The Agony and the Ecstasy Irving Stone,1976      **From Darkness to Light** Osho,2023-08-11 It is one of the trade secrets of all the religions to propose propaganda that humanity has to be saved It is a very strange idea but it is so old that nobody seems to look into the implications Nobody asks why you are worried about saving humanity And you have been saving humanity for thousands of years but nothing seems to be saved In the first place does humanity need any saving To answer this question all the religions have created an absolutely fictitious idea of the original fall because unless there is a fall the question of saving does not arise And the religious conception of the original fall is just rubbish      **The Agony of Ecstasy** ,2014 Follows 28 year old university student Lise as she investigates whether her past ecstasy use is affecting her mental health leaving her struggling with anxiety depression and memory loss      The Agony and the Ecstasy Irving Stone,1987      **The Agony of Ecstasy** Olivia Gordon,2006-06-19 A story of a young person s experience of the drug ecstasy and how she emerged from her dark night into a new life After a description of the highs the author gives an account of her first euphoric trip a flashback to childhood a sensation of the whole of life flashing before her and the depression that followed      *Unhomed* Pamela Robertson Wojcik,2024-04-23 In this rich cultural history Pamela Roberston Wojcik examines America s ambivalent and shifting attitude toward homelessness She considers film cycles from five distinct historical moments that show characters who are unhomed and placeless mobile rather than fixed characters who fail resist or opt out of the mandate for a home of one s own From the tramp films of the silent era to the 2021 Oscar winning *Nomadland* Wojcik reveals a tension in the American imaginary between viewing homelessness as deviant and threatening or emblematic of freedom and independence Blending social history with insights drawn from a complex array of films both canonical and fringe Wojcik effectively unhomes dominant narratives that cast aspirations for success and social mobility as the focus of American cinema reminding us that genres of precarity have been central to American cinema and the American story all along      The Book of Boredom Vasile Munteanu,2015-09-28 The book is a collection of poems dealing with various themes emotions and mental states the overarching unifying idea being weariness Boredom may involve other people or a repetition of similar instances but true boredom always involves the self As others have noted one can never escape the self therefore boredom always seems to follow the weary soul Boredom may become a state of mind or even a state of being that is very difficult to escape But there is also languor which turns weariness into a rather pleasant state The poems try to delineate some of these subtleties      **Michael Eigen** Loray Daws,2022-09-14 This insightful book critically reviews and presents an accessible introduction to the life and work of one of the most celebrated modern psychoanalysts Michael Eigen With work spanning over five decades countless articles and thirty published book volumes Daws explores Eigen s main works through key themes and concepts such as working with our psychotic core psychic deadness primary affects and the need for
