Taylor,1999 *I-ADAM in Eight Countries* ,2002 This publication is primarily a progress report on the implementation of the International Arrestee Drug Abuse Monitoring I ADAM program in

eight countries and on the challenges they faced Those countries are Australia Chile England Malaysia Netherlands Scotland South Africa and the United States Although some research findings are presented the principal purpose of this report is to describe the experiences of the countries as they engaged in the process of launching I ADAM This report documents that overall reasonable progress has been made in implementing the I ADAM experiment Problems remain some adjustments are needed I ADAM s impressive potential however is undiminished *Understanding Drugs, Alcohol and Crime* Trevor Bennett,Katy Holloway,2005-04-16 Bennett and Holloway s Understanding Drugs Alcohol and Crime isthe best most up to date and comprehensive examination for theUnited Kingdom of interactions among drugs alcohol and crime Theauthors exhaustively and authoritatively survey current knowledge inthe UK and from many other countries on drug and alcohol use ascause and consequence of crime and the effects of law enforcementand treatment responses Clearly written unfailingly lucid andadmirably accurate this book will be the indispensable work onBritish drug policy for many years to come Professor Michael Tonry University of Minnesota Law School USA What makes this book particularly interesting is the refreshingly non judgmental presentation which conveys the essence of very important issues in contemporary society Therefore this is an ideal text not only for students but also for policy makers drugs and alcohol counsellors treatment agencies and everyone interested in doing research on drugs alcohol and crime Nicoletta Policek University of Abertay Dundee The publication is not only an excellent summary of the existing research in Great Britain and to a lesser extent from other jurisdictions it is a foundation for future research by evoking and at times provoking questions and offering a variety of possible responses Hirsch Greenberg University of Regina What is the connection between drugs alcohol and crime What works in reducing drugs and alcohol related crime The book provides a succinct overview of current theory and research on the links between drugs alcohol use and crime It discusses the legal and social context of drug and alcohol use and identifies current levels of consumption Focusing on the UK context it also takes into account international research where appropriate Detailed review of the research literature on the connections between drug use and crime Examines the current government anti drugs policy and assesses the effectiveness of programmes that have been used to reduce drug and alcohol related crime The book concludes that future government drugs policy should pay particular attention to the lessons learned from research on the connection between drug and alcohol use and crime Ideal for criminology criminal justice social policy and social work students this book will also be a useful source of information for policy makers the police probation workers social workers drugs and alcohol counsellors treatment agencies sentencers voluntary agencies Drug Action Teams and others with an interest in research on drugs and crime **Crime and the Criminal Justice System in Australia** Duncan Chappell,2000 **Preventing Client-initiated Violence** Claire Mayhew,2000 Addresses the forms of violence that can occur between workers and their clients or customers for example between social workers and their clients or nurses and patients Includes draft violence prevention policy and strategy documents and checklists for employers to adopt and adapt to specific

conditions   **Hatred, Murder and Male Honour** Stephen Tomsen,2002 Based on evidence from a study of 74 anti homosexual homicides with male victims that occurred in New South Wales between 1980 and 2000 this report analyses the social characteristics of victims and perpetrators and the situational factors involved as well as case studies outlining specific homicide scenarios The study also examines the links between such killings and commonplace issues of male identity The link to various aspects of masculinity including heterosexism and male honour that have community support leads to a critical scrutiny of the legal issues involved including the homosexual advance defence and the idea of homosexual panic as a legal defence   The Promise of Crime Prevention Frances Gant,Peter N. Grabosky,2000 This second series of case studies on crime prevention in practice describes Australian initiatives that can be regarded as examples of international best practice It also illustrates a variety of overseas programs Crime prevention programs have been grouped together with regards to situational crime prevention developmental crime prevention community crime prevention and prevention measures by criminal justice agencies   Drugs and Crime Philip Bean,2013-05-13 This book is a major contribution to the debate on the nature of the relationship between drugs and crime and provides an authoritative and much needed overview of the range of issues associated with drugs related crime   **Violence in the Workplace - Preventing Armed Robbery** Claire Mayhew,2000   **The Prevention of Substance Use, Risk and Harm in Australia: Monograph** Wendy Loxley,2004   **Democracy, Society and the Governance of Security** Jennifer Wood,Benoît Dupont,2006-02-23 The promotion of security is no longer a state monopoly It is dispersed and takes place through the practices of states corporations non governmental actors and community based organizations But what do we know about the ways in which security is thought about and promoted in this pluralized field of delivery Are democratic values being advanced and protected or threatened and compromised Wood and Dupont bring together a team of renowned scholars to shed light on our understanding of the arrangements for contemporary security governance Offering a friendly dialogue between those who argue that democratic transformation rests in the development of strong state institutions and those who propose a more de centered agenda the scholars in this volume bring cutting edge theoretical analyses to bear on empirical examples This volume will appeal to researchers in the fields of criminology political science sociology and security studies   Pathways and Crime Prevention Alan France,Ross Homel,2013-06-17 Deals with the development of prevention policies and approaches that involve intervention early in the lives of children young people and their families This book explores evidence that has been emerging from longitudinal and developmental prevention research   Drugs and Crime Holly Johnson,2004 The objective of the Drug Use Careers of Offenders DUCO female study is to contribute to the empirical evidence about the interaction between drug use and criminal offending among incarcerated women This monograph presents findings from the DUCO female study which was based on interviews with 470 women incarcerated in Australian prisons The results demonstrate important differences in the patterns of drug use of women as compared to men   World Drug Report ,1997   Drug Use

in Prisoners Dr. Stuart A, Kinner,Dr. Josiah D. Jody Rich,2018-01-09 This edited volume provides the first ever comprehensive international and multi disciplinary review of the evidence regarding substance use and harms in people who cycle through prisons and jails Grounded in solid evidence and a human rights framework the book provides a roadmap for evidence based reform
