Bloodstained Dreams: Daughters of Shadow Mike T. Whitman, 2025-10-13 Vengeance is born in the crypt Hunger is the only prayer that remains Kayla Vale should have died with her family Instead she rose from the grave remade in blood and broken by the vampire who murdered everything she loved For two long years she has endured torment in the dark her only companions the ache of hunger and the memory of her own betrayal Now abandoned and left to rot Kayla claws her way back into the night But freedom carries its own curse Whispers of ancient daughters stir in the shadows fallen angels demons and forgotten goddesses who offer her strength in exchange for the last fragments of her soul Eisheth Zenunim Naamah Agrat bat Mahlat Each with their own truths Each with their own price As Kayla feeds she begins to glimpse the vast and terrible legacy she has inherited a hunger older than death a rage written into creation itself And somewhere in that darkness waits Lucien Fairfax the master who made her and the monster she must destroy But vengeance is not salvation To embrace her power Kayla must decide whether she will remain a pawn in the games of gods and monsters or claim her place as one of the Daughters of Shadow *Bloodstained Dreams Daughters of Shadow* is the second book in Mike T Whitman's gothic horror saga This tale of betrayal blasphemy and blood weaves myth and nightmare into a story of survival Perfect for fans of dark fantasy gothic horror and the blurred line between damnation and divinity

Bloodstained Vows Xerxes Morgenthal, The cathedral bells of Sankt Moritz chimed midnight as Evangeline Ashford stood before the towering oak doors of the Blackthorne estate her breath forming ghostly wisps in the alpine air Snow fell in heavy curtains around her muffling the world in an ethereal silence that seemed to press against her very soul She had come here not as a bride to be but as an instrument of justice though she wondered if what she sought could truly be called justice at all Three months had passed since her father s funeral three months since she discovered the truth that shattered her world like glass beneath a hammer s blow Lord Edmund Ashford had not died of natural causes as the physicians claimed He had been murdered slowly and methodically poisoned by the very man who had once called him friend The evidence lay hidden in her father s private study tucked away in a secret compartment she had discovered while sorting through his effects Letters receipts testimonies all pointing to one man Damien Blackthorne The massive doors groaned open before she could knock as if the house itself sensed her presence A thin pale butler with eyes like winter frost gestured her inside without a word The Blackthorne mansion was a monument to Gothic grandeur all soaring arches and shadowed alcoves its walls lined with portraits of stern faced ancestors whose eyes seemed to follow her every movement Candles flickered in iron sconces casting dancing shadows that transformed the hallway into something from a fever dream Miss Ashford came a voice from the darkness beyond the grand staircase How punctual of you
