Drumbeat And Whispers

Dylan Maye

Drumbeat And Whispers:

The Listeners Harrison Demchick, 2012-12 Before the plague and the quarantine fourteen year old Daniel Raymond had only heard of the Listeners They were a gang or at least that's what his best friend Katie's police officer father had said They were criminals thieves monsters deadly men clearly identifiable by the removal of their right ears That's what Daniel had heard But he didn't know He didn't know much in those early days He didn't know how the plague began but then no one did The doctors and emergency medical personnel said it was airborne and highly contagious They said those infected became distorted both inside and out and very very dangerous Then the helicopters came and took the doctors away and no one said much of anything after that Except the police officers They said they'd provide food and order in exchange for guns and ultimately anything else they felt like taking Daniel's mother went out for toilet paper She never came back He hasn't heard from Katie since the phones went dead And with his real family gone and surrogate family unreachable Daniel scared and alone has nothing except the walls of his apartment the window shattered the poisonous air seeping in That's when the Listeners arrive Derek the one eared man with the big soulful eyes promises protection and hope and the choice not to sit alone and wait to die in some horrific way He offers a brotherhood under the watch of their leader the prophet Adam He offers a place in the world to come A harrowing work of literary horror The Listeners Harrison Demchick's electrifying debut is a dark and terrifying journey into loneliness desperation and the devastating experience of one young boy in a world gone mad

The Scribe of Whispers Dylan Maye, 2024-11-06 Within the hushed sanctuary of The Scripted Sentiment Dylan Maye crafts letters that breathe life into

words channeling an empathy that borders on magic But her carefully penned sentiments are no longer confined to paper They bloom into tangible realities lilies for a grieving sister a cleansing rain for a heartbroken friend This newfound power however comes with a cryptic warning an anonymous letter penned in shimmering amethyst ink mirroring Dylan s deepest secrets and hinting at a destiny she never imagined Guided by Jaime Watson a rare book dealer versed in the esoteric Dylan uncovers the Lexigramma a forgotten language capable of weaving intention into reality The amethyst ink harvested from rare lunar blossoms ties her to the clandestine society of the Chirographers whose history is intertwined with the fate of civilizations Suddenly Dylan is caught in a web of ancient rivalries where words are weapons and the line between creation and destruction is as fine as the stroke of her pen As her powers grow so do the dangers The Chirographers emerge from the shadows their motives as varied as the shades of ink they wield Thomas Campbell the quiet architect who sought her help reveals himself as a manipulator eager to harness her gift Kristen Carter a struggling writer and newfound friend steps forward as a protector guiding Dylan towards a more benevolent path Caught between these opposing forces Dylan must wrestle with the weight of a prophecy that names her the Scribe of Whispers a figure destined to either unite the world or shatter it Each letter she writes becomes a delicate balancing act a tightrope walk between hope and devastation Her connection with Jaime deepens evolving from a cautious alliance to a love story as intricate as the words they seek to decipher The anonymous letters continue cryptic glimpses into possible futures a world bathed in empathy or a desolate wasteland of fractured realities The final confrontation unfolds in a hidden library beneath the city a battleground for the very soul of language Here amidst the whispers of forgotten tongues Dylan faces a choice that will reverberate through time and space Will she embrace the power of the Lexigramma to mend a fractured world or succumb to the seductive allure of control The fate of reality hangs in the balance suspended on the delicate point of her pen
