**King Arthur's Country** Stuart Laycock,Christopher Gidlow,2024-12-30 England today is a rich complex mix of identities cultures and heritages However in the decades after Roman Britain collapsed in the fifth century the cultures of the Angles and of the Saxons with significant degrees of homogeneity spread rapidly westwards across much of eastern southern and central England Then it stopped Or was stopped For the area then still beyond Anglo Saxon reach is characterized by a network of military and economic links across the island Perhaps significantly this includes parts of Britain traditionally associated with King Arthur Later the multi ethnic and multi cultural kingdom of Mercia in alliance with British kingdoms in Wales spread from the Midlands across England under the mysterious King Penda dominating the earlier Anglo Saxon kingdoms with its wealth and military power The region that gave birth to Mercia is also a region that was a most likely base

for the elusive figure of King Arthur The authors use historical and archaeological evidence much of it new to explore the link between Arthur s kingdom and the rise of Penda s Mercia They seek to locate lost Arthurian battlefields and understand what happened there with exciting new results This is the story of one region two kings and two centuries that changed England forever **Arthur's Ladies' Magazine of Elegant Literature and the Fine Arts** ,1844 **School Library Journal**

,2004 **The Historic King Arthur** Frank D. Reno,2007-03-20 Who was King Arthur How did the story originate Through careful research of the many primary documents a picture of the true Arthur can in fact be set down He reached power shortly after the Romans evacuated Britain at the end of the fifth century and died at the Battle of Camlann He became king at 15 under the name of Ambrosius Aurelianus and fought against the Saxons on the mainland as Riothamus thus explaining the regeneration motif so closely tied to the mythical Arthur This study reveals that the integrity and ideals central to Arthurian myth were very much a part of the real Arthur **Easter Fire** Richard J.
