Aint Prejudice Grand:

We Ain't Too Bright, Are We? David Aragon, 2009-08-28 This book was written by a middle class construction worker welder mechanic ranch hand cowboy educator former president of a union local shop steward and US Marine who cares about Americans and America I wanted to let my feelings out as to what I see happening to this country For this to be happening in this country we couldnt be too bright When people forget to use common sense stop representing the people who voted them in all in the name off lobbyists special interest lies to be bought out to pass bills that spend money they dont have When this country is set up to bring hard times on hard working Americans for power and money America is in trouble When the news media sells out for high salaries to lie to Americans and not in their best interest its time you question what they are doing When Americans are willing to give their lives for this country and come back from overseas duty and are said to be enemies of the state along with people who still believe in religion the Constitution Bill of Rights Its time to start asking question of our leadership When our leaders tell illegal aliens to break our laws the laws they took an oath to defend its time we start looking for leaders who will up hold the laws Money doesnt make you rich but knowing right from wrong does as does being willing to stand for that your country makes you richer Our forefathers gave us that gift by doing just that stood up for this country with their blood Freedoms and the right to pursue happiest makes you rich because if you use it right youll find happiness Money doesnt always give you that Now the government thinks they know whats best for use But as Jefferson said when then government acts under the pretense of taking care of you lose freedoms and rights Now they are using backdoor tactics to take these rights away from you under the pretense they know what better for you then you do and theyll protect us from ourselves Why Because we just aint to bright are we I am richer than 95% of these rich people because I was blessed with a beautiful wife of 38 years two sons a new grandson and two great daughter in laws along with great families on both sides I have friends from Mexico to Canada because I traveled competing in the sport I love and skill does compete in I dont have to destroy peoples lives because of money and power My family has had its hard times as well as our good times but we were willing to work them out for the betterment of the whole All because of what our forefather taught us about freedoms We now have people in government calling us a dirty nation but look what this country has given them and yet they belittle it to other countries for their interest with no pride in what this country has done to make the world a better place They point fingers while they are doing the same thing under the cover of their pointed fingers and Americans cant see for the words and promises and lies All this because of smooth talking salespeople Wake up before they spend you and your grand kids into a debt they never recover from Wake up before the end of this country as we know it and want to pass on to our future is gone because of people wanting an elite ruling class They are willing to divide this country with an old war tactic of divide and conquer by using hate and prejudice to get the job done with not caring about the aftermath of what they have done Thats not leadership but greed All we have to do to change for the better is get smart find Americans who believe
