Peter Ackroyd

Dressing Up Transvestism And Drag The History Of An Obsession

Dr Roger Clegg, Ms Lucie Skeaping

Dressing Up Transvestism And Drag The History Of An Obsession:

Dressing Up, Transvestism and Drag Peter Ackroyd, 1979 Dressing Up explores the fascinating and complex phenomena of Transvestism cross dressing by heterosexuals who admire and identify with the opposite sex and Drag cross dressing by male homosexuals who adorn themselves in the highly exaggerated dress and makeup of the vamp in an expression of parody and misogyny It is an examination of the profound psychological significance underlying most cross dressing as erotic experience as the expression of longing for identification with women while maintaining one's maleness and as fetishistic impulse From jacket *Dressing Up* Peter Ackroyd, 1979 **Dressing Up, Transvestism and Drag** Peter Ackroyd, 1979 My Words Echo Thus Barry Lewis, 2007 A reading of Ackroyd that maps the influence of his historical and fiction writings on one another Dressing Up Dorothy M. Glynn, 1972 **Cross-Dressing in Chinese Opera** Siu Leung Li, 2003-04-01 The enchantment of the figure of the male dan female impersonator remains a residual element in the cultural imagination of many contemporary Chinese societies The various kinds of interpretive possibilities in the commanding tradition of cross dressing Chinese opera have yet to be examined in depth In order to discuss mistaken identity and gender issues as they relate to cross dressing on the Chinese operatic stage this book examines a wide range of materials including traditional dramatic texts modern literary writings critical writings for example qinghua opera paintings and contemporary movies The book explores gendering and gender differences that are constructed reproduced dismantled and contested in this particularly rich site of Chinese culture **Today's Transgender Realities: Crossdressing in Context** Ph. D. G. G. Bolich, Gregory G. Bolich, 2008-01-11 The second in a landmark five volume set by gender scholar G G Bolich this volume looks at the lives of people called transgender These people are allowed to speak for themselves in the various studies conducted with them by many scholars over the last few decades What the research reveals provides a fascinating and compelling look at a group of people increasingly visible in our society **The Circus and Victorian Society** Brenda Assael, 2005 This conflict informs us not only of the complicated role that the circus played in Victorian society but provides a unique view into a collective psyche fraught by contradiction and anxiety The British School Film Stephen Glynn, 2016-09-20 Through close textual and contextual analysis of British films spanning a century this book explores how pupils teachers and secondary education in general have been represented on the British screen The author addresses a number of topics including the nature of public fee paying and state schooling the values of special single sex and co education the role of male and female teachers and the nature of childhood and adolescence itself From the silents of Hitchcock to the sorcery of Harry Potter British cinema's continued explorations of school life highlights its importance in the nation's everyday experience and imaginary landscape Beyond this the school film varying in scope from low budget exploitation to Hollywood financed blockbusters serves both as a prism through which one can trace major shifts in the British film industry and as a barometer of the social and cultural concerns of the cinema going public This applies especially

for gender race and in all senses class **Carry on Understudies** Michelene Wandor,2004-07-31 one hell of a seminal read Here is a book that grapples with energy ingenuity and terrific intellectual rigour with a bewildering forest of issues around gender and politics illuminating insightful perceptive Women s Review **The Politics and Poetics of Camp** Moe Meyer,1994 The Politics and Poetics of Camp is a radical reappraisal of the meaning and discourse of camp The contributors look at both the meaning and the uses of camp performance and ask is camp a style or a witty but nonetheless powerful cultural critique The essays investigate camp from its early formations in the seventeenth and eighteenth century to its present manifestations in queer theatre and literature They also take a fascinating look at the complex relationship between queer discourse and decidedly un queer pop culture appropriations on film and on the stage The Politics and Poetics of Camp is an incisive uncontainable and entertaining collection of essays by some of the foremost critics working in queer theory from a number of disciplinary perspectives This book makes a well timed intervention into an emerging debate Singing Simpkin and other Bawdy Jigs Dr Roger Clegg,Ms Lucie Skeaping,2015-03-02 A popular crowd pleaser in the late 16th and mid 17th century the dramatic jig was a short comic bawdy musical drama which included elements of dance slapstick and disguise With a cast of ageing cuckolds and young head strong wives knavish clowns roaring soldiers and country bumpkins jigs often followed as afterpieces at London s playhouses and were performed at fairs in villages and in private houses Troublesome to the authorities they drew the crowds by offering a lively antidote to more sober theatrical fare This performance edition presents for the first time nine examples of English dramatic jigs from the late sixteenth century through to the Restoration the scripts are re united as far as possible with their original tunes It gives a comprehensive history discusses sources plots instrumentation and dancing and offers practical information on staging jigs today Includes Transcriptions of the original texts Contextual notes plot synopses and discussion of sources themes and audience reception Musical notation for each tune with suggestions for underlay and chords and notes on instrumentation and style Appendix of dance instructions and reconstructions **Why Don't Psychotherapists Laugh?** Ann Shearer,2016-04-14 The capacity for humour is one of life s blessings So why is it so lacking in the theory and even the practice of analysis and therapy Why Don t Psychotherapists Laugh is the first book of its kind about a neglected and even taboo topic the place of enjoyment and good humour in psychotherapy Why Don t Psychotherapists Laugh traces the development of professional psychotherapy and its almost exclusive focus on life s tragedies This may naturally suit some practitioners others may learn that a proper therapeutic persona is serious even solemn But what are they and their clients missing Ann Shearer draws on ideas about humour and its functions from antiquity to contemporary stand up comedy and beyond to explore how it works in both mind and body Shearer demonstrates how even the blackest humour may yield psychological information and how humour can help build therapeutic relationships and be a catalyst for healing Through real life stories from consulting rooms told by both therapists and clients the author shows how a sense of enjoyment and good humour can restore life to people in distress and

how destructive a lack of these may become This book offers food for thought about the theory and practice of psychotherapy It encourages analysts and therapists from different schools to look again at some of the assumptions on which they base their practice and teaching and provides a resource for further reflection on the therapeutic task Taking a psychological look at where humour comes from what it is about and why we need it this book will also intrigue anyone who wants to know more about the kinds of people psychotherapists are what they do and why Written in a highly accessible style Why Don't Psychotherapists Laugh will appeal to psychotherapists with a range of trainings and allegiances their teachers in vocational and academic institutions and their clients as well as to readers with an interest in psychotherapy humour and psychology

Metafiction and Myth in the Novels of Peter Ackroyd Susana Onega Jaén, 1999 Providing detailed analysis of the recurrent structural and thematic traits in Peter Ackroyd's first nine novels this work sets out to show how they grow out of the tension created by two apparently contradictory tendencies These are on the one hand the metafictional tendency to blur the boundaries between story telling and history to enhance the linguistic component of writing and to underline the constructedness of the world created in a way that aligns Ackroyd with other postmodernist writers of historiographic metafiction and on the other the attempt to achieve mythical closure expressed for example in Ackroyd's fictional treatment of London as a mystic centre of power This mythical element evinces the influence of high modernists such as Ezra Pound and T S Eliot and links Ackroyd's work to transition to postmodern writers such as Lawrence Durrell Maureen Duffy Doris Lessing and John Fowles The Cambridge Companion to Ian McEwan Dominic Head, 2019-07-04 Provides a thorough overview of Ian McEwan's fiction articulating his place in the canon of contemporary fiction

Performing Libertinism in Charles II's Court J. Webster, 2005-08-05 Performing Libertinism in Charles II's Court examines the performative nature of Restoration libertinism through reports of libertine activities and texts of libertine plays within the context of the fraternization between George Villiers Duke of Buckingham John Wilmot Earl of Rochester Sir Charles Sedley Sir George Etherege and William Wycherley Webster argues that libertines both real and imagined performed traditionally secretive acts including excessive drinking sex sedition and sacrilege in the public sphere This eruption of the private into the public challenged a Stuart ideology that distinguished between the nation's public life and the king's and his subjects private consciences

Shakespeare's Humanism Robin Headlam Wells, 2005-12-08 Renaissance humanists believed that if you want to build a just society you must begin with the facts of human nature This book argues that the idea of a universal human nature was as important to Shakespeare as it was to every other Renaissance writer In doing so it questions the central principle of post modern Shakespeare criticism Postmodernists insist that the notion of defining a human essence was alien to Shakespeare and his contemporaries as radical anti essentialists the Elizabethans were in effect postmodernists before their time In challenging this claim Shakespeare's Humanism shows that for Shakespeare as for every other humanist writer in this period the key to all wise action was the knowledge of our selves and our human condition *The Ethics and*

Aesthetics of Vulnerability in Contemporary British Fiction Jean-Michel Ganteau, 2015-05-08 This book visits vulnerability in contemporary British fiction considering vulnerability in its relation to poetics politics ethics and trauma Vulnerability and risk have become central issues in contemporary culture and artistic productions have increasingly made it their responsibility to evoke various types of vulnerabilities from individual fragilities to economic and political forms of precariousness and dispossession Informed by trauma studies and the ethics of literature this book addresses such issues by focusing on the literary evocations of vulnerability and analyzing various aspects of vulnerable form as represented and performed in British narratives from contemporary classics by Peter Ackroyd Pat Barker Anne Enright Ian McEwan and Jeanette Winterson to less canonical texts by Nina Allan Jon McGregor and N Royle Chapters on romance elegy the ghost story and the state of the nation novel draw on a variety of theoretical approaches from the fields of trauma studies affect theory the ethics of alterity the ethics of care and the ethics of vulnerability among others Showcasing how the contemporary novel is the privileged site of the expression and performance of vulnerability and vulnerable form the volume broaches a poetics of vulnerability based on categories such as testimony loss unknowing temporal disarray and performance On top of providing a book length evocation of contemporary fictions of vulnerability and vulnerable form this volume contributes significantly to considerations of the importance of Trauma Studies to Contemporary Literature

Playing it Queer Jodie Taylor, 2012 Popular music has always been a dynamic mediator of gender and sexuality and a productive site of rebellion oddity and queerness The transformative capacity of music making performance and consumption helps us to make sense of identity and allows us to glimpse otherworldliness arousing the political imagination With an activist voice that is impassioned yet adherent to scholarly rigour *Playing it Queer* provides an original and compelling ethnographic account of the relationship between popular music queer self fashioning and sub cultural world making This book begins with a comprehensive survey and critical evaluation of relevant literatures on queer identity and political debates as well as popular music identity and sub cultural style Contextualised within a detailed history of queer sensibilities and creative practices including camp drag genderfuck queercore feminist music and club cultures the author's rich empirical studies of local performers and translocal scenes intimately capture the meaning and value of popular musics and sub cultural style in everyday queer lives

Transcultural Anglophone Studies Martina Ghosh-Schellhorn, 2018 Transcultural Anglophone Studies TAS engages with the cultural production of speakers of World English in any part of the former British Empire and the migrational diasporas resulting thereof Anglophone texts in print or other media have had a tremendous impact despite their relatively belated entry to the cultural field Since TAS forms a vast heteronomous research area this Introduction is a first guide for students and researchers In providing analytical tools for engaging with these exceptional texts it situates them in the larger context of globalization and neocolonialism
