The Devil's Fortress Dale

Brown,2024-05-28 After saving the US from a Russian nuclear attack in the bestselling Weapons of Opportunity Nick Flynn returns in what could be his most dangerous mission yet Former US Air Force officer Nick Flynn joined the clandestine Quartet Directorate to continue its long standing mission to act decisively against serious threats to the free world And with the backing of Russia's authoritarian president no threat is more deadly than that of Pavel Voronin and his mercenary Raven Syndicate Twice they have almost succeeded in bringing the United States to its knees only to be stopped at the last moment by Flynn and his team of highly trained operatives But Flynn knows it's only a matter of time before one of Voronin's plans to cripple the US bears lethal fruit And so taking the Russian oligarch permanently off the board is now his number one priority Operating undetected deep in hostile territory and fighting their way through Voronin's extraordinarily tough defenses will require every ounce of skill dedication and daring that Flynn and his small force can muster The slightest error could be fatal for all of them and ultimately for millions of Americans With the clock ticking and dangers mounting on all sides it's up to Flynn and the others to finish Voronin before it's too late In this all or nothing battle victory is the only acceptable outcome no matter how high the cost

Waking in Dreamland Jody Lynn Nye,1998-02-01 In a strange realm Roan was the strangest of all because he always looked the same normal Dreamland was the place where sleepers in the real world went when they dreamed and the permanent residents might change their form without warning In dreams there s nothing unusual about talking to a giant rabbit who suddenly turns into a living fire hydrant without missing a beat in the conversation But Roan was always Roan And that was very bizarre But something sinister is going on in Dreamland Their constantly changing world is created by the Seven Sleepers and will continue to exist so long as at least one of the Sleepers is asleep and dreaming Now someone is out to destroy Dreamland by eliminating them And unless the nightmare plot is foiled Dreamland and its inhabitants will vanish like a blown out candle flame bringing an end to all dreams At the publisher s request this title is sold without DRM Digital Rights Management
