**Don't Be Stupid, Idiot - Helping Idiots Be Less Idiotic** Yann Somou, 2023-01-29 Do you think the world is going to shit And that manners are being thrown out the window And that common sense and common courtesy are becoming uncommon And that you are now dealing with idiots that bit too often You are not alone We are all collectively treating each other worse than ever before We talk to each other like dickheads We drive like wankers We leave piss on the toilet seat We shake hands as if they've turned into floppy fish We treat money as the be all and end all Yann thinks this is down to us slowly losing touch with our own humanity In other words we care more about ourselves than the person next to us Sure capitalism and technology are partly to blame But

at the end of the day if we don't start treating each other a little better we're all truly fucked. There's no way in hell we'll be able to work together long enough to resolve the catastrophic problems coming our way. To that end, don't be stupid. Idiot is chock full of 120 hilarious, swears, sarcastic, hard-hitting rants about everyday things that everyday idiots do with quasi-serious tongue-in-cheek exercises to help idiots be less idiotic. Each rant also has a QR code or link to share with that idiot of a friend who needs to read it. Rants include: Queue cutting, Cancel culture, Buying rounds, Splitting the bill, Holding the door open, Ignoring reserved seating, Treating pets as humans, Tailgating, Reclining plane seats, Taking the mick, Conspiracy theorists, many more. No one is innocent of being an idiot, including you. It is impossible to read this book and not realise at least one or two ways in which you've started to not give a shit about your fellow human. Yann hopes that instead of being a little bitch about it, you'll use all the reality checks you'll receive to become a better person who is more aware of how their actions affect others.

**Entertainment Guaranteed Fucks Given Zero Legitimate Reviews Brilliant** But it can't go on our best seller's list because most of our readers are idiots. Some shit newspaper Bought for my idiot friend Was a prick still is but at least he knows it now. An idiot The perfect stupid gift for my boyfriend husband dad brother They can be a right wanker Wanker loving idiot Get the book now you muppet. Yann doesn't care whether you buy it as a Secret Santa piss take for colleagues, a really stupid gift for Christmas, a birthday present for people you don't like, for bloody Mother's and Father's day or just because you like books taking the mick. Just buy the thing and start your journey towards being less of a prick. Still don't know if don't be stupid idiot is for you. If you enjoyed Mark Manson's *The Subtle Art of Not Giving a F\*ck*, Laura Clery's *Idiot's*, Thomas Erikson's *Surrounded by Idiots* or Karl Pilkington's *An Idiot Abroad*, you'll love this. You'll also feel right at home if you relate to the logic and pull-no-punches style of outspoken people like Ricky Gervais, Jeremy Clarkson, Piers Morgan and James Haskell.
