treasures can be found by daring adventurers The magic inherent within this positioning of islands as places of discovery is an aspect which permeates the theoretical methodological and analytical boundaries of this edited book Showcasing the breadth of current musicological research in Australia and New Zealand this edited collection offers a range of subtle and innovative reflections on this concept both in established and well charted territories of music research **ARTnews** ,2006

"Marketing Art in the British Isles, 1700 to the Present " Charlotte Gould,2017-07-05 A cultural history of the first truly modern art market Marketing Art in the British Isles 1700 to the Present furthers the burgeoning exploration of Britain's struggle to carve a niche for itself on the international art scene Bringing together scholars from the UK US Europe and Asia this collection sheds new light on such crucial notions as the internationalization of the art market the emergence of an increasingly complex exhibition culture issues of national rivalry and emulation artists individual and collective strategies for their own promotion and survival the persistent anti commercialism of an elite group of art lovers and critics and accusations of philistinism levelled at the middle classes as well as an unquestionable native British genius at reconciling jarring discourses Essays explore the unresolved tension between artistic aspirations and commercial interest a tension that has come to shape Britain's national artistic tradition from the perspectives of artists dealers and super collectors and the upwardly mobile middle classes whose consumerism gave rise to the British art market as it is known today Specific case studies include Whistler Roger Fry Damien Hirst and Charles Saatchi essays consider art markets from London and Manchester to Paris and Flanders **The Trojan Horse** Deborah Philips,Garry Whannel,2013-08-29 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com The Trojan Horse traces the growth of commercial sponsorship in the public sphere since the 1960s its growing importance for the arts since 1980 and its spread into areas such as education and health The authors central argument is that the image of sponsorship as corporate benevolence has served to routinize and legitimate the presence of commerce within the public sector The central metaphor is of such sponsorship as a Trojan Horse helping to facilitate the hollowing out of the public sector by private agencies and private finance The authors place the study in the context of the more general colonization of the state by private capital and the challenge posed to the dominance of neo liberal economics by the recent global financial crisis After considering the passage from patronage to sponsorship and outlining the context of the post war public sector since 1945 it analyses sponsorship in relation to Thatcherism enterprise culture and the restructuring of public provision during the 1980s It goes on to examine the New Labour years and the ways in which sponsorship has paved the way for the increased use of private public partnerships and private finance initiatives within the public sector in the UK *The Rise and Fall of the Broadway Musical* Mark N. Grant,2004 A highly original incisive and spirited examination of the rise heyday and decline of American musical theatre **The Thirteenth Virgin Film Guide** ,2005 The critically acclaimed Virgin Film Guide makes every film count by providing more information on the films that matter from the 1930s to the present day It

offers fuller credits longer synopses and reviews plus comprehensive Oscars information alternative titles a complete star rating and a comprehensive index of directors It also draws on the expertise of TV Guide s entire team of film experts each skilled in a different kind of film from classic Hollywood musicals to low budget cult favourites giving the reader more informed and opinionated critique than other books of this kind The Playbill ,1985
