## **Driving The Soviets Up The Wall Soviet East German Relations 1953 1961:**

Driving the Soviets Up the Wall ,2005      Driving the Soviets up the Wall Hope M. Harrison,2011-06-27 The Berlin Wall was the symbol of the Cold War For the first time this path breaking book tells the behind the scenes story of the communists decision to build the Wall in 1961 Hope Harrison s use of archival sources from the former East German and Soviet regimes is unrivalled and from these sources she builds a highly original and provocative argument the East Germans pushed the reluctant Soviets into building the Berlin Wall This fascinating work portrays the different approaches favored by the East Germans and the Soviets to stop the exodus of refugees to West Germany In the wake of Stalin s death in 1953 the Soviets refused the East German request to close their border to West Berlin The Kremlin rulers told the hard line East German leaders to solve their refugee problem not by closing the border but by alleviating their domestic and foreign problems The book describes how over the next seven years the East German regime managed to resist Soviet pressures for liberalization and instead pressured the Soviets into allowing them to build the Berlin Wall Driving the Soviets Up the Wall forces us to view this critical juncture in the Cold War in a different light Harrison s work makes us rethink the nature of relations between countries of the Soviet bloc even at the height of the Cold War while also contributing to ongoing debates over the capacity of weaker states to influence their stronger allies      **The Oxford Handbook of Postwar European History** Dan Stone,2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the thirty five chapters of this book As well as diplomatic political institutional economic and social history The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the meaning of Europe and European identity southern Europe after dictatorship the cultural meanings of the bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by an acknowledged expert as well as stimulating and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe      The Truth Is Our Weapon Chris Tudda,2006-05-01 President Dwight D Eisenhower and his secretary of state John Foster Dulles deployed a tactic Chris Tudda calls rhetorical diplomacy

sounding a belligerent note of anti Communism in speeches addresses press conferences and private meetings with allies and with Moscow Yet all the while Tudda discloses the two were confidentially committed to a contradictory course the establishment of a strong system of collective security in Western Europe peaceful accommodation of the Soviet Union and the maintenance of a new albeit divided Germany Tudda explores the Eisenhower administration s pursuit of these two mutually exclusive diplomatic strategies and reveals how failure to reconcile them endangered the fragile peace of the 1950s He builds his argument through three case studies of the administration s badgering the French and their allies to ratify the European Defense Community of its threat to liberate Eastern Europe from Moscow s rule and of its forcing the issue of German reunification By emphasizing the threat from the Soviet Union Eisenhower and Dulles were trying to promote an activist rather than an isolationist foreign policy But their rhetorical diplomacy intensified Cold War tensions with European allies as well as with Moscow and effectively overwhelmed the administration s true diplomatic aims Based on American British Eastern European and Soviet primary sources many only recently unearthed *The Truth Is Our Weapon* is a major contribution to the historiography of Eisenhower s diplomacy and an important statement about the implications of public and private policy making *The GDR and Its Military* Winfried Heinemann, 2025-08-18 The GDR always claimed it was a sovereign state Did it provide for its own security or to what extent did it depend on Soviet guarantees and military support This is one of the guiding questions orienting this volume A chronological overview placing the essential stages of the GDR s military history within the context of the period is followed by a systematic analysis of the most relevant aspects the book covers among other topics the organization of the armed forces the military as an educational agency or the effects of the hypermilitarization on the East German state s economy and society Finally the book asks why all the armed formations together failed to protect the GDR s Socialist Party regime when in 1989 the citizens took to the streets and demanded reforms It is meant for students who need a swift introduction into the topic and for a general readership interested in GDR history and military history *West Germany, Cold War Europe and the Algerian War* Mathilde Von Bulow, 2016-08-22 Examining the clandestine and subversive activities of Algerian nationalists in West Germany and Europe Mathilde Von Bulow sheds new light on the extent to which FLN activities and French counter measures impacted the conflict in Algeria and the politics of the global Cold War *Harold Wilson, Denmark and the making of Labour European policy* Matthew Broad, 2017-11-28 Explores how the European policies of the British Labour Party and Danish Social Democrats evolved between 1958 and enlargement of the European Economic Community EEC in 1973 comparing how they each responded to the integration process at key moments and more innovatively highlights the impact of informal contacts between them

**The Oxford Handbook of Modern German History** Helmut Walser Smith, 2011-09-29 This is the first comprehensive multi author survey of German history that features cutting edge syntheses of major topics by an international team of leading scholars Emphasizing demographic economic and political history this Handbook places German history in a denser

transnational context than any other general history of Germany It underscores the centrality of war to the unfolding of German history and shows how it dramatically affected the development of German nationalism and the structure of German politics It also reaches out to scholars and students beyond the field of history with detailed and cutting edge chapters on religious history and on literary history as well as to contemporary observers with reflections on Germany and the European Union and on multi cultural Germany Covering the period from around 1760 to the present this Handbook represents a remarkable achievement of synthesis based on current scholarship It constitutes the starting point for anyone trying to understand the complexities of German history as well as the state of scholarly reflection on Germany s dramatic often destructive integration into the community of modern nations As it brings this story to the present it also places the current post unification Federal Republic of Germany into a multifaceted historical context It will be an indispensable resource for scholars students and anyone interested in modern Germany Between Containment and Rollback Christian F.

Ostermann, 2021-04-27 In the aftermath of World War II American policymakers turned to the task of rebuilding Europe while keeping communism at bay In Germany formally divided since 1949 the United States prioritized the political economic and eventually military integration of the fledgling Federal Republic with the West The extraordinary success story of forging this alliance has dominated our historical understanding of the American German relationship Largely left out of the grand narrative of American German relations were most East Germans who found themselves caught under Soviet and then communist control by the post 1945 geo political fallout of the war that Nazi Germany had launched They were the ones who most dearly paid the price for the country s division This book writes the East Germans both leadership and general populace back into that history as objects of American policy and as historical agents in their own right Based on recently declassified documents from American Russian and German archives this book demonstrates that U S efforts from 1945 to 1953 went beyond building a prosperous democracy in western Germany and containing Soviet Communist power to the east Under the Truman and then the Eisenhower administrations American policy also included efforts to undermine and roll back Soviet and German communist control in the eastern part of the country This story sheds light on a darker side to the American Cold War in Germany propaganda covert operations economic pressure and psychological warfare Christian F Ostermann takes an international history approach capturing Soviet and East German responses and actions and drawing a rich and complex picture of the early East West confrontation in the heart of Europe *The Warsaw Pact Reconsidered* Laurien

Crump, 2015-02-11 The Warsaw Pact is generally regarded as a mere instrument of Soviet power In the 1960s the alliance nevertheless evolved into a multilateral alliance in which the non Soviet Warsaw Pact members gained considerable scope for manoeuvre This book examines to what extent the Warsaw Pact inadvertently provided its members with an opportunity to assert their own interests emancipate themselves from the Soviet grip and influence Soviet bloc policy Laurien Crump traces this development through six thematic case studies which deal with such well known events as the building of the Berlin Wall

the Sino Soviet Split the Vietnam War the nuclear question and the Prague Spring By interpreting hitherto neglected archival evidence from archives in Berlin Bucharest and Rome and approaching the Soviet alliance from a radically novel perspective the book offers unexpected insights into international relations in Eastern Europe while shedding new light on a pivotal period in the Cold War

**A History of Modern Germany** Dietrich Orlow, 2025-09-09 Now in its ninth edition A History of Modern Germany provides the most up to date and comprehensive survey of this complex country s history beginning in 1871 and ending in the present day Orlow tells the story of Germany s troubled past Prusso German authoritarianism the Nazi dictatorship and the Holocaust whilst also uncovering the long standing traditions of political cultural and economic pluralism that have existed alongside Over the years historians have debated the cause of Germany s volatile and unpredictable trajectory this textbook offers readers insight into this lively historiography While taking Germany as its focus this book also covers its interaction with the rest of the world including the two world wars and Germany s brief colonial experience This ninth edition is the only textbook that brings the story to the present day its new chapter on the years 2017 2024 delves into Germany s role in the global balance of power With Im Mittelpunkt In the Spotlight features on key figures and an expanded list of Suggestions for Further Reading this new edition remains the perfect grounding for all students of German history

The Routledge Handbook of the Cold War Artemy M. Kalinovsky, Craig Daigle, 2014-06-05 This new Handbook offers a wide ranging overview of current scholarship on the Cold War with essays from many leading scholars The field of Cold War history has consistently been one of the most vibrant in the field of international studies Recent scholarship has added to our understanding of familiar Cold War events such as the Korean War the Cuban Missile Crisis and superpower d tente and shed new light on the importance of ideology race modernization and transnational movements The Routledge Handbook of the Cold War draws on the wealth of new Cold War scholarship bringing together essays on a diverse range of topics such as geopolitics military power and technology and strategy The chapters also address the importance of non state actors such as scientists human rights activists and the Catholic Church and examine the importance of development foreign aid and overseas assistance The volume is organised into nine parts Part I The Early Cold War Part II Cracks in the Bloc Part III Decolonization Imperialism and its Consequences Part IV The Cold War in the Third World Part V The Era of Detente Part VI Human Rights and Non State Actors Part VII Nuclear Weapons Technology and Intelligence Part VIII Psychological Warfare Propaganda and Cold War Culture Part IX The End of the Cold War This new Handbook will be of great interest to all students of Cold War history international history foreign policy security studies and IR in general

**Food, Culture and Identity in Germany's Century of War** Heather Merle Benbow, Heather R. Perry, 2019-11-18 Even in the harsh conditions of total war food is much more than a daily necessity however scarce it is social glue and an identity marker a form of power and a weapon of war This collection examines the significance of food and hunger in Germany s turbulent twentieth century Food centered perspectives and experiences from below reveal the social cultural and political

consequences of three conflicts that defined the twentieth century the First and Second World Wars and the ensuing global Cold War Emerging and established scholars examine the analytical salience of food in the context of twentieth century Germany while pushing conventional temporal frameworks and disciplinary boundaries Together these chapters interrogate the ways in which deeper studies of food culture in Germany can shed new light on old wars

*From Incarceration to Repatriation* Susan C. I. Grunewald, 2024-07-15 *From Incarceration to Repatriation* explores the lives and memories of the nearly 1.5 million German POWs who were held by the Soviet Union during and after World War II and released in phases through 1956 seven years longer than the prisoners of any other Allied nation Susan C. I. Grunewald argues that Soviet leadership deliberately kept able bodied German POWs to supplement their labor force after the end of the war The Soviet Union lost 27 million citizens and a quarter of its physical assets during the war motivating Soviet leadership to harness the labor of German POWs for as long as possible Engaging with recently declassified documents in former Soviet archives archival material from multiple German governments as well as innovative use of digital humanities methods and geographic information system GIS mapping Grunewald demonstrates that Soviet authorities detained German POWs primarily for economic rather than punitive reasons In fact the GIS mapping of the historical materials makes it clear that most of the four thousand POW camps across the USSR were strategically located near industrial infrastructure and natural resource sites that were critical to postwar economic reconstruction *From Incarceration to Repatriation* is the first book to draw together the distinct fields of Soviet and German history to provide a more nuanced and comprehensive understanding of German POW captivity in the USSR during and after World War II Attending to the ways that the memory of German POWs remains in circulation in both the former Soviet Union and Germany Grunewald tracks the political repercussions of war commemoration

*Barbarism and Civilization* Bernard Wasserstein, 2009 History

**New Energies** Stephen G. Gross, Andrew Needham, 2023-02-28 Over the past 250 years energy transitions have occurred repeatedly the rise of coal in the nineteenth century the explosion of oil in the twentieth century the nuclear utopianism of the 1950s and 1960s These transitions have been as revolutionary as any political or economic upheaval and they required changes in infrastructure and behavior Yet new energies never wholly replace old ones This volume historicizes energy production and consumption while demonstrating how energy use has reshaped everything from social life and economic organization to political governance It foregrounds the importance of energy for big historical questions about capitalism democracy inequality the environment and identity and it argues that energy systems themselves merit attention as key agents of historical change Given the urgency of climate change and the central position that energy plays in causing and potentially solving global warming this volume engages history as a discipline in the debate over what may be most monumental energy transition of all time the shift away from fossil fuels

*A Companion to John F. Kennedy* Marc J. Selverstone, 2014-06-03 b *A COMPANION TO JOHN F. KENNEDY* A COMPANION TO JOHN F. KENNEDY Marc J. Selverstone has compiled an indispensable volume of essays on

John F Kennedy and his presidency written by a stellar cast of scholars What stands out in sharp relief in this wide ranging and authoritative book is how consequential were Kennedy s thousand days for the United States and for the world and how controversial is his legacy Fredrik Logevall Stephen and Madeline Anbinder Professor of History Cornell University Marc J Selverstone has brought together a remarkable group of scholars who illuminate the many important ideas of and events that occurred during this brief administration This book is the best record of the Kennedy years Alan Brinkley Allan Nevins Professor of American History Columbia University This collection of talented scholars and their research and thoughts on John F Kennedy is an invaluable resource a deeply informed conversation for the ages Richard Reeves writer syndicated columnist and senior lecturer at the Annenberg School for Communication at the University of Southern California

**German Migrant Historians in North America** Karen Hagemann, Konrad H. Jarausch, 2024-11-01 The migration experiences career paths and scholarship of historians born in Germany who started emigrating to North America in the 1950s have had a unique impact on the transatlantic practice of Central European History German Migrant Historians in North America analyzes the experiences of this postwar group of scholars and asks what informed their education and career choices and what motivated them to emigrate to North America The contributors reflect on how these migration experiences informed their own research and teaching and particularly discuss the more general development of the transatlantic exchange between German and American historians in the scholarship on Modern Central European History **After the Berlin Wall** Hope M. Harrison, 2019-09-26 A revelatory history of the commemoration of the Berlin Wall and its significance in defining contemporary German national identity **NewsNet** American Association for the Advancement of Slavic Studies, 2004

## Unveiling the Energy of Verbal Art: An Mental Sojourn through **Driving The Soviets Up The Wall Soviet East German Relations 1953 1961**

### **Driving The Soviets Up The Wall Soviet East German Relations 1953 1961 Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Driving The Soviets Up The Wall Soviet East German Relations 1953 1961 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Driving The Soviets Up The Wall Soviet East German Relations 1953 1961 has opened up a world of possibilities. Downloading Driving The Soviets Up The Wall Soviet East German Relations 1953 1961 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Driving The Soviets Up The Wall Soviet East German Relations 1953 1961 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Driving The Soviets Up The Wall Soviet East German Relations 1953 1961. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Driving The Soviets Up The Wall Soviet East German Relations 1953 1961. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such

activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Driving The Soviets Up The Wall Soviet East German Relations 1953 1961*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Driving The Soviets Up The Wall Soviet East German Relations 1953 1961* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Driving The Soviets Up The Wall Soviet East German Relations 1953 1961 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. *Driving The Soviets Up The Wall Soviet East German Relations 1953 1961* is one of the best book in our library for free trial. We provide copy of *Driving The Soviets Up The Wall Soviet East German Relations 1953 1961* in digital format, so the resources that you find are reliable. There are also many Ebooks of related with *Driving The Soviets Up The Wall Soviet East German Relations 1953 1961*. Where to download *Driving The Soviets Up The Wall Soviet East German Relations 1953 1961* online for free? Are you looking for *Driving The Soviets Up The Wall Soviet East German Relations 1953 1961* PDF? This is definitely going to save you time and cash in something you should think about.
