Drink Power And Cultural Change:

Drink, Power, and Cultural Change Emmanuel Kwaku Akyeampong, 1996 This analysis of the social history of alcohol in Ghana since the early 19th century blends the approaches of history anthropology social medicine theology and political science Sources used include proverbs music comic opera popular literature photographs and colonial archives **The King of Drinks** Dmitri Van Den Bersselaar, 2007 Using a focus on the trajectory of commoditisation of gin in West Africa this book investigates how imported goods acquire specific local meanings It shows that local consumers not foreign advertisers produced the importance of schnapps gin for African ritual **Drink, Power, and Cultural Change** Emmanuel Kwaku Akyeampong, 1993 This book highlights alcohol's centrality in the culture of power **Beer, Sociability, and Masculinity in South Africa** Anne Kelk Mager, 2010 Beer connects commercial social and political history in this sobering look at the culture of drinking in South Africa Beginning where stories of colonial liquor control Mager looks at the current commerce of beer its valorizing of male sociability and sports and the corporate culture of South African Breweries **Staging Ghana** Paul Schauert, 2015-09-07 The Ghana Dance Ensemble takes Ghana's national culture and interprets it in performance using authentic dance forms adapted for local or foreign audiences Often says Paul Schauert the aims of the ensemble and the aims of the individual performers work in opposition Schauert discusses the history of the dance troupe and its role in Ghana's post independence nation building strategy and illustrates how the nation's culture makes its way onto the stage He argues that as dancers negotiate the terrain of what is or is not authentic they also find ways to express their personal aspirations discovering within the framework of nationalism or collective identity that there is considerable room to reform national ideals through individual virtuosity **Distilling the Influence of Alcohol** David Carey Jr., 2019-03-11 Sugar coffee corn and chocolate have long dominated the study of Central American commerce and researchers tend to overlook one other equally significant commodity alcohol Often illicitly produced and consumed aguardiente distilled sugar cane spirits or rum was central to Guatemalan daily life though scholars have often neglected its fundamental role in the country's development Throughout world history alcohol has helped build family livelihoods boost local economies and forge nations The alcohol economy also helped shape Guatemala's turbulent categories of ethnicity race class and gender as these essays demonstrate Established and emerging Guatemalan historians investigate aguardiente's role from the colonial era to the twentieth century drawing from archival documents oral histories and ethnographic sources Topics include women in the alcohol trade taverns as places of social unrest and tension between Maya and State authority By tracing Guatemala's past people and national development through the channel of an alcoholic beverage *Distilling the Influence of Alcohol* opens new directions for Central American historical and anthropological research **Fires of Gold** Lauren Coyle Rosen, 2020 *Fires of Gold* is a powerful ethnography of the often shrouded cultural legal political and spiritual forces governing the gold mining industry in Ghana one of Africa's most celebrated democracies Lauren Coyle Rosen argues that significant sources of power have arisen

outside of the formal legal system to police adjudicate and navigate conflict in this theater of violence destruction and rebirth These authorities or shadow sovereigns include the transnational mining company collectivized artisanal miners civil society advocacy groups and significant religious figures and spiritual forces from African Islamic and Christian traditions Often more salient than official bodies of government the shadow sovereigns reveal a reconstitution of sovereign power one that in many ways is generated by hidden dimensions of the legal system Coyle Rosen also contends that spiritual forces are central in anchoring and animating shadow sovereigns as well as key forms of legal authority economic value and political contestation This innovative book illuminates how the crucible of gold itself governed by spirits serves as a critical site for embodied struggles over the realignment of the classical philosophical triad the city the soul and the sacred [Africa. A Most Stirring and Significant Episode H. Paul Thompson, Jr., 2012-10-15 When Atlanta enacted prohibition in 1885 it was the largest city in the United States to do so A Most Stirring and Significant Episode examines the rise of temperance sentiment among freed African Americans that made this vote possible as well as the forces that resulted in its 1887 reversal well before the 18th Amendment to the Constitution created a national prohibition in 1919 H Paul Thompson Jr's research also sheds light on the profoundly religious nature of African American involvement in the temperance movement Contrary to the prevalent depiction of that movement as being one predominantly led by white female activists like Carrie Nation Thompson reveals here that African Americans were central to the rise of prohibition in the south during the 1880s As such A

Most Stirring and Significant Episode offers a new take on the proliferation of prohibition and will not only speak to scholars of prohibition in the US and beyond but also to historians of religion and the African American experience **The Oxford Handbook of the History of Consumption** Frank Trentmann, 2012-03-22 The Oxford Handbook of the History of

Consumption offers a timely overview of how our understanding of consumption in history has changed in the last generation

Global Temperance and the Balkans Nikolay Kamenov, 2020-06-24 This book examines the local manifestation of the global temperance movement in the Balkans It argues that regional histories of social movements in the modern period could not be sufficiently understood in isolation Moreover the book argues that broad transformations of social movements for example the power centers associated with moral religious temperance and the later scientifically based anti alcohol campaigns are more easily identifiable through a detailed regional study For this purpose the book begins by sketching the historical development as well as the main historiographical themes surrounding the worldwide temperance movement The book then zooms in on the movement in the Balkans and Bulgaria in particular American missionaries founded the temperance movement in the closing decades of the nineteenth century The interwar period however witnessed the proliferation of new professional organizations The book discusses the various branches as well as their international and political affiliations showing that the anti alcohol reform movement was one of the most important social movements in the region
