Dreaming Of Babylon A Private Eye Novel 1942:

Dreaming of Babylon Richard Brautigan, 1978 *Dreaming of Babylon* is Brautigan's spoof of the mystery world. In it we encounter a blundering private eye who discovers a dead body in his apartment. As he sets out to solve this mystery we discover he has a problem with dreaming of Babylon which is a sort of daydream as narcoleptic state. *Dreaming of Babylon* Richard, 1978

Dreaming of Babylon Richard Brautigan, 2017-08-03 When you hire C Card you have scraped the bottom of the private eye barrel. And when Card is hired to steal a body from the morgue he needs to stop dreaming, find bullets for his gun and get there before someone else does. Not since Trout Fishing in America has Brautigan so successfully combined his wild sense of humour with his famous poetic imagination. In this parody of the hard-boiled crime novel the adventures of seedy not too bright C Card are a delight to both the mind and the heart. *Private Eyes* Robert Allen Baker, Michael T. Nietzel, 1985 *Private Eyes* is the complete map to what Raymond Chandler called the mean streets, the exciting world of the fictional private eye. It is intended to entertain current PI fans and to make new ones. [The Encyclopedia of Twentieth-Century Fiction, 3 Volume Set](#) Brian W. Shaffer, 2011-01-18 This Encyclopedia offers an indispensable reference guide to twentieth century fiction in the English language. With nearly 500 contributors and over one million words it is the most comprehensive and authoritative reference guide to twentieth century fiction in the English language. Contains over 500 entries of 1000-3000 words written in lucid jargon-free prose by an international cast of leading scholars. Arranged in three volumes covering British and Irish Fiction, American Fiction and World Fiction with each volume edited by a leading scholar in the field. Entries cover major writers such as Saul Bellow, Raymond Chandler, John Steinbeck, Virginia Woolf, A.S. Byatt, Samuel Beckett, D.H. Lawrence, Zadie Smith, Salman Rushdie, V.S. Naipaul, Nadine Gordimer, Alice Munro, Chinua Achebe, J.M. Coetzee and Ngũgĩ Wa Thiong'o and their key works. Examines the genres and sub-genres of fiction in English across the twentieth century including crime fiction, Sci-Fi, chick lit, the noir novel and the avant-garde novel as well as the major movements, debates and rubrics within the field such as censorship, globalization, modernist fiction and the film industry and the fiction of migration, diaspora and exile. *Richard Brautigan's A Confederate General from Big Sur, Dreaming of Babylon, and The Hawkline Monster* Richard Brautigan, 1991 Three books in the manner of their original editions. *Encyclopedia of the American Novel* Abby H. P. Werlock, 2015-04-22 Praise for the print edition: no other reference work on American fiction brings together such an array of authors and texts as this. *The Chronology of American Literature* Daniel S. Burt, 2004 If you are looking to brush up on your literary knowledge, check a favorite author's work or see a year's bestsellers at a glance, *The Chronology of American Literature* is the perfect resource. At once an authoritative reference and an ideal browser's guide, this book outlines the indispensable information in America's rich literary past from major publications to lesser-known gems while also identifying larger trends along the literary timeline. Who wrote the first published book in America? When did Edgar Allan Poe achieve notoriety as a mystery writer? What was

Hemingway's breakout title. With more than 8 000 works by 5 000 authors, *The Chronology* makes it easy to find answers to these questions and more. Authors and their works are grouped within each year by category: fiction and nonfiction, poems, drama, literary criticism, and publishing events. Short, concise entries describe an author's major works for a particular year while placing them within the larger context of that writer's career. The result is a fascinating glimpse into the evolution of some of America's most prominent writers. Perhaps most important, *The Chronology* offers an invaluable line through our literary past, tying literature to the American experience: war and peace, boom and bust, and reaction to social change. You'll find everything here from Benjamin Franklin's *Experiments and Observations on Electricity* to Davy Crockett's first memoir from Thoreau's *Civil Disobedience* to Edith Wharton's *Ethan Frome*, from meditations by James Weldon Johnson and James Agee to poetry by Elizabeth Bishop. Also included here are seminal works by authors such as Rachel Carson, Toni Morrison, John Updike, and Arthur Schlesinger Jr. Lavishly illustrated and rounded out with handy bestseller lists throughout the twentieth century, lists of literary awards and prizes, and authors' birth and death dates, *The Chronology of American Literature* belongs on the shelf of every bibliophile and literary enthusiast. It is the essential link to our literary past and present.

Humphrey Bogart Gerald Duchovnay, 1999-02-28 More than forty years after his death, Humphrey Bogart remains a symbol of the Golden Age of Hollywood and a popular culture icon. His legacy has impacted American popular culture beyond the scope of American film history. His image graces buttons, greeting cards, and postal cards, and he has been the subject of plays, films, novels, and poems. This work presents a precise biography of Bogart and examines his place in American popular culture. Scholarly and substantive articles written about Bogart's life, films, and career are analyzed and summarized. Essays and new and previously published interviews present insightful ideas by and about Bogart. Film and popular culture scholars and Humphrey Bogart enthusiasts alike will appreciate the extensive and thorough listing of articles and books about Bogart and his career. As a guide to further research, the author has provided a filmography, discography, and videography, and has documented theater listings, radio, and television appearances, and a directory of Bogart websites. This extensive review of Bogart and his career helps to define his success within an American cultural context.

The Poet's Eye Richard Ogar, 1997 Jubilee Hitchhiker William Hjortsberg, 2012-04-01 Confident and robust, *Jubilee Hitchhiker* is an comprehensive biography of late novelist and poet Richard Brautigan, author of *Troutfishing in America* and *A Confederate General from Big Sur*, among many others. When Brautigan took his own life in September of 1984, his close friends and network of artists and writers were devastated, though not entirely surprised. To many, Brautigan was shrouded in enigma, erratic and unpredictable in his habits and presentation. But his career was formidable, an inspiration to young writers like Hjortsberg, trying to get their start. Brautigan's career wove its way through both the Beat-influenced San Francisco Renaissance in the 1950s and the Flower Power hippie movement of the 1960s, while he never claimed direct artistic involvement with either period. *Jubilee Hitchhiker* also delves deeply into the spirited times in which he lived. As Hjortsberg

guides us through his search to uncover Brautigan as a man the reader is pulled deeply into the writer's world Ultimately this is a work that seeks to connect the Brautigan known to his fans with the man who ended his life so abruptly in 1984 while revealing the close ties between his writing and the actual events of his life Part history part biography and part memoir this etches the portrait of a man destroyed by his genius
