Aiiieeeee An Anthology Of Asian American Writers:

Aiiieeeee! Frank Chin, Jeffery Paul Chan, Lawson Fusao Inada, Shawn Wong, 2019-10-31 In the eyes of mid twentieth century white America Aiiieeeee was the one dimensional cry from Asian Americans their singular expression of all emotions it signified and perpetuated the idea of Asian Americans as inscrutable foreign self hating undesirable and obedient In this anthology first published in 1974 Frank Chin Jeffery Chan Lawson Inada and Shawn Wong reclaimed that shout outlining the history of Asian American literature and boldly drawing the boundaries for what was truly Asian American and what was white puppetry Showcasing fourteen uncompromising works from authors such as Carlos Bulosan and John Okada the editors introduced readers to a variety of daring voices Forty five years later the radical collection continues to spark controversy While in the seventies it helped establish Asian American literature as a serious and distinct literary tradition today the editors forceful voices reverberate in contemporary discussions about American literary traditions Now back in print with a new foreword by literary scholar Tara Fickle this third edition reminds us how Asian Americans fought for and seized their place in the American literary canon

The Big Aiiieeeee! Jeffery Paul Chan, 1991 An Anthology of Chinese American and Japanese American Literature When the first volume of this collection of Asian American literature appeared in 1974 it showed readers the roots and the richness of Chinese American and Japanese American writing The authors called their anthology Aiiieeeee because that was the shout the scream often the only sound coming from the yellow man or woman in American movies television or comic books But as that work demonstrated the Asian American writer long ignored and excluded from participating in American culture has an articulate and creative voice The Big Aiiieeeee an entirely new and truly comprehensive collection brings together the earliest writings to appear in America such as the revealing *An English Chinese Phrase Book* used by the first generation of Chinese immigrants and recent stories and essays such as *Come All Ye Asian American Writers* by Frank Chin about the importance of Chinese and Japanese heroic tradition Here we all can now learn of the pain the dreams the betrayals and the indelible sense of otherness of Americans of Chinese and Japanese descent in a seminal collection of poetry prose and drama writings filled with rage and beauty memory and vision Here is a Gold Mountain of voices In the telling and retelling of our stories we create a community of memory This huge collection invites all of us to become listeners and to claim America Ronald Takai author of *Strangers from a Different Shore A History of Asian Americans*
