Andrew Shenton

Arvo Pärt:

Arvo Pärt Paul Hillier, 1997-04-24 World famous Estonian born composer Arvo Pärt is a unique voice in today's music. From his own extensive experience of working with Pärt, Paul Hillier here provides the first full length study of the composer's music. The music of the Estonian born composer Arvo Pärt is a unique and powerful voice in the contemporary world. Using a tonal idiom based on a mixture of scales and triads, Pärt created a style that he calls tintinnabuli. Listening to it, one is reminded of the passionate tranquillity of some Russian icon or of certain memorable scenes in the films of Andrei Tarkovsky. In this book, the first full length study of Pärt, Paul Hillier explores the tintinnabuli works in considerable depth. He also examines the music of Pärt's earlier, somewhat neglected serial period and charts the composer's steady evolution towards the abstract tonality of his later years. In addition, a biographical chapter and discussion of topics such as Russian Orthodox spirituality, minimalism and the influence of early music combine to make this a substantial introduction to Pärt's music. Hillier also draws on his own experience of working with the composer to offer thoughts on various performance issues.

Arvo Pärt's Resonant Texts Andrew Shenton, 2018-05-10 A systematic and detailed analysis of the work of this extremely popular composer, providing description, context, examples and commentary.

The Cambridge Companion to Arvo Pärt Andrew Shenton, 2012-05-17 Arvo Pärt is one of the most influential and widely performed contemporary composers. Around 1976 he developed an innovative new compositional technique called tintinnabuli (Latin for sounding bells), which has had an extraordinary degree of success. It is frequently performed around the world, has been used in award-winning films, and pieces such as *F r Alina* and *Spiegel im Siegel* have become standard repertoire. This collection of essays, written by a distinguished international group of scholars and performers, is the essential guide to Arvo Pärt and his music. The book begins with a general introduction to Pärt's life and works, covering important biographical details and outlining his most significant compositions. Two chapters analyze the tintinnabuli style and are complemented by essays which discuss Pärt's creative process. The book also examines the spiritual aspect of Pärt's music and contextualizes him in the cultural milieu of the twenty-first century and in the marketplace.

Hessische Verfassungs- u. Verwaltungsge ..., 1995

Arvo Pärt's White Light Laura Dolp, 2017-07-13 The first substantial volume in English to explore the impact of Arvo Pärt on contemporary music and culture.

Arvo Pärt's Tabula Rasa Kevin Karnes, 2017 The first book dedicated to the breakthrough work by one of the most acclaimed composers today. Arvo Pärt's *Tabula Rasa* tells the story of its composition and premiere against the backdrop of late Soviet culture and the end of the Cold War.
