*Reading The Virginian in the New West* Melody Graulich, Stephen Tatum, 2003-01-01 Although the origins of the western are as old as colonial westward expansion it was Owen Wister's novel *The Virginian* published in 1902 that established most of the now familiar conventions of the genre On the heels of the classic western's centennial this collection of essays both re-examines the text of *The Virginian* and uses Wister's novel as a lens for studying what the next century of western writing and reading will bring The contributors address Wister's life and travels the novel's influence on and handling of gender and race issues and its illustrations and various retellings on stage film and television as points of departure for speculations about the new West as indeed Wister himself does at the end of the novel The contributors reconsider the novel's textual complexity and investigate *The Virginian's* role in American literary and cultural history Together their essays represent a new western literary studies comparable to the new western history      **The Book Review Digest**, 2007      *Marine Fisheries Review*, 2004      **Choice**, 2002      Resources in Education, 2001      Lead Like a Guide Christopher I. Slotnick, 2014-10-22 The largest by far of the fifty states Alaska is also the state of greatest mystery and diversity And as Claus M Naske and Herman E Slotnick show in this comprehensive survey the history of Alaska s peoples and the development of its economy have matched the diversity of its land and seascapes *Alaska A History* begins by examining the region s geography and the Native peoples who inhabited it for thousands of years before the first Europeans arrived The Russians claimed northern North America by right of discovery in 1741 During their occupation of Russian America the region was little more than an outpost for fur hunters and traders When the czar sold the territory to the United States in 1867 nobody knew what to do with Seward s Folly Mainland America paid little attention to the new acquisition until a rush of gold seekers flooded into the Yukon Territory In 1906 Congress granted Alaska Territory a voteless delegate and in 1912 gave it a territorial legislature Not until 1959 however was Alaska s long sought goal of statehood realized During World War II Alaska s place along the great circle route from the United States to Asia firmly established its military importance which was underscored during the Cold War The developing military garrison brought federal money and many new residents Then the discovery of huge oil and natural gas deposits gave a measure of economic security to the state *Alaska A History* provides a full chronological survey of the region s and state s history including the precedent setting Alaska Native Claims Settlement Act of 1971 which compensated Native Americans for their losses the effect of the oil industry and the trans Alaska pipeline on the economy the Exxon Valdez oil spill and Alaska politics through the early 2000s      *A Companion to the Roman Republic* Nathan Rosenstein, Robert Morstein-Marx, 2011-09-07 This Companion provides an authoritative and up to date overview of Roman Republican history as it is currently practiced Highlights recent developments including archaeological discoveries fresh approaches to textual sources and the opening up of new areas of historical study Retains the drama of the Republic s rise and fall Emphasizes not just the evidence of texts and physical remains but also the models and assumptions that scholars bring to these artefacts Looks at the role played by the physical geography and environment of Italy Offers a compact but detailed narrative of military and political developments from the birth of the Roman Republic through to the death of Julius Caesar Discusses current controversies in the field      **American Book Publishing Record** ,2006      *Moon Alaska* Don Pitcher, 2011-05-31 Travel writer and nature photographer Don Pitcher covers the best of Alaska from fine dining in Anchorage to backpacking in Denali National Park Pitcher also includes various travel strategies such as The Best of Alaska and Along the AlCan Complete with details on where to view wildlife at the Yukon Delta National Wildlife Refuge and the best spots to kayak in Prince William Sound *Moon Alaska* gives travelers the tools they need to create a more personal and memorable experience      Forthcoming Books Rose Army, 2002-02      *El-Hi Textbooks & Serials in Print*, 2005 ,2005      *Beaches and Parks from Monterey to Ventura* Steve Scholl, 2007-04-04 Those of us born and raised along the California coast know and treasure the great beauty diversity and natural wonder of the most remarkable coastline in the world This wonderful book gives you a
