*International Aspects of Social Work Practice in the Addictions* Shulamith L A Straussner, Larry Harrison, 2014-06-03

Examine the worldwide phenomenon of substance abuse and addiction *International Aspects of Social Work Practice in the Addictions* examines current social work practice in the addictions around the world Researchers and practitioners address the abuse of and addiction to alcohol and other drugs and the current policies impacting the treatment of these substances in different countries The book looks at the substances abused the scope of the problems the social reactions the treatment approaches and the role of professionals in addressing issues unique to each country providing a more critical understanding of the socioeconomic and cultural influences on treatment systems *International Aspects of Social Work Practice in the Addictions* presents cross cultural perspectives on the effects of substance abuse and addiction on social policies institutional practices sources of funding and social work methods The book examines the rapid social changes that go hand in hand with increased rates of psychoactive substance problems and recognizes addiction as a complex biopsychosocial phenomenon that responds to intervention The countries represented by the book's contributors include Israel Ireland Germany Australia Singapore the Netherlands the United Kingdom the former Soviet Union and the United States *International Aspects of Social Work Practice in the Addictions* also includes book reviews related to cultural issues and a roundtable discussion concerning the legalization of drugs with perspectives from Australia the United Kingdom and the United States This unique book is a vital resource for clinicians academics and researchers

*International Development Policy Priorities in the FY 2012 Budget* United States. Congress. Senate. Committee on Foreign Relations, 2011

*Energy Policy and Regulation in the People's Republic of China* C. P. Andrews-Speed, 2004-01-01 China is the world's second largest consumer of commercial energy and is therefore a significant contributor to atmospheric pollution It is becoming a major player in global and regional markets for energy products services and investment This book provides an overview of the formulation and implementation of energy policy in China Part One provides background information on China's energy sector Part Two examines the nature of China's energy policy and of the policy making process with examples drawn from the coal and natural gas sectors as well as from the government's drive to promote energy conservation and energy efficiency Part Three focuses on recent efforts to reform the energy sector in China and to regulate it more effectively paying particular attention to the electrical power sector and to small scale coal mines Part Four evaluates from the perspective of the citizen policy relating to the electrical power sector and to the closure of small scale coal mines Part Five addresses the international dimensions of China's energy policy with accounts of both inward and outward investment and of the international political implications About the author Dr Philip Andrews Speed is Director of the Centre for Energy Petroleum and Mineral Law and Policy at the University of Dundee Scotland He spent fourteen years as a geologist in the international mining and petroleum industries before coming to the Centre in 1994 gaining an LLM in Energy Law and Policy and joining the academic staff

**Building Effective**

**Employment Programs for Unemployed Youth in the Middle East and North Africa** Diego F. Angel-Urdinola, Arvo Kuddo, Amina Semlali, 2013-07-17 Given the labor market challenges that countries in the Middle East and North Africa MENA region are facing notably high unemployment prevalence of skills mismatches low labor market mobility and lack of formal employment networks employment services could be a relevant policy instrument to assist unemployed individuals to find jobs Despite high and increasing unemployment rates employers in the region are facing difficulties to find workers whose competences and skills fit their employment needs The study first surveys international best practices for the delivery of employment services and then reviews the provision of these services in a selected group of countries in the MENA region with a focus on public provision through existing public employment agencies Findings indicate public agencies in the region face many challenges for the effective delivery of employment programs namely poor administrative capacity system fragmentation lack of governance and accountability regulation bottlenecks and flaws in program design In order to help unemployed workers to obtain the competences required by available jobs this study proposes a reform agenda based on the development of strong partnerships between public agencies public providers and employers for the design and implementation of flexible employment programs that respond to real employment needs These partnershipss will need to be developed with strong governance mechanisms that make beneficiaries private providers and firms accountable for making sure that investments in employment programs lead to employment insertion The book is directed to policy makers practitioners economists and anyone interested in international best practices to promote a more effective delivery of employment services
