Keith Maillard

Dress Like A Boy:

Elsewhen William Patterson,2005-08 As Mahmood approached them Jimmy saw what was in Mahmood s good hand He knew what it was Mahmood used such devices frequently on his captives and had used such a device on Jimmy before Jimmy screamed louder in rage and frustration I do not want that on my head He tried to move away from Mahmood but made little progress because of the handcuffs Mahmood reached over to try to put the device on Jimmy bent his head away from Mahmood in order to avoid the device Jimmy was unsuccessful and the device went on When the sphere touched the top of his head it flowed out in all directions assuming a more flattened shape It stuck to his head despite the fact that he used his free hand to try to pull it off He started sobbing All his movements gradually started getting slower and slower He appeared to get weaker and weaker which he was The violent emotions shown on his face became more subdued He began to get lethargic He slowly sank to the floor

Looking Good Keith Maillard,2011-02-01 The Summer of Love is already like a distant memory the psychedelic underground has turned in on itself John Dupre has deserted a perfectly satisfying life as a student in Toronto drawn back to the US by the need to make a difference in the Revolution He s living in Boston under an assumed name because he s on the FBI s wanted list for draft evasion His best friend is Tom Parker an ex GI turned righteous drug dealer When John Tom and the militant feminist and Situationist Pam Zalman seize control of an underground newspaper and are put on the Weatherman hit list there s really no place to hide they re wanted on all sides It s the year of the Harvard Square riot the invasion of Cambodia and Kent State Campuses across America are host to demonstrations and riots Burning ROTC buildings has become an everyday pastime Pam and John forge a relationship where they re struggling against sex roles The Left is splintering into ever smaller and crazier micro factions And that s when things begin to get really weird Looking Good is a masterfully crafted meticulously reconstructed social history of the 60s counterculture and a searching examination of gender identity the magnificent explosive climax to Difficulty at the Beginning
