Arthur Asa Berger

Agitpop Political Culture And Communication Theory:

Agitpop Arthur Asa Berger, 2017-07-12 In this entirely sophisticated and scholarly account of political culture Arthur Asa Berger shows how the variety of cultural preferences creates the foundations of communication theory Using the work of Aaron Wildavsky the author shows how individualism egalitarianism collectivism and fatalism form the basis of culture in complex societies But more importantly Berger breaks down the mechanical distinction between mass culture and elite culture showing how they interpenetrate and crossover at the level of competitive and hierarchical frames Agitpop now in paperback suggests that there is an ideological content to our popular culture even though the creators no less than the consumers of that culture are either unaware or dimly aware that they are creating works with an ideological bent The work takes up in quick order two examples from different areas of the hierarchical individualist egalitarian and fatalist cultures From football games to the Iran Contra Hearings from MTV to the Human Potential Movement from Max Headroom to humor on the Jews and from wrestling to The Terminator Berger takes up his master themes with a deft touch of his own Weaving in the work of scholars from Emile Durkheim to Aaron Wildavsky he manages to make each of the chapters very much his own For those who know the earlier work of this author the reader will be very much at home for those new to Berger the volume will be a joyous revelation The final three chapters reveal a deeper aspect of Berger's work His interpretation of the earlier materials in terms of the semiotics of power of textual analysis or deconstruction of the media and finally an analysis and self analysis of the larger research agenda of which this work is pivotal should make this book central to the theoretical construction of popular and political culture For people working in communications theory political culture and the sociology of knowledge this book is a must for everyone else

The Concept of Political Culture Stephen Welch, 2016-07-27 erudite thought provoking and well written Archie Brown Professor of Politics Oxford University The return to prominence of the concept of political culture offers an opportunity to re evaluate its contribution to the social sciences This study casts a broader net embracing not only political science with equal emphasis placed on the concept's use in communist studies but also sociology and history On this basis a distinctive theory of political culture and not merely another typology is developed Political culture instead of being a token in the sterile debate between interest and culture based explanation offers the means of transcending that debate

Agit-Pop Arthur Asa Berger, Presenting an account of political culture this work shows how the variety of cultural preferences creates the foundations of communication theory Using the work of Aaron Wildavsky it shows how individualism egalitarianism collectivism and fatalism form the basis of culture in complex societies

Blind Men and Elephants Arthur Asa Berger, 2017-07-28 In *Blind Men and Elephants* Arthur Asa Berger uses case histories to show how scholars from different disciplines and scholarly domains have tried to describe and understand humor He reveals not only the many approaches that are available to study humor but also the many perspectives toward humor that characterize each discipline Each case history sheds light on a particular aspect of humor making the

combination of approaches of considerable value in the study of social research Among the various disciplines that Berger discusses in relation to humor are communication theory philosophy semiotics literary analysis sociology political science and psychology Berger deals with these particular disciplines and perspectives because they tend to be most commonly found in the scholarly literature about humor as well as being those that have the most to offer *Blind Men and Elephants* covers a wide range of humor from simple jokes to the uses of literary devices in films Berger observes how humor often employs considerable ridicule directed at diverse groups of people women men animals politicians African Americans Jews Catholics Protestants gay people straight people and so forth The book also explains the risk factor in ridicule as a humorous device *Blind Men and Elephants* depicts how one entity or one situation can be viewed in as many different ways as the number of people studying it Berger also shows how those multiple perspectives the Rashomon Effect can be used together to create a clearer understanding of humor *Blind Men and Elephants* is a valuable companion to Berger's recent effort about humor *An Anatomy of Humor* and will be enjoyed by communication and information studies scholars sociologists literary studies specialists philosophers and psychologists

TRIO: Three Sherlock Holmes Mysteries That Introduce Us to Cultural Studies Arthur Asa Berger, 2024-12-03 TRIO reprints three Sherlock Holmes novellas I wrote *Freud is Fixated* *Marx Est Mort* and *My Name is Sherlock Holmes* which provide a novel literally and figuratively introduction to cultural studies This book is meant to do two things be entertaining and also teach my readers something about psychoanalytic theory Marxist theory and the interdisciplinary field known as cultural studies Books such as TRIO are sometimes described as Infotainments combining both information and entertainment Each chapter is introduced by quotations of interest and I also provide bibliographies and at the end of the book a glossary In this book as he tries to solve each crime Sherlock Holmes interrogates some of the most important thinkers of the twentieth century Which means this book is full of ideas about all kinds of things In some cases the dialogue comes from the writings of the thinkers Holmes is questioning I've had to sacrifice my narrative line to pump as much ideational content into the stories as possible so these novels are didactic in nature but they are still works of fiction but of an unusual kind I have taken some minor liberties with the punctuation and repeat myself at times in different places in different books Teaching cultural studies by using Sherlock Holmes mysteries is an unusual way to instruct students and readers I hope after reading this book you will think it was worth your effort and mine

The Art of the Seductress Arthur A. Berger, 2002-07-02 *Drawing of Cleopatra and Snake* Actually do whatever you want I don't care

Media Analysis Techniques Arthur Asa Berger, 2011-06-29 In the Fourth Edition of *Media Analysis Techniques* author Arthur Asa Berger once again provides students with a clearly written user friendly hands on guide to media research methods and techniques The book empowers readers to make their own analyses of the media rather than just accept how others interpret the media *Media Analysis Techniques* begins by examining four techniques of media interpretation semiotic theory Marxist theory psychoanalytic theory and sociological theory that Berger considers critical for creative people to acknowledge if they are to

understand how their creations translate to the real world Application chapters then link popular culture to these four theories Written in an accessible style that demystifies complex concepts it includes a glossary study guides and the author's own illustrations

Furor Scribendi: A Passion for Writing Arthur Asa Berger, 2024-12-03 This book is about the creative process and also offers readers insights into what it is like to be a writer When I was young I never could have imagined the career I would have but it turns out I was afflicted by the Furor Scribendi and was to spend much of my life writing books and articles as well as writing 106 journals which I started writing in 1954 In this book I discuss my experiences with editors and publishers and also offer excerpts from the books I discuss so you can see what I write about and how I express myself Not all my books were well received My favorite review of my books was written about my book *The TV Guided America* published in the mid seventies The reviewer who did not like my psychoanalytic and semiotic perspectives wrote Berger is to the study of television what Idi Amin is to tourism in Uganda At that time Amin was killing thousands of people in Uganda who were against his regime Another book was reviewed by someone who wrote How do you review a book that never should have been published A colleague of mine at San Francisco State University once told me that my books were all unpublishable and that I only got them published because my editors were naive When I asked him why he had never published a book he explained My books would be too good to be published Fortunately I found any number of naive editors who published my books My experiences as an author as reflected in my books are the subject of this book I don't deal with all my books but discuss enough of them for you to see what it is like dealing with editors and publishers After reading it you will have a better idea of what is like to write a book and be an author

Brands and Cultural Analysis Arthur Asa Berger, 2019-10-25 This book written in an accessible style with numerous illustrations and with drawings by the author discusses what brands are and the role brands play in American society and consumer cultures in general The book uses a cultural studies approach and draws upon concepts and theories from semiotics psychoanalytic theory sociological theory discourse theory and other related fields It also quotes from a number of important thinkers whose ideas offer insights into various aspects of brands Brands has chapters on topics such as what brands are their role in society brands and the psyche brands and history language and brands the marketing of brands brands and logos the branded self San Francisco and Japan as brands brand sacrality multi modal discourse analysis and brands and competition among brands

Essentials of Mass Communication Theory Arthur Asa Berger, 1995-07-05 Solid and elegantly written introduction to its subject up to speed with the current movements in the field this is an excellent textbook for first year students The layout is well conceived and interspersed with Berger's own whimsical cartoons Sight and Sound

Popular Culture Genres Arthur Asa Berger, 1992-05-12 No spy story War of the Worlds science fiction and Frankenstein horror Viewing these works in the context of their respective genres is not only instructive but fascinating reading as well

Manufacturing Desire Arthur Asa Berger, 2017-07-12 The average person in America watches four hours of television per day and spends the equivalent of

nine years of his or her life in front of the television set If the attention most people devote to popular culture listening to the news watching soap operas reading the comics were added up it would reveal that most people spend an enormous amount of time with popular culture which becomes in large measure their culture Manufacturing Desire is a study of how the mass media broadcast or spread various popular arts further how the media and popular arts play a major role in shaping our everyday lives The television shows we watch the movies we see the radio programs we listen to and all the comic strips we read influence social behavior They give us ideas about what is good and evil about how to solve problems and about how we should relate to others If we understand this says Berger then the way we think about our media influenced culture will be far different than if we see popular culture as mindless entertainment Berger provides an analysis of the way popular culture and the mass media simultaneously reflect and affect various aspects of American culture and society He examines commercials television shows comics film humor and everyday life in terms of what beliefs and values are found in them what attitudes toward ourselves and our societies are contained in them how they achieve their effects and what they reflect about present day American culture and society This book is analysis of the impact mass media have across America cross culturally and internationally Manufacturing Desire will provide the general reader as well as specialists in communication and information sociology and psychology with a better understanding of the effects of mass media and popular culture on contemporary society Perspectives on Everyday Life Arthur Asa Berger, 2018-10-31 Perspectives on Everyday Life A Cross Disciplinary Cultural Analysis makes the argument for studying everyday life through a combination of introductory theoretical approaches and a grouping of applications to specific aspects of American culture The first part of the book addresses the idea of everyday life as considered by distinguished thinkers who have written books about everyday life such as Sigmund Freud Fernand Braudel Henri Lefebvre Michel de Certeau and others The second part of the book uses theories dealt with in the first part of the book to explore objects such as suitcases alarm clocks milk pacifiers pressure cookers smart speakers and super glue and their part in the various rituals of everyday life in America revealing their hidden meanings

Media and Communication Research Methods Arthur Asa Berger, 2014 Employing his signature style a practical focus the use of numerous illuminating examples an easy to follow step by step approach and engaging humor that makes the material approachable Arthur Asa Berger updates and enhances his best selling introductory text with the third edition He combines insightful discussions of qualitative and quantitative media and communication research methods as he covers each topic thoroughly in a fun to read style Ideal for beginning research students at both the graduate and undergraduate level this proven book is clear concise and accompanied by just the right number of detailed examples useful applications and valuable exercises that are sure to get your students to want to understand and master media and communication research

The Objects of Affection A. Berger, 2010-07-19 In this book pre eminent semiotician Arthur Asa Berger decodes the meanings of common objects of consumption and their perceived sacredness in consumerist cultures Using semiotic theory

consumer culture is dissected in new and fascinating ways *Media and Communication Research* Arthur Asa Berger,2000-03-21 In this book Arthur Asa Berger combines a practical focus the use of numerous examples a step by step approach and humour to examine both qualitative and quantitative research methods in media and communication research

Metaphors of Identity Thomas K. Fitzgerald,1993-01-01 Placing identity within its cultural context Fitzgerald offers ethnographic case material to examine the meaning and changing metaphors of ethnicity male and female identity and aging and identity He opens up an exciting multidisciplinary dialogue for improving interpersonal and cross cultural communication The book provides a clear synthesis of the interrelated meanings of culture identity and communication examining self concept and its role in the communication process and exploring cultural and biological research on self individuality personality and mind body questions Screening the Los Angeles 'Riots' Darnell M. Hunt,1997 On April 29 1992 the worst riots of the century Los Angeles Times erupted Television newswriters tried frantically to keep up with what was happening on the streets while around the city nation and globe viewers watched intently as leaders participants and fires flashed across their television screens Screening the Los Angeles riots zeroes in on the first night of these events exploring in detail the meanings one news organization found in them as well as those made by fifteen groups of viewers in the events aftermath Combining ethnographic and quasi experimental methods Darnell M Hunt s account reveals how race shapes both television s construction of news and viewers understandings of it He engages with the longstanding debates about the power of television to shape our thoughts versus our ability to resist and concludes with implications for progressive change The Genius of the Jewish Joke Arthur Asa Berger,2017-07-12 The Genius of the Jewish Joke focuses on what is distinctive and unusual about Jewish jokes and Jewish humor Jewish humor is humor by Jews and about Jews in whatever medium this humor is found Jokes are defined as short stories meant to amuse with a punch line though Jewish humor exists in many other forms riddles comic definitions parodies as well The book makes a radical suggestion about the origin of Jewish humor namely that Sarah and Abraham s relation to God and the name of their son Isaac which in Hebrew means laughter recognizes a special affinity in Jews for humor Abraham does not sacrifice Isaac humor and thus humor and the Jews are linked early in Jewish history Berger discusses techniques of humor and how they can be used to analyze jokes He also compares Old World Jewish Humor the humor of the shtetl with its fabulous schlemiels schlimazels schnorrers and other characters and New World Humor the humor of Jewish doctors lawyers accountants and other professional types living mostly in the suburbs nowadays Jewish humor is contrasted with other forms of ethnic humor such as Polish jokes and Italian American jokes This humor in addition to providing pleasure reveals a great deal about Jewish character and culture and in addition the human condition Now available with a new introduction by the author The Genius of the Jewish Joke is an entertaining and informative inquiry into Jewish humor that explores its distinctiveness its unique spirit and its role in Jewish identity **Cultural Criticism** Arthur Asa Berger,1995 Arthur Asa Berger s unique ability to translate difficult theories into

accessible language makes this book an ideal introduction to cultural criticism Berger covers the key theorists concepts and subject areas from literary sociological and psychoanalytical theories to semiotics and Marxism Cultural Criticism breathes new life into the discipline by making these theories relevant to students lives The author illustrates his explanations with excerpts from classic works giving readers a sense of the important thinkers styles and helping place them in their context Berger also provides a comprehensive bibliography on cultural criticism for those who wish to explore the topics at greater length Cultural Criticism is the perfect undergraduate supplemental text for such courses as media studies literary criticism and popular culture
