Historical Society,1876 **History of Trumbull and Mahoning Counties** HZ Williams & Bro,1882 Speculation Nation
Michael A. Blaakman,2023-09-19 During the first quarter century after its founding the United States was swept by a wave of
land speculation so unprecedented in intensity and scale that contemporaries and historians alike have dubbed it a mania In
Speculation Nation Michael A Blaakman uncovers the revolutionary origins of this real estate bonanza a story of ambition
corruption capitalism and statecraft that stretched across millions of acres from Maine to the Mississippi and Georgia to the
Great Lakes Patriot leaders staked the success of their revolution on the seizure and public sale of Native American territory
Initially they hoped that fledgling state and national governments could pay the hefty costs of the War for Independence and
extend a republican society of propertied citizens by selling expropriated land directly to white farmers But those democratic
plans quickly ran aground of a series of obstacles including an economic depression and the ability of many Native nations to
repel U S invasion Wily merchants lawyers planters and financiers rushed into the breach Scrambling to profit off future
expansion they lobbied governments to convey massive tracts for pennies an acre hounded revolutionary veterans to sell
their land bounties for a pittance and marketed the rustic ideal of a yeoman s republic the early American dream while
waiting for land values to rise When the land business crashed in the late 1790s scores of land mad speculators found
themselves imprisoned for debt or declaring bankruptcy But through their visionary schemes and corrupt machinations U S
speculators and statesmen had spawned a distinctive and enduring form of settler colonialism a financialized frontier which
transformed vast swaths of contested land into abstract commodities Speculation Nation reveals how the era of land mania
made Native dispossession a founding premise of the American republic and ultimately rooted the United States empire of
liberty in speculative capitalism History of Trumbull and Mahoning Counties ,1882 *The Connecticut Land Company*
