UNLOCKING THE DREAM VISION R.J. von-Bruening, 2018-10-31

Unlocking the Dream Vision The secret history of creation will take you on a profound journey into the mysterious mystical esoteric symbolism of the largely forgotten Dream Vision that is buried deep within the ancient Book of Enoch It is a unique and captivating journey that reveals one of the most heretical blasphemous and controversial accounts of creation ever told for both believer and skeptic Within its pages you will learn of the ancient system of mystical symbolism and initiation that was born in the religious temples that ruled the city states of the first civilizations You will also be introduced to the radical 2 000 year old theory from the legendary Library of Alexandria that the true story of our own mysterious origins lays within the system of allegories and mystical symbolism of the mythologies and sacred writings of the ancient world A system that was first created by the professional class of writers known as the scribes in order to conceal and protect the forbidden knowledge of the gods and the secret history of creation itself By using this non traditional approach you will discover how the highly symbolic Dream Vision written by the righteous scribe and mysterious lost prophet of the Bible Enoch is the key to unlocking this ancient system of mystical symbolism and the secret history of humanity It is the same secret that is still hidden within the symbolism of the mysterious esoteric brotherhoods secret societies and hidden orders of the world It is through this exceptional system of mystical symbolism created by the ancient scribes that the origin and true meaning to all the mystical symbols like the pentagram the all seeing eye and the unfinished pyramid are revealed You will also learn the answers to some of the greatest mysteries concerning the biblical story For you will find that the mystical symbolism of the Dream Vision contains the secrets of the Watchers the Giants the great Flood of Noah and so many more mysteries which are uncovered for the first time Not only are the hidden secrets of the Bible uncovered through the mystical symbolism but it will

also reveal the greatest secrets of mythology and the ancient world You will understand the secret meaning to the ever famous symbol of the Bull the Twin Brothers of legend and even the monsters of myth like the terrible Hydra You will even learn the real reason why the Great Pyramid was built the real secret of the Pleiades cluster the lost city of Atlantis and the other mysterious lost civilizations of the Ice Age moreover with the conclusive evidence of the terrible cataclysm that befell them all You will also be presented with an entirely new theory on the identity and true origins of the mysterious figures our ancient ancestors worshiped as the gods without invoking ancient aliens or endless religious speculation *My Pal, Blaise* Richard Leviton,2012-08 In 2020 angels of a high order started incarnating on Earth as humans In early 2020 guards at Teotihuacan an archeological site in Mexico find eight fat handwritten notebooks on a ledge at the Palace of the Jaguars They purport to be the journal and maybe last testament of an American age 69 hiding out in the high desert of New Mexico and on the run from intelligence agencies He sums up his life spent with a most unusual colleague named Blaise The journal entries span seven months in 2019 then end as 2020 begins but they cover the history of the Earth Offered in a matter of fact manner the writer s revelations grow increasingly alarming and hard to credit Wormholes on the Earth Pleiadian influence in human evolution Hyperdimensional Light grids Clairvoyant scientists Shapeshifting Ascended Masters Accounts of planetwide psychic access An apparitional theater of mythic figures Angels 60 billion years old on the verge of human incarnation Yet the journals written with warmth fondness and amusement read like the memoir of truly one man s best friend Blaise yet this Blaise is too big too old too vast to be a human What then And who wrote the journals He seems untraceable In 2023 the notebooks passed to Dartmouth College professor Frederick Graham Atkinson Ph D who starting in 2025 prepared them for publication adding helpful editorial notes The journals though never intended for publication by their author and it s a miracle they survived the desert and years in a dusty unused office Dr Atkinson states offer an unusual often inspiring and mostly astonishing report of the inner affairs of planet culture myth humanity the spiritual world and where it s all heading *Where the Eagles Gather* Elizabeth Clare Prophet,1982-08
