Irish Democratic Party

The Irish Democrats are currently in an alliance with the Presbyterians and Ulster Voice parties.

The Irish Democrats are moderately right-wing; the Presbyterians are very socially conservative but violently pro-business; and the UVF mainly represent the northern quarter of Ireland and are very right-wing, and often quite fascist.

Ireland is a country in northwestern Europe. It was part of the United Kingdom until 1900. It was colonised starting in the 1500s, primarily by British settlers of Scottish and English origin, most specifically from southern Scotland and northern England. Between then and the start of the 20th century, the native peoples of Ireland were treated as second class citizens. The Irish Question of 1801 saw the heavily Gaelic west of Ireland claimed for settlement primarily by English protestants. The Irish famocides between 1800 and 1807 saw most of the Irish Gaels murdered and deported, primarily to Australia, with the rest fleeing across the Atlantic to the USA. The Irish language remains banned to this day, and is only spoken in small parts of Canada and the US. As well as British settlement, the British authorities also encouraged Dutch and German settlers to move to Ireland, which they did. Ireland became independent from the UK in 1901 after gaining "Home Rule" in 1881. It became a Republic after a referendum in 1900 after it felt the Crown was interfering the Dublin government for its treatment of the native Irish. Today, Irish Gaels are an absolute minority in Ireland, and the term "Irish" now primarily refers to the Scottish, English and Dutch settlers. Ireland began to industrialise after independence, with it becoming a major hub for sewing, as well as car manufacturing. Ireland is a very right-wing, socially conservative country. The church, or Kirk, with a huge amount of influence over society. Homosexuality was decriminalised in 2004, and abortion remains legal. It is one of the most religious countries in Europe. Ireland never joined the EU and any hope of it joining the bloc would be quashed by the influence of the Kirk in the country.
