Drink In Great Britain 19001979

Susanna Barrows, Robin Room

Drink In Great Britain 19001979:

A History of Drink and the English, 1500-2000 Paul Jennings, 2016-02-05 A 2017 CHOICE Outstanding Academic Title award winner This book is an introduction to the history of alcoholic drink in England from the end of the Middle Ages to the present day Treating the subject thematically it covers who drank what they drank how much who produced and sold drink the places where it was enjoyed and the meanings which drinking had for people It also looks at the varied opposition to drinking and the ways in which it has been regulated and policed As a social and cultural history it examines the place of drink in society and how social developments have affected its history and what it meant to individuals and groups as a cultural practice Covering an extended period in time this book takes in the important changes brought about by the Reformation and the processes of industrialization and urbanization This volume also focuses on drink in relation to class and gender and the importance of global developments along with the significance of regional and local difference Whilst a work of history it draws upon the insights of a range of other disciplines which have together advanced our understanding of alcohol The focus is England but it acknowledges the importance of comparison with the experience of other countries in furthering our understanding of England's particular experience This book argues for the centrality of drink in English society throughout the period under consideration whilst emphasizing the ways in which its use abuse and how they have been experienced and perceived have changed at different historical moments It is the first scholarly work which covers the history of drink in England in all its aspects over such an extended period of time Written in a lively and approachable style this book is suitable for those who study social and cultural history as well as those with an interest in the history of drink in England

Drinking Susanna Barrows, Robin Room, 1991-01-01 A collection of essays examine the social histories of drinking in Europe America and Africa

Pubs and Patriots Robert Duncan, 2013 Examines the history and legacy of the Central Control Board which reformed the drinking habits of Britain during the First World War

Liquid Pleasures Professor John Burnett, John Burnett, 2012-10-02 Drinking has always meant much more than satisfying the thirst Drinking can be a necessity a comfort an indulgence or a social activity Liquid Pleasures is an engrossing study of the social history of drinks in Britain from the late seventeenth century to the present From the first cup of tea at breakfast to mid morning coffee to an evening beer and a night cap John Burnett discusses individual drinks and drinking patterns which have varied not least with personal taste but also with age gender region and class He shows how different ages have viewed the same drink as either demon poison or medicine John Burnett traces the history of what has been drunk in Britain from the hot beverage revolution of the late seventeenth century connecting drinks and related substances such as sugar to empire right up to the cold drinks revolution of the late twentieth century examining the factors which have determined these major changes in our dietary habits

Twentieth-Century Mass Society in Britain and the Netherlands Bob Moore, Henk van Nierop, 2006-10-01 From the beginning of the nineteenth century Western Europe witnessed the emergence of a mass society

Grand social processes such as urbanization industrialization and democratization blurred the previous sharp distinctions that had divided society This massive transformation is central to our understanding of modern society Comparing the British and Dutch experience of mass society in the twentieth century this book considers five major areas politics welfare media leisure and youth culture In each section two well known specialists one from each country examine the conditions behind the rise of a mass society and show how these conditions were distinctively British or Dutch Drawing on history cultural studies and sociology the authors bring new insight into the development of modern European society

Massacre of the Innocents Lionel Rose, 2015-08-27 Before contraception was generally available and when abortion was fraught with danger infanticide was a common solution to the problem of unwanted children *Massacre of the Innocents* first published in 1986 shows the causes and consequences of the high tide of infanticide in Victorian Britain Lionel Rose describes the ways in which unwanted and surplus infants were disposed of and the economic and social pressures on women to rid themselves of their burdens by covert criminal and sub criminal means He discusses the activities of infanticidal and abortionist midwives and shows how the practices of wet nursing and baby farming were closely related to infanticide Unscrupulous insurance salesman even turned infanticide into a profitable business in their reckless grab for commissions Infanticide declined with the growing practice of contraception the lessening of pressure of unmarried mothers and as adoption was made easier This is a hard hitting scrupulously documented piece of social history This title will be of interest to students of history and criminology

Alcohol Roderick Phillips, 2014 In this innovative book on the attitudes toward and consumption of alcohol Rod Phillips surveys a 9 000 year cultural and economic history uncovering the tensions between alcoholic drinks as healthy staples of daily diets and as objects of social political and religious anxiety In the urban centers of Europe and America where it was seen as healthier than untreated water alcohol gained a foothold as the drink of choice but it has been regulated by governmental and religious authorities more than any other commodity As a potential source of social disruption alcohol created volatile boundaries of acceptable and unacceptable consumption and broke through barriers of class race and gender Phillips follows the ever changing cultural meanings of these potent potables and makes the surprising argument that some societies have entered post alcohol phases Jacket

Expressions of Drunkenness (Four Hundred Rabbits) Anne Fox, Mike MacAvoy, 2011-01-07 The goal of this book is to contribute to the ongoing scholarly discussion on the very serious topic of drunkenness The phrase four hundred rabbits is one of many illustrations of the deep cultural religious and social influences on how individuals and communities view alcohol intoxication The Aztecs believed alcohol to have a divine origin with a god and goddess giving birth to 400 meaning innumerable in ancient Aztec divine children or rabbit gods each representing a varying degree and expression of alcohol intoxication and drunkenness Hence the book s subtitle which at first glance might seem light hearted but in fact represents an in depth look at a weighty topic With such rooted sociocultural factors in mind the International Center for Alcohol Policies ICAP and DrinkWise Australia collaborated to prepare a publication that

advances current understanding of the individual and collective meanings purposes and functions of drunkenness As the authors explain interpretations by different disciplines of the terms intoxication and drunkenness are often inconsistent The chapters of this book discuss intoxication and drunkenness from three perspectives biological cultural and social By placing intoxication and drunkenness into these contexts the book is able to offer language and conceptual tools to help advance the ongoing discussion on how best to reduce alcohol related harm and encourage responsible enjoyment of beverage alcohol Readers in need of an in depth understanding of the varied dimensions of extreme drunkenness will add this excellent resource to their personal library

Drink and British Politics Since 1830 J. Greenaway,2003-06-10 The issue of alcohol has never been far from British politics Initially governments needed to control its sale for public order reasons and because it was a major source of revenue Then in Victorian times a powerful temperance movement arose which sought to prohibit or severely curb the Demon Drink This in turn aroused the hostility of the Trade and the issue became one of fierce electoral politics After 1890 drink was interpreted more as a social reform question and then in the First World War after a major moral panic far reaching measures of direct state control were imposed in the interests of national efficiency Later in the Twentieth century alcohol use came to be seen as an aspect of leisure and town planning and more recently as a health issue Drawing upon a wide range of primary sources John Greenaway uses the complex politics of the issue to shed light upon the changing political system and to test various theories of the policymaking process Both historians and political scientists will be interested in this study

Economics and Alcohol Marcus Grant,Martin Plant,Alan Williams,2023-12-01 During the 1950s 1960s and 1970s general levels of alcohol consumption had risen considerably in all parts of the world In association with this there was a proliferation of alcohol related problems such as liver disease drunkenness offences marital disharmony and employment difficulties Many factors influence the probability of alcohol addiction and the habits of drinking they include age sex race occupation and income Economic aspects of the use and misuse of alcohol had been attracting increasing attention during the early 1980s Politicians and scholars alike had drawn attention to the benefits of a vigorous alcohol industry on the one hand and on the other the costs of providing medical social and educational services for those suffering from alcohol related problems Originally published in 1983 the real nature of the relationship between economics and alcohol is explored in detail for the first time in this book It argues for increased participation by economists in the processes of social policy decision making and considers the key issues of cost benefit analyses control policies taxation and programme efficiency No easy solutions are provided but a host of unjustified assumptions about this subject are clarified This book paved the way for substantial future collaboration between economists and those involved in alcohol studies

War and Progress Peter Dewey,2014-09-11 This is an account of how the daily lives of ordinary peoples were changed profoundly and permanently by these three momentous decades 1914 1945 Often depicted in negative terms Peter Dewey finds a much more positive pattern in the wealth of evidence he lays before us His is a story of economic achievement and the

emergence of a new sense of social community in the nation rather than a saga of disenchantment and decline *The Erosion of Childhood* Lionel Rose,2002-09-11 Discusses the status of children in society from the mid Victorian period to the end of the First World War showing that children were regarded principally as objects to be used and abused rather than people in their own right **Drugs, Intoxication and Society** Angus Bancroft,2009 Drugs and intoxication have been facts of human life for millennia Across the world many people use illicit drugs smoke and drink alcohol Yet very little has been written about their experiences Academics politicians and media reporting on the topic tend only to consider intoxication when it manifests as a social problem This book takes a more nuanced view and examines drug and alcohol use from a wider number of perspectives It discusses issues such as the history of drug and alcohol use the attractions of intoxication to individuals and the control and regulation of drugs and their users It also examines evidence for the rise of the so called pharmaceutical society and asks whether society is on the cusp of a revolution in psychoactive substance use Book Jacket

Alcohol, Youth and the State Nicholas Dorn,2023-12-01 In the early 1980s teenage drinking had become one of the many foci for expressions of concern about young peoples morals health and discipline Yet we knew very little about how most young people drink the qualitative aspects of youthful drinking The research emphasis had hitherto been upon the level of drinking neglecting the social forms styles and associated meanings of specific drinking practices such as round buying Originally published in 1983 the core of this book reports upon an ethnographic study of the circumstances cultures and drinking practices of one particular stratum of youth The service sector had become an increasingly important area of employment but little was known about service sector youth cultures The author shows how mixed sex round buying arises in such a culture and how it differs from the drinking practices of other groups The study goes on to develop a general model for understanding drinking practices in diverse strata of youth and draws out implications for health and social education Drink education is related to the increasingly important and contentious area of education about working life and to sexual divisions in society Introducing these sections is a review of the historical origins of concern about public drinking Originating in yearly Vagrancy Acts and elaborated over 500 years the state s policies about production distribution and consumption of alcohol are an integral part of its general economic and social policies and will continue to be framed by them

Tomboys and Bachelor Girls Rebecca Jennings,2007 Using an array of oral histories and archival sources this work provides an academic study of lesbian identity and culture in post war Britain Challenging the conventional picture of the post war decades as years of austerity and conservative femininity this book traces the emergence of a vibrant lesbian social scene in Britain Prevention of Alcohol Abuse Peter M. Miller,Ted D. Nirenberg,2012-12-06 The abuse of alcohol presents a major health problem throughout the world Until recently both clinical and research efforts have been geared toward treatment and rehabilitation of alcoholism With the growing number of problem drinkers entering treatment the need for a better understanding of the prevention of alcohol abuse has become increasingly evident Although still in its infancy the

field of alcoholism prevention is growing at a rapid rate Increasing numbers of behavioral scientists through out the world are conducting or planning prevention projects Policy planners school administrators military agencies community groups state and local alcoholism agencies and industries are initiating alcohol abuse prevention programs with fervor Legislators at all levels of government are also developing a keen interest in legislation aimed at reducing the extent of problem drinking This book represents one of the first systematic attempts to compile a comprehensive text on the prevention of alcohol abuse Many of the contributors to *Prevention of Alcohol Abuse* have international reputations that strengthen their understanding of the complex nature of prevention By providing a critical review of the current knowledge about prevention the text will serve to stimulate and lay the groundwork for further prevention efforts We thank all of the chapter authors for their excellent contributions It is through their efforts that the field will thrive Our appreciation also is expressed to Leonard Pace formerly of Plenum Press for his encouragement and helpful comments in the development of the text **Wine for Sale**

Asa Briggs, 1985 **Woman's World/Woman's Empire** Ian Tyrrell, 2014-03-19 Frances Willard founded the Woman's Christian Temperance Union in 1884 to carry the message of women's emancipation throughout the world Based in the United States the WCTU rapidly became an international organization with affiliates in forty-two countries Ian Tyrrell tells the extraordinary story of how a handful of women sought to change the mores of the world not only by abolishing alcohol but also by promoting peace and attacking prostitution poverty and male control of democratic political structures In describing the work of Mary Leavitt Jessie Ackermann and other temperance crusaders on the international scene Tyrrell identifies the tensions generated by conflict between the WCTU's universalist agenda and its own version of an ideologically and religiously based form of cultural imperialism The union embraced an international and occasionally ecumenical vision that included a critique of Western materialism and imperialism But at the same time its mission inevitably promoted Anglo-American cultural practices and Protestant evangelical beliefs deemed morally superior by the WCTU Tyrrell also considers from a comparative perspective the peculiar links between feminism social reform and evangelical religion in Anglo-American culture that made it so difficult for the WCTU to export its vision of a woman-centered mission to other cultures Even in other Western states forging links between feminism and religiously based temperance reform was made virtually impossible by religious class and cultural barriers Thus the WCTU ultimately failed in its efforts to achieve a sober and pure world although its members significantly shaped the values of those countries in which it exercised strong influence As an urgently needed history of the first large-scale worldwide women's organization and non-denominational evangelical institution *Woman's World Woman's Empire* will be a valuable resource to scholars in the fields of women's studies religion history and alcohol and temperance studies *Alcohol and Temperance in Modern History* Jack S. Blocker Jr., David M. Fahey, Ian R. Tyrrell, 2003-12-17 A comprehensive encyclopedia on all aspects of the production consumption and social impact of alcohol *Alcohol and Temperance in Modern History* An International Encyclopedia spans the history of alcohol production and

consumption from the development of distilled spirits and modern manufacturing and distribution methods to the present. Authoritative and unbiased, it brings together the work of hundreds of experts from a variety of disciplines with an emphasis on the extraordinary wealth of scholarship developed in the past several decades. Its nearly 500 alphabetically organized entries range beyond the principal alcoholic beverages and major producers and retailers to explore attitudes toward alcohol in various countries and religions, traditional drinking occasions and rituals, and images of drinking and temperance in art, painting, literature, and drama. Other entries describe international treaties and organizations related to alcohol production and distribution, global consumption patterns, and research and treatment institutions, as well as temperance prohibition and antiprohibitionist efforts worldwide.

Bouncers Dick Hobbs, 2003. This text is an attempt to understand Britain's night time economy, the violence that pervades it, and the bouncers whose job it is to prevent it. Britain's rapidly expanding night life is one of the country's most vibrant economic spheres, but it has created huge problems of violence and disorder.

Unveiling the Magic of Words: A Review of "**Drink In Great Britain 19001979**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring. Enter the realm of "**Drink In Great Britain 19001979**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Drink In Great Britain 19001979 Introduction

In today's digital age, the availability of Drink In Great Britain 19001979 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Drink In Great Britain 19001979 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Drink In Great Britain 19001979 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Drink In Great Britain 19001979 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Drink In Great Britain 19001979 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Drink In Great Britain 19001979 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Drink In Great Britain 19001979 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It

also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Drink In Great Britain 19001979 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Drink In Great Britain 19001979 books and manuals for download and embark on your journey of knowledge?

FAQs About Drink In Great Britain 19001979 Books

1. Where can I buy Drink In Great Britain 19001979 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
