Reading Between Texts Danna Nolan Fewell,1992-01-01 Intertextuality the reading of one text in terms of another is a diverse practice It is a central and prevalent subject in poststructuralist literary theory Reading between Texts is the first book to address intertextuality as it relates specifically to interpretation of the Hebrew Bible The contributors bring together lucid theoretical

discussion and sophisticated interpretations from a variety of backgrounds offering biblical scholars and students a helpful and thorough introduction to the issues and possibilities of intertextuality The Literary Currents in Biblical Interpretation series explores current trends within the discipline of biblical interpretation by dealing with the literary qualities of the Bible the play of its language the coherence of its final form and the relationships between text and readers Biblical interpreters are being challenged to take responsibility for the theological social and ethical implications of their readings This series encourages original readings that breach the confines of traditional biblical criticism

Gender, Sex and Translation Jose Santaemilia, 2015-12-08 Gendered and sexual identities are unstable constructions which reveal a great deal about the ideologies and power relationships affecting individuals and societies The interaction between gender sex studies and translation studies points to a fascinating arena of discursive conflict in which our intimate desires and identities are established or rejected re negotiated or censored sanctioned or tabooed This volume explores diverse and heterogeneous aspects of the manipulation of gendered and sexual identities Contributors examine translation as a feminist practice and or theory the importance of gender related context in translation the creation of a female image of secondariness through dubbing and state censorship attempts to suppress the blatantly patriarchal and sexist references in the German dubbed versions of James Bond films the construction of national heroism and national identity as male preserve the enactment of Chamberlain s gender metaphors in Scliar and Calvino the transformation of Japanese romance fiction through Harlequin translations the translations of the erotic as site for testing the complex rewriting s of identity in sociohistorical term and the emergence of NRTs New Reproductive Technologies which is causing fundamental changes in the perception of creativity or procreation as male domains

Routledge Encyclopedia of Translation Studies Mona Baker, Gabriela Saldanha, 2009-03-04 Praise for the previous edition of the Encyclopedia of Translation Studies Translation has long deserved this sort of treatment Appropriate for any college or university library supporting a program in linguistics this is vital in those institutions that train students to become translators Rettig on Reference Congratulations should be given to Mona Baker for undertaking such a mammoth task and successfully pulling it off It will certainly be an essential reference book and starting point for anyone interested in translation studies ITI Bulletin This excellent volume is to be commended for bringing together some of its most recent research It provides a series of extremely useful short histories quite unlike anything that can be found elsewhere University teachers will find it invaluable for preparing seminars and it will be widely used by students The Times Higher Education Supplement a pioneering work of reference Perspectives on Translation The Routledge Encyclopedia of Translation Studies has been the standard reference in the field since it first appeared in 1998 The second extensively revised and extended edition brings this unique resource up to date and offers a thorough critical and authoritative account of one of the fastest growing disciplines in the humanities The Encyclopedia is divided into two parts and alphabetically ordered for ease of reference Part One General covers the conceptual framework and core concerns of the discipline

Categories of entries include central issues in translation theory e.g. equivalence, translatability, unit of translation, key concepts e.g. culture, norms, ethics, ideology, shifts, quality, approaches to translation and interpreting e.g. sociological, linguistic, functionalist, types of translation e.g. literary, audiovisual, scientific and technical, types of interpreting e.g. signed language, dialogue, court. New additions in this section include entries on globalisation, mobility, localization, gender and sexuality, censorship, comics, advertising and retranslation among many others. Part Two, History and Traditions, covers the history of translation in major linguistic and cultural communities. It is arranged alphabetically by linguistic region. There are entries on a wide range of languages which include Russian, French, Arabic, Japanese, Chinese and Finnish and regions including Brazil, Canada and India. Many of the entries in this section are based on hitherto unpublished research. This section includes one new entry, Southeast Asian tradition. Drawing on the expertise of over 90 contributors from 30 countries and an international panel of consultant editors, this volume offers a comprehensive overview of translation studies as an academic discipline and anticipates new directions in the field. The contributors examine various forms of translation and interpreting as they are practised by professionals today, in addition to research topics, theoretical issues and the history of translation in various parts of the world. With key terms defined and discussed in context, a full index, extensive cross references, diagrams and a full bibliography, the Routledge Encyclopedia of Translation Studies is an invaluable reference work for all students and teachers of translation, interpreting and literary and social theory.

Traduction Harald Kittel, 2004. This international encyclopedia documents and surveys for the first time the entire complex of translation as well as the operations and phenomena associated with it. Structured along systematic historical and geographic lines, it offers a comprehensive and critical account of the current state of knowledge and of international research. The Encyclopedia 1 offers an overview of the different types and branches of translation studies; 2 covers translation phenomena including the entire range of interlingual, intralingual and intersemiotic transfer and transformation in their social, material, linguistic, intellectual and cultural diversity from diachronic, synchronic and systematic perspectives; 3 documents and elucidates the most

important results of the study of translation to the present day as well as the current debates taking into account theoretical assumptions and methodological implications 4 identifies where possible lacunae in existing research listing priorities and desiderata for further research The languages of publication are German English and French

A Feminist Companion to the Catholic Epistles and Hebrews Amy-Jill Levine, Maria Mayo Robins, 2004-01-01 The eighth volume in this series continues the exploration of women's representations and roles constructions of gender and attitudes toward sexuality in the early church Jim Aageson Judith Applegate Warren Carter Pamela Eisenbaum Ruth Hoppin Luke Timothy Johnson Catherine Clark Kroeger Magda Missett van de Weg John Elliott Betsy Bauman Martin and Timothy Cargal tackle a variety of complex issues involving slavery prostitution widows church leadership suffering women's agency and Evangelical responses to the so called texts of terror This volume advances discussion on these often overlooked and misunderstood general letters

Let the Daughters Live! Siebert-Hommes, 2021-11-15 This study deals with the structure coherence and composition of the stories of Exodus 1 and 2 with a view to contributing to the interpretation of biblical narrative in general In the first chapter the author introduces the method and analytical procedures employed In the subsequent chapters the method is applied to the literary architecture of the stories in Exodus 1 and 2 The last chapter presents a sample of the exegesis as a practical demonstration of how the method described can be integrated into the interpretative procedure The approach presented in this volume provides an instructive introduction to newer techniques in interpretation Though of special interest to feminist interpreters it also speaks to a broad range of those who are engaged in modern types of exegesis

Weep Not for Your Children Lisa Isherwood, Rosemary Radford Ruether, 2016-06-16 Violence remains endemic in today's society Religious morality and social prejudice can lead to many acts of violence going unnoticed Weep Not for Your Children presents a selection of essays that examine the ways in which religion and violence interconnect The presence of violence in the origins of cultural and religious norms is examined The essays cover a wide range of examples of violence from the Holocaust to domestic violence and from the violence created by economic systems to that created by the construction of gender itself Weep Not for Your Children challenges and provokes the reader to think beyond traditional associations of good and evil
