Joyce and the G-Men C. Culleton,2004-07-19 Several years ago on a whim Culleton requested James Joyce s FBI file Hoover had Joyce under surveillance as a suspected Communist and the chain of cross references that Culleton followed from Joyce s file lead her to obscenity trials and less obviously to a plot to assassinate Irish labour leader James Larkin Hoover devoted a great deal of energy to keeping watch on

intellectuals and considered literature to be dangerous on a number of levels Joyce and the G Men explores how these linkages are indicative of the culture of the FBI under Hoover and the resurgence of American anti intellectualism The Publishers Weekly ,1990 **Donald Hall in Conversation with Ian Hamilton** Donald Hall,Ian Hamilton,2000 A 112 page volume containing a 27 000 word interview with a career sketch a comprehensive bibliography and a representative selection of quotations from Hall s critics and reviewers Also included is Hall s recent poem Tidying Hall comes across as a professional poet who has made the most of the institutional opportunities available in post war America to build a career as writer and teacher Twenty two pages of closely printed bibliography attest to the scale and range of his work as an editor and anthologist Even tempered and meticulous he exemplifies a contented subservience to the work ethic Poetry for Hall is a craft which can be laboured at in the expectation of success proportionate to investment of effort He is as practical and dispassionate in his attitude to subject matter as to poetic form both are to be extended in the interests of furthering the reach of his poetry and if private experience is to be drawn on it does not deserve any more excitable treatment than other topics He none the less speaks at length about his personal life in the interview bringing a stoic grace to his account of the circumstances and aftermath of the death of his wife the poet Jane Kenyon Tidying the revealingly titled sample lyric offers a characteristically exact meditation on that aftermath Patrick Crotty Times Literary Supplement October 27th 2000 **Vik Muniz: Reflex** Vik Muniz,2005 Reflex A Vik Muniz Primer is a privileged guided tour of the contents of Muniz s pyrotechnic imagination walking us through each of his major series Ninth Street Women Mary Gabriel,2018-09-25 Five women revolutionize the modern art world in postwar America in this gratifying generous and lush true story from a National Book Award and Pulitzer Prize finalist Jennifer Szalai New York Times Set amid the most turbulent social and political period of modern times Ninth Street Women is the impassioned wild sometimes tragic always exhilarating chronicle of five women who dared to enter the male dominated world of twentieth century abstract painting not as muses but as artists From their cold water lofts where they worked drank fought and loved these pioneers burst open the door to the art world for themselves and countless others to come Gutsy and indomitable Lee Krasner was a hell raising leader among artists long before she became part of the modern art world s first celebrity couple by marrying Jackson Pollock Elaine de Kooning whose brilliant mind and peerless charm made her the emotional center of the New York School used her work and words to build a bridge between the avant garde and a public that scorned abstract art as a hoax Grace Hartigan fearlessly abandoned life as a New Jersey housewife and mother to achieve stardom as one of the boldest painters of her generation Joan Mitchell whose notoriously tough exterior shielded a vulnerable artist within escaped a privileged but emotionally damaging Chicago childhood to translate her fierce vision into magnificent canvases And Helen Frankenthaler the beautiful daughter of a prominent New York family chose the difficult path of the creative life Her gamble paid off At twenty three she created a work so original it launched a new school of painting These women changed American art and society tearing up the prevailing social code and

replacing it with a doctrine of liberation In Ninth Street Women acclaimed author Mary Gabriel tells a remarkable and inspiring story of the power of art and artists in shaping not just postwar America but the future Abstract Expressionist Women Painters Francoise S.
