purpose of providing seekers rare access to the world's wisdom literature. He became a confidante and friend to celebrities and politicians. In 1990 he died; some say he was killed in what remains an open-ended Hollywood murder mystery. This dramatic story of Hall's life and death provides a panorama of twentieth-century mysticism and an insider's view into a subculture that continues to have a profound influence on movies, television, music, books, art, and thought.
