middle aged dilettante into a man of sufficient substance to neutralize the potential for evil in Hitler's identical twin Cranky Myrtle Halstead a wealthy resident of San Francisco's most elegant retirement highrise becomes enamored of a man half her age the suave and untrustworthy Bruno de Carlo She resolves to school him in classic literature and turn him into a man of integrity Unwittingly she prepares the Italian American for an unprecedented task two decades following her death He must turn Hitler's twin brother into a successful painter in order to keep him out of politics and save the world from another global catastrophe A colorful cast of quirky characters moves the plot forward in a series of humorous missteps and misunderstandings In this thought provoking tale nature and nurture compete over the souls of a jetsetter and of Hitler's twin brother in contemporary Baghdad by the Bay In this singular speculative and heartwarming story chance events can have enormous consequences Find the surprising answer to an intriguing question of historical hindsight What if Adolf Hitler had had a different profession **I Dream with Open Eyes** George Prochnik, 2022-09-27 A journey of reckoning and

renewal this story of family history and future dreams is an examination of the individual imagination as a catalyst for social change Whatever the ideological slant of our information feeds nowadays we all share a sense of binge watching the apocalypse Facing so much uncertainty we need a language for thinking about the unknown not simply as a threat but also as a space of fertile possibility George Prochnik has chosen to reflect on these urgent themes through the lens of a personal narrative an account of his own family's decision to leave the United States I Dream with Open Eyes begins with an exploration of Prochnik's ancestral past the pilgrimage of his mother's family who were among the first English settlers in the New World In the aftermath of the 2016 election a parallel migration unfolds as Prochnik along with his wife and their son makes the decision to uproot their lives in New York to move to England A deep critique of this current moment Prochnik takes the words of nineteenth century poet Heinrich Heine I dream with open eyes and my eyes see as an inspiration to ask how as a society we might use art and literature to refract and expand our vision of the future while simultaneously generating a new focus on present realities **City of Dreams** Chester Ballard, 2009-10-07 Matt and Cheryl Miller finally
