Congress. House. Committee on Armed Services. Subcommittee on Military Readiness, 2001 **Air University Library Index to Military Periodicals** , 1983 Country Cop Barry Goodson, 2020-05-15 The deputy sheriff or sheriff of a county often is perceived as the lone officer protecting the citizens of a small town Country Cop is the riveting story of one such deputy sheriff Barry Goodson and his experiences with the Parker County Sheriff's office in the 1990s and early 2000s in North Texas Goodson was required to answer any call for service within an area roughly the size of Rhode Island just under 1000 square miles where a backup officer could be many miles away and so he often patrolled and handled calls alone in a county renowned for being a haven for drug manufacturers and dealers Goodson puts the reader in his patrol car to vicariously share what it is like to be in county law enforcement He reveals his officer's skills which include the ability to identify an offender immediately to assess that offender's immediate intent apparent or not and to decide on proper action before the offender can unleash his or her attack on that deputy or against the originally intended victim More often than not he employed verbal judo to de-escalate a situation instead of drawing his gun Calls from dispatch ranged from a simple need to clear livestock from the highways to shots fired or a 150 mph high speed auto chase of drug dealers More often drug dealer attacks erupted during a perceived normal traffic stop with the offender suddenly producing a weapon forcing Goodson to use force to subdue the individual During one domestic violence call Goodson and another officer forced entry to stop a violent father from extreme violence against his wife and two teenage sons but then Goodson had to intercept the wife as she lunged forward with a pair of long scissors in an attempt to stab the other officer in the back Country Cop gives the inside story of county law enforcement and will prove a valuable resource for those in criminal justice those who aspire to a career in law enforcement and to all who enjoy a good police story

Danger Close! Phil Gioia, 2022-06-15 Phil Gioia grew up an army brat during the decades after World War II Drawn to the military he attended the Virginia Military Institute then was commissioned in the U S Army where he completed Jump School and Ranger School Not even a year after college graduation he landed in Vietnam in early 1968 in the first weeks of the Tet offensive which marked a major escalation of the war Leading a platoon in the 82nd Airborne Division Gioia took his paratroopers into the lifting of the siege of Hu where death was always just around the corner and the grisly discovery of mass graves of those executed by the Vietcong during their occupation of the city Wounded he was sent home in April Released from hospital he commanded a paratroop company in the 82nd Airborne in 1968 returning to Vietnam with the hard hitting First Air Cavalry Division a year later this time leading a rucksack company of light infantry Inserted into far flung landing zones Gioia and his men patrolled the jungles and rubber plantations along the Cambodian border looking for a furtive enemy who preferred ambushes to set piece battles and nighttime raids to daylight attacks Danger Close recounts the Vietnam War from the unique boots on the ground perspective of a young officer who served two tours in two different divisions He tells his story thoughtfully straightforwardly and always vividly from the raw emotions of unearthing massacred human beings to the terrors of fighting in the dark with red and green tracers slicing the air Hard to put down and hard to forget Danger Close will remind readers of the best Vietnam memoirs like Guns Up and Baptism
