World-Beat & Funk Grooves Alan Dworsky, Betsy Sansby, 2012-08-05 If you've got a drumset and you know how to make the basic strokes you're ready to get started This book uses an ingenious method that makes complex rhythms

magically emerge out of simple sequences of body movements Within days you ll be playing world beat and funk grooves that usually take months to master The method is based on a style of playing called linear drumming Linear simply means you only play one note at a time That s why it s great for beginners Instead of learning separate parts for your hands and feet and then layering one on top of the other you only have to learn a single pattern that moves note by note from limb to limb It s as easy as connecting the dots Please note audio files of the CDs that came with the print version of this book are not included in this ebook version but are available separately
