Family Secrets Gloria González-López,2017-06-20 Real personal accounts of sixty Mexican women and men affected by incest and sexual violence In Family Secrets Gloria González López tells the life stories of women and men in Mexico whose lives were irrevocably changed in the wake of childhood and adolescent incest In Mexico a patriarchal religious society where women are expected to make themselves sexually available to men and where same sex experiences for both women and men bring great shame incest is easily hidden seldom discussed and rarely reported to authorities Through a gripping emotional narrative González López brings the deeply troubling hidden and unspoken issues of incest and sexual violence in Mexican families to light She contends that family and cultural structures in Mexican life enable incest and the culture of silence that surrounds it She examines the strong bonds of familial obligation between parents and children brothers and sisters and elders and youth that in the case of incest can morph into sexual obligation the codes of honor and shame reinforced by tradition and the Church discouraging openness about sexual violence and trauma and the double standards of morality and stereotypes about sexuality that leave girls and women and gender nonconforming boys and men especially vulnerable to sexual abuse A riveting account Family Secrets turns a feminist and sociological lens on a disturbing issue that has gone unnoticed for far too long *Cuentos de Cuanto Hay* Joe Hayes,1998-08 A collection of traditional New Mexican Hispanic folktales gathered from the oral tradition in 1931 and translated by famed storyteller Joe Hayes *Imagen y Palabra* Eliezer Oyola,2012-06 Imagen y palabra En torno a El Cristo de Velázquez es un análisis estilístico e interpretativo del Poema cristológico de Miguel de Unamuno El poema está inspirado en el famoso cuadro del pintor español Diego Velázquez Unamuno comienza a componer estos poemas poco después de haber publicado su magna obra Del sentimiento trágico de la vida 1913 En el poemario el Rector expone todos sus pensamientos y pensamientos en torno a la figura de Cristo Es un poemario con profundas raíces bíblicas A través de cada poema escrito en clásicos endecasílabos el poeta refleja su profunda fe en el Cristo Crucificado Junto a su obra postuma Diario íntimo esta obra poética no deja lugar a duda de que el conflictivo don Miguel murió creyente Se encuentra aquí pues el Unamuno contemplativo frente al Unamuno agnóstico de los críticos Eliezer Oyola hace un examen minucioso de cada poema notando las alusiones bíblicas literarias históricas y mitológicas

Encyclopedia of Italian Literary Studies: A-J Gaetana Marrone,2007 Publisher description Primo Levi's Resistance Sergio Luzzatto,2016-01-05 A daring investigation of Primo Levi s brief career as a fighter with the Italian Resistance and the grim secret that haunted his life No other Auschwitz survivor has been as literarily powerful and historically influential as Primo Levi Yet Levi was not only a victim or a witness In the fall of 1943 at the very start of the Italian Resistance he was a fighter participating in the first attempts to launch guerrilla warfare against occupying Nazi forces Those three months have been largely overlooked by Levi s biographers indeed they went strikingly unmentioned by Levi himself For the rest of his life he barely acknowledged that autumn in the Alps But an obscure passage in Levi s The Periodic Table hints that his deportation to Auschwitz was linked directly to an incident from that time an ugly secret that had made him give up the struggle extinguishing all will to resist indeed to live What did Levi mean by those dramatic lines Using extensive archival research Sergio Luzzatto s groundbreaking Primo Levi s Resistance reconstructs the events of 1943 in vivid detail Just days before Levi was captured Luzzatto shows his group summarily executed two teenagers who had sought to join the partisans deciding the boys were reckless and couldn t be trusted The brutal episode has been shrouded in silence but its repercussions would shape Levi s life Combining investigative flair with profound empathy Primo Levi s Resistance offers startling insight into the origins of the moral complexity that runs through the work of Primo Levi himself
