Understanding Dreams Ray Douglas,2009-09 This book takes the reader through the entire gamut of dream analysis and interpretation with the emphasis on family life A family unit is a rather special entity bound together by the invisible bonds of intuition Everybody is linked to some degree at an intuitional level but the family especially so One way to discover these golden bonds of intuition is by recording remembering and understanding your own your partner s your parents and your children s dreams The more you study dreams the more significant they are apt to become and the more important for our well being **Children See Dead People** Rob Armstrong, One of the most famous lines in movie history is I see dead people uttered by a young boy Is there any reason to believe that children can see the dead Do they have spooky powers denied to adults Do they grow out of these powers as they reach puberty Do they forget that they once interacted with the dead One study says that by age seven 65 percent of children have had an imaginary friend Are these imaginary friends actually spirits Do children have the dead as their imaginary playmates They re not imaginary at all They re real but they re dead Children are natural mediums psychics and necromancers They can channel the other world Is the poltergeist phenomenon caused by children s imaginary friends Can imaginary friends operate externally to children s minds Are some children in cahoots with spirits There is nothing more fascinating than the psychic abilities of children and the astonishing thing that eventually happens to them which suppresses their paranormal powers in order to allow them to enter the normal world the adult world What would you prefer to remain a child all your life and have paranormal powers or to become an adult and sacrifice your paranormal powers Nature has made this a tradeoff Do you want to be Peter Pan who can fly but can never grow up or do you want to join the adults and have adult fun and also adult responsibilities Why do children lose their natural powers Is it possible to get these powers back Can adults recover their lost paranormal abilities the abilities which society warned them as children never to play with It s always dangerous to play with fire It s even more dangerous to ignore your natural fire Isn t it time to light up your life **100 Dreams and Their Biblical Interpretations** Jacob Makaya,2018-06-01 Sometimes you have a dream and when you wake up you thank God it was just a dream God uses dreams

to reveal what is going on in the spiritual realm of one's life. Dreams often reveal things that we may physically be unaware of. When you have a dream ignoring it does not solve the problem. God uses dreams to guide us so we make correct decisions in our lives. He also uses dreams to warn us if something bad was going to happen so we can pray and change it. More importantly, God uses dreams to reveal His purpose in our lives. Every dream has a purpose and interpretation. For instance, when you dream you are eating, being chased by people, driving a car, taking exams, being in a place you have never been, being in a place you know or used to live, etc. God is directing, speaking to you things that are going on in your life. The Bible has answers to all these dreams and many others. This book will reveal God's word to you on a personal level because interpretations of dreams are personal and are based on God's message to you. Dreams: Dream interpretation: The complete guide to understanding dreams Angel E Love, 2017-08. When you dream there is usually a deeper reason.
