Aids In Jewish Thought And Law:

AIDS in Jewish Thought and Law Gad Freudenthal, 1998 The AIDS epidemic has elicited sometimes conflicting Jewish theological ethical and halackhic responses regarding morality compulsory testing and treatment and ritual circumcision Compiled here are 12 major texts 1986 1995 and the resolutions on AIDS of two US Jewish organizations Some bibliographic references are in untranslated Hebrew Annotation copyrighted by Book News Inc Portland OR [The Eleventh Plague](#) Jeremy Brown, 2023 Written in a lively and compelling style this book explains the hidden relationship between Judaism and the world of infectious disease It combines history medicine science and religion and gives us a new appreciation of how Jews and Judaism have been deeply shaped by plagues and pandemics from ancient times up to the present [Glimpses of a Strange Land](#) Cyril S. Rodd, 2001-08-02 In this challenging book Cyril Rodd questions many of the assumptions that lie behind recent studies of Old Testament ethics He views the strangeness of the biblical world and wonders whether there is an Old Testament ethics in the modern sense of the word finding rather that the Old Testament writers did not regard many of today s ethical dilemmas as problems at all Dr Rodd examines all the Old Testament writings on five ethical issues the poor war treatment of animals ecology and the position of women He considers their validity and relevance for today and discusses the extent to which they can be referred to for authority or for inspiration and guidance [Caring for Jewish Patients](#) Joseph Spitzer, 2020-01-31 Jewish patients customarily have particular ways of approaching health and healthcare This book outlines the Jewish practices and customs of direct relevance to health professionals illustrated throughout with case histories Information is provided to facilitate day to day communication discussing etiquette and interpersonal relationships between the health professionals and their patients describing in detail the dietary laws customs and festivals This book will offer practical advice about Jews Judaism and the Jewish community helping to educate and enable all healthcare professionals in hospitals and in the community to provide care in a culturally appropriate manner [Welcome to the Club](#) Moshe Sonnheim, 2004 If you are a grandparent or will soon be one this book will become both a guide and a tool to understanding your role and implementing your grandparenthood [Interreligious Encounters in Polemics between Christians, Jews, and Muslims in Iberia and Beyond](#) , 2019-06-24 This book discusses the long fifteenth century in Iberian history between the 1391 pogroms and the forced conversions of Aragonese Muslims in 1526 a period characterized by persecutions conversions and social violence on the one hand and cultural exchange on the other It was a historical moment of unstable religious ideas and identities before the rigid turn taken by Spanish Catholicism by the middle of the sixteenth century a period in which the physical and symbolic borders separating the three religions were transformed and redefined but still remained extraordinarily porous The collection argues that the aggressive tone of many polemical texts has until now blinded historiography to the interconnected nature of social and cultural intimacy above all in dialogue and cultural transfer in later medieval Iberia Contributors are Ana Echevarra a Gad Freudenthal Mercedes Garc a Arenal Maria Laura Giordano

Yonatan Glazer Eytan Eleazar Gutwirth Felipe Pereda Rosa M Rodriguez Porto Katarzyna K Starczewska John Tolan Gerard Wieggers and Yosi Yisraeli **Averroes and Averroism in Medieval Jewish Thought** ,2024-03-25 The Andalusian Muslim philosopher Averroes 1126 1198 is known for his authoritative commentaries on Aristotle and for his challenging ideas about the relationship between philosophy and religion and the place of religion in society Among Jewish authors he found many admirers and just as many harsh critics This volume brings together for the first time essays investigating Averroes s complex reception in different philosophical topics and among several Jewish authors with special attention to its relation to the reception of Maimonides Pablo Dreizik Professor of Philosophy at the University in Buenos Aires has featured this volume in a radio presentation on Radio Sefarad which represents the voice of the Federation of Jewish Communities of Spain The presentation is available here for all interested Radio Sefarad **Judaism and Homosexuality** Chaim Rapoport,2004 In light of modern changes in attitude regarding homosexuality and recent controversy surrounding government legislation the author a Rabbi explores the Jewish stance on homosexuality He combines an unswerving commitment to Jewish Law with a deep understanding of the philosophical and moral issues involved He advocates the adoption of a fair and balanced perspective and attitude **Encyclopedia of Jewish Medical Ethics** Fred Rosner,2003 Ethical issues in modern medicine are of great concern and interest to all physicians and health care providers throughout the world as well as to the public at large Jewish scholars and ethicists have discussed medical ethics throughout Jewish history **A Code of Jewish Ethics: You shall be holy** Joseph Telushkin,2006 Presents the first major code of Jewish ethics to be written in English offering examples from the Torah the Talmud rabbinic commentaries and modern stories to show how ethical teachings can influence daily behavior *Ethics in Health Care* Silvia Angelina Pera,Susara Van Tonder,2005 Dealing primarily with nursing in South Africa and the particular challenges that the country s nurses encounter this book looks at the ethical questions confronting nurses as well as the moral philosophy behind those considerations Ubuntu the African notion that everyone in a community is responsible for the welfare of its members plays a large part in the moral deliberations of the book as do problems particular to South Africa This second edition is updated with new case studies on the AIDS pandemic as well as new ethical questions stemming from the legalization of abortion in South Africa and the rise in the power of health worker unions **The Jewish Law Annual Volume 22** Benjamin Porat,David C. Flatto,2023-12-11 Volume 22 of The Jewish Law Annual adds to the growing list of articles on Jewish law that have been published in volumes 1 21 of this series providing English speaking readers with scholarly articles presenting jurisprudential historical textual and comparative analysis of issues in Jewish law This volume features articles on rabbinic criminal law tort law jurisprudence and judicial practice *AIDS* Inge B. Corless,1989 First published in 1989 Routledge is an imprint of Taylor Francis an informa company **From Abraham to America** Eric Silverman,2006-07-27 Silverman s new book is a comprehensive overview of Jewish circumcision throughout history Beginning with Genesis the author traces paradoxes and tensions in biblical Jewish

circumcision as seen both within Judaism and from the dominant non Jewish culture Topics include rabbinic literature early Christianity Medieval notions of menstruating Jewish men and the blood libel the relic of Christ's foreskin modern notions of the Jewish body and Jewish manhood and the current debate over Jewish and routine medical circumcision in America

The Jewish Encyclopedia: a Descriptive Record of the History, Religion, Literature, and Customs of the Jewish People from the Earliest Times to the Present Day, 1907 *Encyclopedia of AIDS* Raymond A. Smith, 1998-08-27 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company

The Oxford Handbook of Jewish Law Oxford Handbooks, 2025-10-29 Jewish law known as halakhah is a unique legal system that developed over two millennia across multiple continents and in innumerable different contexts With contributions from an interdisciplinary cast of authors The Oxford Handbook of Jewish Law offers readers an in depth understanding of this rich and enduring legal tradition

AIDS Bibliography, 1992 **Judaism** Arye Forta, 1995 Now revised in line with the new GCSE criteria and revised syllabuses for Religious Studies an introduction to basic Jewish beliefs and traditions the Jewish year Judaism in the home and how Judaism affects everyday life From the EXAMINING RELIGIONS series *Contagion* Lawrence I. Conrad, Dominik Wujastyk, 2017-07-05 Contagion even today the word conjures up fear of disease and plague and has the power to terrify The nine essays gathered here examine what pre modern societies thought about the spread of disease and how it could be controlled to what extent were concepts familiar to modern epidemiology present What does the pre modern terminology tell us about the conceptions of those times How did medical thought relate to religious and social beliefs The contributors reveal the complexity of ideas on these subjects from antiquity through to the early modern world from China to India the Middle East and Europe Particular topics include attitudes to leprosy in the Old Testament and the medieval West conceptions of smallpox etiology in China witchcraft and sorcery as disease agents in ancient India and the influence of classical Greek medical theory An important conclusion is that non medical perceptions are as crucial as medical ones in people's beliefs about disease and the ways in which it can be combatted Today we may not believe in the power of demons but the idea that illness is retribution for sin retains great power as was shown by the popular reaction to the spread of AIDS HIV and this is a lesson from the past that the medical profession would do well to heed

When somebody should go to the book stores, search initiation by shop, shelf by shelf, it is really problematic. This is why we offer the ebook compilations in this website. It will utterly ease you to look guide **Aids In Jewish Thought And Law** as you such as.
