## **Drums From Day One A Completely New Method For Beginners:**

**Drums From Day One** Jim Payne, 2017-09-28 Basic drum set coordination can be learned very quickly using vocal sounds instead of written notes Drums from Day One is an adaptation of the proven solfege technique to the drum set Solfege singing musical notes with syllables has been used for hundreds of years by teachers of virtually every other musical instrument The traditional way of beginning the drums by studying and analyzing written drum notation and applying various notes to the four limbs is a complex task that takes a good deal of time Although reading and writing music will also be covered in this book beginners can get started much faster with the solfege system This is not a quick fix or a promise to make you a drum expert in one day but this method has been tested and proven with hundreds of students over the years and it is very efficient and offers immediate results The student will learn to play 8 songs in all the basic styles Rock Blues Shuffle and Funk The songs are especially designed and graded for beginners and are recorded with and without drums on the companion audio Includes access to online audio containing recorded examples of all the exercises in the book **Modern Drummer**, 2002 *Bowker's Complete Video Directory*, 2000 *Popular Science*, 1929-12 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better
