## **Artsource Performing Arts Package:**

**Bibliographic Guide to Education** ,2002 lists publications cataloged by Teachers College Columbia University supplemented by The Research Libraries of The New York Public Library **Artsource** ,1999 *The Ministry of Nurture* Duffy Robbins,1990 In this thoughtful comprehensive guide you will find ideas for encouraging spiritual growth in young people by one of the most authoritative voices in youth ministry today Department of the Interior and Related Agencies Appropriations for 1993 United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies,1992 *Artsource* ,1999 **Department of the Interior and Related Agencies Appropriations for 1993: Public witnesses on humanities and museum programs** United States. Congress. House. Committee on Appropriations. Subcommittee on Department of the Interior and Related Agencies,1992 The Fine Art of the International Exhibition Walter Smith,Edward Strahan,Joseph Miller Wilson,2024-06-24 Reprint of the original first published in 1876 Art Information and the Internet Lois Swan Jones,2013-12-16 In the first book of its kind art information expert Lois Swan Jones discusses how to locate visual and textual information on the Internet and how to evaluate and supplement that information with material from other formats print sources CD ROMS documentary videos and microfiche sets to produce excellent research results The book is divided into three sections Basic Information Formats Types of Websites and How to Find Them and How to Use Web Information Jones discusses the strengths and limitations of Websites scholarly and basic information resources are noted and search strategies for finding pertinent Websites are included Art Information and the Internet also discusses research methodology for studying art historical styles artists working in various media individual works of art and non Western cultures as well as art education writing about art problems of copyright and issues concerning the buying and selling of art This title will be periodically updated *The Politics of Water in the Art and Festivals of Medici Florence* Felicia M. Else,2018-07-27 This book tells the story of one dynasty's struggle with water to control its flow and manage its representation The role of water in the art and festivals of Cosimo I and his heirs Francesco I and Ferdinando I de Medici informs this richly illustrated interdisciplinary study Else draws on a wealth of visual and documentary material to trace how the Medici sought to harness the power of Neptune whether in the application of his imagery or in the control over waterways and maritime frontiers as they negotiated a place in the unstable political arena of Europe and competed with foreign powers more versed in maritime traditions and aquatic imagery *Sociology of the Arts* Victoria D. Alexander,2020-10-19 Explains the key concepts theories and studies in the sociology of the arts the fully updated new edition of the classic textbook Sociology of the Arts is a comprehensive yet accessible review of sociological approaches to studying the fine popular and folk arts Integrating scholarly literature theoretical models and empirical studies this authoritative textbook provides balanced coverage of a broad range of essential topics enabling a deeper understanding of the field as a whole Throughout the text numerous real world case studies

reinforce key concepts stimulate classroom discussion and encourage students to contemplate abstract theoretical issues central to the relationship between art and society Now in its second edition this bestselling volume features fully revised content that reflects the most recent literature and research in the field New discussion on the production and the consumption of culture are complemented by fresh perspectives on changes in the social world such as the rise of the internet and digital media Updated chapters offer insights into social boundaries and embodiment in the arts emplacement materiality the social construction of art and aesthetics and more Exploring how art is created distributed received and consumed this textbook Explores both classic work and new approaches in the sociology of the arts Features case studies and discussion questions on art forms including popular music film romance novels visual arts and classical music Discusses the meaning of artistic objects and why interpretations of art vary Examines the ways art intersects with race gender sexuality and class Includes photographs tables and figures and a comprehensive reference list Written by a leading scholar in the field Sociology of the Arts Exploring Fine and Popular Forms Second Edition is an ideal textbook for advanced undergraduate and graduate courses on sociology of art and culture media studies anthropology of art arts management and the social history of art and is a useful reference for established scholars studying any aspect of sociology of the arts **The Showgirl**

**Costume** Jane Merrill, 2018-11-30 Fashion is synonymous with change yet the iconic showgirl costume feathers sparkle and revealing clothes has remained largely unchanged since the early 20th century Beginning in the 1800s a couture of the risque evolved from Paris nightclubs to Las Vegas casinos The concept of glamour itself was based on what Parisian courtesans and burlesque performers wore A tall pretty girl with headdress nude core with spangles high heels and dramatic makeup became a Gallic symbol and later the trademark of Hollywood musicals France exported costumes and millinery as well as whole productions from the Moulin Rouge the Lido and Folies Bergere to the U S and the world More recently cabaret styling has translated into today's day sport and evening clothes **Art in Chicago** Maggie Taft, Robert

Cozzolino, 2018-10-10 For decades now the story of art in America has been dominated by New York It gets the majority of attention the stories of its schools and movements and masterpieces the stuff of pop culture legend Chicago on the other hand well people here just get on with the work of making art Now that art is getting its due Art in Chicago is a magisterial account of the long history of Chicago art from the rupture of the Great Fire in 1871 to the present Manierre Dawson L szl Moholy Nagy and Ivan Albright to Chris Ware Anne Wilson and Theaster Gates The first single volume history of art and artists in Chicago the book in recognition of the complexity of the story it tells doesn't follow a single continuous trajectory Rather it presents an overlapping sequence of interrelated narratives that together tell a full and nuanced yet wholly accessible history of visual art in the city From the temptingly blank canvas left by the Fire we loop back to the 1830s and on up through the 1860s tracing the beginnings of the city's institutional and professional art world and community From there we travel in chronological order through the decades to the present Familiar developments such as the founding of the Art

Institute the Armory Show and the arrival of the Bauhaus are given a fresh look while less well known aspects of the story like the contributions of African American artists dating back to the 1860s or the long history of activist art finally get suitable recognition The six chapters each written by an expert in the period brilliantly mix narrative and image weaving in oral histories from artists and critics reflecting on their work in the city and setting new movements and key works in historical context The final chapter comprised of interviews and conversations with contemporary artists brings the story up to the present offering a look at the vibrant art being created in the city now and addressing ongoing debates about what it means to identify as or resist identifying as a Chicago artist today The result is an unprecedentedly inclusive and rich tapestry one that reveals Chicago art in all its variety and vigor and one that will surprise and enlighten even the most dedicated fan of the city's artistic heritage Part of the Terra Foundation for American Art's year long Art Design Chicago initiative which will bring major arts events to venues throughout Chicago in 2018 Art in Chicago is a landmark publication a book that will be the standard account of Chicago art for decades to come No art fan regardless of their city will want to miss it
