Watergate White House and more **the PRESIDENTIAL PLANE** George Laros,2020-09-28 A pictorial history of aircraft used by our presidents and of the units serving them For three decades the White House has been sprouting wings Six Presidential planes classed Official and some others too colorful to be ignored have shared an exciting part not only in history in the making but in history in motion Since 1943 Presidential conferences have often been held and decisions made miles overhead Far from routine or commonplace incidents aboard have often been frightening dramatic even humorous Recognizing that fact hundreds of hours of research and extensive tape interviews with veterans of those flights have produced this first pictorial history of those Presidential planes Because a picture really is worth a thousand words a profuse number of illustrations has been carefully selected from hundreds made available that best supplement the written record of those interesting events The Presidential Plane is educational but that won't stop you from thoroughly enjoying every page of it Murder in Dealey Plaza James H. Fetzer,2000 This new photographic analysis of the John F Kennedy assassination takes a critical view of the Warren Commission report and the Zapruder film to shed new light on a subject of enduring controversy Illustrations throughout **The 9/11 Mystery Plane** ,2008-09-01 Unlike other accounts of the historic attacks on 9 11 this discussion surveys the role of the world's most advanced military command and control plane the E 4B in the day's events and proposes that the horrific incidents were the work of a covert operation staged within elements of the U S military and the intelligence community Presenting hard evidence in the form of proprietary photos taken from raw footage filmed by CNN the account places the world's most advanced electronics platform circling over the White House at approximately the time of the Pentagon attack The argument offers an analysis of the new evidence within the context of the events and shows that it is irreconcilable with the official 9 11 narrative **Presidential Travel** Richard J.
