Political Mobilisation and Democracy in India Vernon Hewitt, 2007-11-05 This book addresses the paradox of

political mobilization and the failings of governance in India with reference to the conflict between secularism and Hindu nationalism authoritarianism and democracy It demonstrates how the Internal Emergency of 1975 led to increased support of groups such as the BJS and the RSS accounting for the rise of political movements advocating Hindu nationalism Hindutva as a response to rapid political mobilization triggered by the Emergency and an attempt by political elites to control this to their advantage Vernon Hewitt argues that the political disjuncture between democracy and mobilization in India is partly a function of the Indian state the nature of a caste class based society but also and significantly the contingencies of individual leaders and the styles of rule He shows how in the wake of the Emergency the BJP and the RSS gained popularity and power amid the on going decline and fragmentation of the Congress whilst at the same time Hindu nationalism appeared to be of such importance that Congress began aligning themselves with the Hindu right for electoral gains The volume suggests that in the light of these developments the rise of the BJP should not be considered as remarkable or as transformative as was at first imagined
