Louise Penny fans and the Masterpiece Mystery set Library Journal Chief Insp Peter Cammon is supposed to be retired but he s reluctantly agreed to travel to Canada to retrieve the body of a murdered colleague And once he s involved he can t resist delving into the oddities of the crime His fellow cop was brutally attacked run over by a car and then dumped into a canal all seemingly linked to the theft of three letters from the American Civil War era one of which may have been signed by John Wilkes Booth Tightly plotted and featuring a lead character who keeps us glued to the page the book should definitely suit readers looking for an intriguing lead character and a solid mystery Booklist **Monk's War: An 18 Year Old Marine's Story from the Rice Paddies** Frank M. Beyea,2014-02 In the last few years Vietnam Veterans including myself have experienced a phenomenon that is hard to explain People are interested in the Vietnam War I think the audience for Vietnam War stories is a diverse one From young people with a thirst for knowledge about what their fathers and grandfathers went through in the only war that America has lost so far history hasn t made its final judgment on Iraq and Afghanistan to the baby boomers who fought in Vietnam Even those boomers who demonstrated actively against the war and resisted being part of it are suddenly interested This book provides those interested with what they crave more true stories of what it was like to live the life of a Marine ground pounder in Vietnam It s like a good adventure novel when your own theater of the mind puts you in the shoes of the main character *Battle of Ball's Bluff, The: All the Drowned Soldiers* Bill Howard,2018 Three months after the Civil War s first important battle at Manassas in 1861 Union and Confederate armies met again near the sleepy town of Leesburg What began as a simple scouting mission evolved into a full scale battle when a regiment of Union soldiers unexpectedly encountered a detachment of Confederate cavalry The Confederates pushed forward and scattered the Union line Soldiers drowned trying to escape back to Union lines on the other side of the Potomac River A congressional investigation of the battle had long lasting effects on the war s political and military administration Bill Howard narrates the history of the battle as well as its thorny aftermath Page 4 of cover **The Drowned Muse** Anne-Gaëlle Saliot,2015 *The Drowned Muse* is a study of the extraordinary destiny in the history of European culture of an object which could seem at first glance quite ordinary in the history of European culture It tells the story of a mask the cast of a young girl s face entitled *L Inconnue de la Seine* the Unknown Woman of the Seine and its subsequent metamorphoses as a cultural figure Legend has it that the Inconnue drowned herself in Paris at the end of the nineteenth century The forensic scientist tending to her unidentified corpse at the Paris Morgue was supposedly so struck by her allure that he captured in plaster the contours of her face This unknown girl also called *The Mona Lisa of Suicide* has since become the object of an obsessive interest that started in the late 1890s reached its peak in the 1930s and continues to reverberate today

Aby Warburg defines art history as a ghost story for grown ups This study is similarly a ghost story for grown ups narrating the aura of a cultural object that crosses temporal geographical and linguistic frontiers It views the Inconnue as a symptomatic expression of a modern world haunted by the earlier modernity of the nineteenth century It also investigates how the mask's metamorphoses reflect major shifts in the cultural history of the last two centuries approaching the Inconnue as an entry point to understand a phenomenon characteristic of 20th and 21st century modernity the translatability of media Doing so this study mobilizes discourses surrounding the Inconnue casting them as points of negotiation through which we may consider the modern age
