The Million Heir Bettye Knapp, 1950 This is the story of Jonny Burke and Johnny s quite a guy He s attractive in both looks and personality but his wallet s flat as a pancake Being in love with the gorgeous Carol doesn t help when it s the things money can buy that Carol likes most Johnny s on his uppers actually that is and to add to his woe he loses his job just as Carol is lured away by George Drexel s new convertible and seemingly bulging pockets Things couldn t look blacker and were it not for Agnes Mallory the landlady s sweet young daughter no doubt Johnny would go jump in a lake

But as the old story goes there's always a silver lining In Johnny's case it's gold He receives notice of the death of a distant relative one he never knew existed stating he being her sole heir will inherit a million dollars But there's a catch His benefactor was a lover of cats and unless he can care for her eight prize felines and keep them in the best of health for one month the entire fortune goes to charity More trouble Johnny is allergic to fur Johnny's story makes front page headlines and resultantly the telephone brings forth strange requests and the doorbell strange people But it all adds to the excitement of life in Mrs Mallory's rooming house Carol seeing the headlines rushes right back to solidify herself as Johnny's No 1 heart interest Of course she was dating George merely to make Johnny jealous An old worn out line She's crazy The cats arrive and Johnny suffers along with his allergy and the resultant sleepless nights This just can't go on not for a million dollars Just as the fortune seems headed for charitable causes the patience of Agnes in helping Johnny through his ordeal spurs on his interest By the time the month is up the cats have found an admirer in Johnny and he wouldn't part with them It's easy to part with Carol though for she's proven herself a selfish calculating little blonde while Agnes has come through as the champion Johnny gets the right girl a million complete happiness for all concerned Olustee Gregory Ahlgren,2018 When Tampa area journalist Jason Bauman is tasked to write an article about a Florida legislative hearing regarding the placement of Civil War memorials as well as the battle whose proposed monument triggered the bill he figures it'll be his last easy fluff piece before he heads North to his new job as a political reporter His one regret is leaving behind the woman he loves who because of her family obligations can't move with him But what he discovers in the small North Florida town of Olustee will force him to re-examine not only his perception of America's bloodiest conflict and its enduring cultural rift but also his own life choices The Chautauquan ,1891 The Sons and Daughters of Jean Baptiste Jacquet: From Angèle Jacquet to Hyppolite Jacquet Russell LaMar Jacquet-Acea,1995 Genealogy Black History African American Studies Research and family history from Acadian and Louisiana Creole history French Ecuador Turks Caicos Island research Index including over 4 000 names **The Silversmith's Wife** Sophia Tobin,2014-01-16 A rich intricate and beautifully told story of murder love and buried secrets perfect for fans of Tracy Chevalier The year is 1792 and it's winter in Berkeley Square As the city sleeps the night watchman keeps a cautious eye over the streets and another eye in the back doors of the great and the good Then one fateful night he comes across the body of Pierre Renard the eponymous silversmith lying dead his throat cut and his valuables missing It could be common theft committed by one of the many villains who stalk the square but as news of the murder spreads it soon becomes clear that Renard had more than a few enemies all with their own secrets to hide At the centre of this web is Mary the silversmith's wife Ostensibly theirs was an excellent pairing but behind closed doors their relationship was a dark and at times sadistic one and when we meet her Mary is withdrawn and weak haunted by her past and near mad with guilt Will she attain the redemption she seeks and what exactly does she need redemption for Rich intricate and beautifully told this is a story of murder love and buried secrets Praise for The Silversmith's Wife A dense

intricate historical thriller centering around the murder of a silversmith in the tradition of Iain Pears An Instance of the Fingerpost and Hilary Mantel's Wolf Hall Sophie Hannah A novel that depends as much on its depiction of character as its evocation of place and time as on the unravelling of a mystery Nick Rennison's Choice Sunday Times Self assured page turning debut which leaves you guessing until the last a GREAT read Daily Mail A sophisticated study of character as much as a crime thriller it pulls the reader into its vivid re creation of Georgian London BBC History Magazine     **History of Ancient Woodbury, Connecticut** William Cothren, 1879     Legislative Document New York (State).
