The Artisans and Entrepreneurs of Dongyang County, 2015 **The Artisans and Entrepreneurs of Dongyang County** Eugene Cooper, 1998 **The Artisans and Entrepreneurs of Dongyang County** Terry L Cooper, Yinhuo Jiang, 2016-09-16 The book represents a continuation of research begun by Cooper in Hong Kong in the early 1970s among expatriate artisan furniture makers and woodcarvers from Dongyang County Zhejiang Province He now sets out to investigate the fate of the same craft in the hands of the same folk under totally different socio economic conditions in their native county in communist People s Republic of China *Local Government and Politics in China* H. George Frederickson, H. George Ghere, 2003-05-27 After over a decade of administrative and economic reform in mainland China the center has become increasingly remote and less important for many localities In many ways the mobilization capacity of the central government has been weakened Central government policies are often ignored and local officials are often more interested in personal projects than in centrally directed economic plans In this study of local government and politics in China the author explores when and why local government officials comply with policy directives from above Drawing on interviews with government officials in various municipalities and a review of county records and other government documents he provides the first in depth look at policy implementation at the county and township levels in the PRC The book examines the impact of the Chinese cadre system on the behavior of local officials local party and government structure relationships among various levels of Chinese local government policy supervision mechanisms at local levels village governance of China and more *Local Government and Politics in China* Yang Zhong, 2015-02-18 After over a decade of administrative and economic reform in mainland China the center has become increasingly remote and less important for many localities In many ways the mobilization capacity of the central government has been weakened Central government policies are often ignored and local officials are often more interested in personal projects than in centrally directed economic plans In this study of local government and politics in China the author explores when and why local government officials comply with policy directives from above Drawing on interviews with government officials in various municipalities and a review of county records and other government documents he provides the first in depth look at policy implementation at the county and township levels in the PRC The book examines the impact of the Chinese cadre system on the behavior of local officials local party and government structure relationships among various levels of Chinese local government policy supervision mechanisms at local levels village governance of China and more *Chinese Provincial Leaders* Alan M. Glassman, Deone Zell, Shari Duron, 2005 An emergent approach to organizational strategy making assumptions that few organizations actually realize the goal of deliberative top down strategic planning and that effective strategy making occurs on a continual basis and is a shared activity of the entire organization This innovative book provides the first in depth look at how real organizations are formulating and implementing strategic change under this new paradigm The authors have dug

deep into three large and varied organizations Hewlett Packard the California State University system and the County of Los Angeles and identified each one's efforts to develop a new strategic planning process better suited to match the current pace of change and environmental unpredictability The book is filled with vignettes quotes and real world examples that illustrate the trend toward faster more adaptive strategic planning processes It is relevant for a wide range of business governmental and non profit settings and should be required reading in any course on strategic planning *International Bibliography of Economics 1998* Compiled by the British Library of Political and Economic Science,1999-12-16 Renowned for its international coverage and rigorous selection procedures this series provides the most comprehensive and scholarly bibliographic service available in the social sciences Arranged by topic and indexed by author subject and place name each bibliography lists and annotates the most important works published in its field during the year of 1997 including hard to locate journal articles Each volume also includes a complete list of the periodicals consulted *The Market and Temple Fairs of Rural China* Gene Cooper,2013-02-01 During the early communist period of the 1950s temple fairs in China were both suppressed and secularized Temples were closed down by the secular regime and their activities classified as feudal superstition and this process only intensified during the Cultural Revolution when even the surviving secular fairs devoted exclusively to trade with no religious content of any kind were suppressed However once China embarked on its path of free market reform and openness secular commodity exchange fairs were again authorized and sometimes encouraged in the name of political economy as a means of stimulating rural commodity circulation and commerce This book reveals how once these secular temple less temple fairs were in place they came to serve not only as venues for the proliferation of a great variety of popular cultural performance genres but also as sites where a revival or recycling of popular religious symbols already underway in many parts of China found familiar and fertile ground in which to spread Taking this shift in the Chinese state's attitudes and policy towards temple fairs as its starting point *The Market and Temple Fairs of Rural China* shows how state led economic reforms in the early 1980s created a revival in secular commodity exchange fairs which were granted both the geographic and metaphoric space to function In turn this book presents a comprehensive analysis of the temple fair phenomenon examining its economic popular cultural popular religious and political dimensions and demonstrates the multifaceted significance of the fairs which have played a crucial role in expanding the boundaries of contemporary acceptable popular discourse and expression Based upon extensive fieldwork this unique book will be of great interest to students and scholars of Chinese religion Chinese culture Chinese history and anthropology **The Market and Temple Fairs of Rural China** Eugene Cooper,2012 During the early communist period of the 1950s temple fairs in China were suppressed however once China embarked on its path of free market reform secular commodity exchange fairs were again authorized and sometimes encouraged as a means of stimulating rural commerce This book reveals how once these secular temple less temple fairs were in place they came to serve not only as venues for the proliferation of popular cultural performance genres but also as

sites for the revival of popular religious symbols Examining its economic popular cultural popular religious and political dimensions this book presents a comprehensive analysis of the temple fair phenomenon **EPA Publications**
