As Ever The Collected Correspondence Of Allen Ginsberg And Neal Cassady:

As Ever Allen Ginsberg, Neal Cassady, 1977 *As Ever* Allen Ginsberg, Neal Cassady, 1977 *On the Poetry of Allen Ginsberg* Lewis Hyde, 1984 Essays and reviews that trace the changes in Ginsberg's career and in his poetry **Neal Cassady: The Fast Life of a Beat Hero** Graham Vickers, 2010-01-07 Neal Cassady achieved mythical status when Jack Kerouac turned him into Dean Moriarty the hero of *On The Road* In this major biography David Sandison and Graham Vickers trace the life of the wild man from Denver who galvanised Kerouac and the Beat Generation not by artistic endeavour but by his extravagant life affirming behaviour and epic feats of cross country driving Dead before his forty second birthday Cassady was surrounded by legends and tall stories quite literally from birth This superbly researched biography at last strips away the mythology to reveal truths so weird and improbable that you wonder why embellishment was ever thought necessary in the first place **Becoming Kerouac** Paul Maher, 2023-11-14 Jack Kerouac was one of America's great writers of the latter half of the 20th century yet he endured a life characterized by persistent hardship and disillusion Leading Kerouac scholar Paul Maher Jr targets the writer's embattled insight of self as central to his life and work He reveals how Kerouac's troubled interactions with alcohol drugs and spirituality stamped its importance on his autobiographical prose and poetry and created a singular language that united thoughts on the human condition and spiritual liberation *Becoming Kerouac A Writer In His Time* affixes Kerouac's life and art in a fresh way giving readers a rich perspective from which to understand this 20th century literary genius Using unpublished archival material *Becoming Kerouac* focuses on the writer's critical formative years 1940 to 1957 to demonstrate his growth as a novelist and poet Maher contends that Kerouac developed his singular language to capture human consciousness as it never had before His futilities catapulted American literature to reflect its restless post World War II anxieties Narrating the events that comprised Kerouac's life biographers have long struggled to illustrate his complexness and the contradictions that shaped his determinations and dogged his relationships But without consideration of the writing the troubles in life fail to reveal their deeper resonances by skillfully analyzing the work while tracing the events Maher achieves a full portrait revealing struggles that problematize his work *Becoming Kerouac* fuses Kerouac's life and art to comprehend this misunderstood literary genius *This Is the Beat Generation* James Campbell, 2001-11-19 In New York in 1944 Campbell finds the leading members of what was to become the Beat Generation in the shadows of madness and criminality Jack Kerouac Allen Ginsberg and William Burroughs had each seen the insides of a mental hospital and a prison by the age of 30 This book charts the transformation of these experiences into literature and a literary movement that spread across the globe 35 photos **Holding the Line** Clive Bush, 2009 This book comprises a selection of interdisciplinary essays in American literature and culture written by Clive Bush over some forty years They fall into four sections Classic American Literature Literary and Cultural Modernism Literature and Politics and American Cultural Studies The topics range from literature to architecture from the history of linguistics to analyses of the commodity

culture from poetry to film The essays themselves extend from American linguistics to Beat literature There is however an identifiable series of common themes and perspectives throughout The first is the question of the relation of discourse itself to the practices of power personal social and political The second is the attention paid to the particular and general historical context in which both texts and quasi texts are situated The third is that a European perspective making use of comparative texts has been used throughout The author demonstrates a commitment both to close reading and to the value judgement in the reading of texts

The Oxford Encyclopedia of American Literature Jay Parini, 2004 The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present At the core of the Encyclopedia lie 250 essays on poets playwrights essayists and novelists Figures such as Whitman Melville Faulkner Frost and Morrison are discussed in detail with each examined in the context of his or her times an assessment of the writer's current reputation a bibliography of major works and a list of major critical and biographical works about the writer Fifty entries on major works such as Moby Dick Song of Myself Walden The Great Gatsby The Waste Land Their Eyes Were Watching God Death of a Salesman and Beloved place the work in its historical context and offer a range of possibilities with regard to critical approach The Encyclopedia also contains essays on literary movements periods and themes pulling together a broad range of information and making connections between them Each entry has its own primary and annotated secondary bibliography and a system of cross references helps readers locate information with ease The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature libraries looking for one comprehensive source and readers interested in American literature its authors and its connection with various areas of study

William Burroughs and the Secret of Fascination Harris, Oliver, 2003

Yours Presently Michael Seth Stewart, 2024-06-15 Boston born and bred John Wieners was a queer self-styled poet te maudit who was renowned among his contemporaries but ignored by mainstream critics Twenty first century readers are correcting this elision placing Wieners back alongside his better known peers including Allen Ginsberg Charles Olson Denise Levertov and Amiri Baraka Wieners was a voluble letter writer maintaining friendships with these contemporaries that spanned decades and tackling a range of complex issues that resonate today including drug use homosexuality subcultures of the East and West Coasts and the differing treatment of mental patients based on their economic class The letters collected in this volume are greatly enhanced by Eileen Myles's preface and Stewart's thorough introduction notes and brief bios of the poets writers artists and editors with whom Wieners corresponded The result is more than the letters of a poet it is a history that explores the world at large in the mid twentieth century

The Beat Generation, *Post-Jungian Criticism* James S. Baumlín, Tita French Baumlín, George H. Jensen, 2004-01-01 Rereads Jung in light of contemporary theoretical concerns and offers a variety of examples of post Jungian literary and cultural criticism

The Spiritual Imagination of the Beats David Stephen Calonne, 2017-08-17 The first comprehensive study to explore the role of esoteric occult alchemical shamanistic

mystical and magical traditions in the work of major Beat authors **Naked Lunch @ 50** Oliver C. G. Harris, Ian MacFadyen, 2009 This is the first book devoted in its entirety to William Burroughs masterpiece bringing together an international array of scholars artists musicians and academics from many fields to explore the origins writing reception and complex meanings of Naked Lunch Inside cover **The Cambridge Companion to the Beats** Steven Belletto, 2017-02-13 This Companion offers an in depth overview of the Beat era one of the most popular literary periods in America **Beat Generation Writers** A. Robert Lee, 1996-01-20 Focuses on some of the most popular writers of the last forty years One of the few books to explore the role of women and gender in the Beat movement **The Daybreak Boys** Gregory Stephenson, 2009-06-25 In these critical essays Gregory Stephenson takes the reader on a journey through the literature of the Beat Generation a journey encompassing that common ethos of Beat literature the passage from darkness to light from fragmented being toward wholeness from Beat to Beatific He travels through Jack Kerouac s Duluoz Legend following Kerouac s quests for identity community and spiritual knowledge He examines Allen Ginsberg s use of transcendence in Howl discovers the Gnostic vision in William S Burroughs s fiction and studies the mythic visionary power of Lawrence Ferlinghetti s poetry Stephenson also provides detailed examinations of the writing of lesser known Beat authors John Clellon Holmes Gregory Corso Richard Fari a and Michael McClure He explores the myth and the mystery of the literary legend of Neal Cassady The book concludes with a look at the common traits of the Beat writers their use of primitivism shamanism myth and magic spontaneity and improvisation all of which led them to a new idiom of consciousness and to the expansion of the parameters of American literature Merely Being There Is Not Enough Heike Mlakar, 2008 Despite the advent of second wave feminism in the late 1960s it took more than twenty years before feminist literary criticism started to pay attention to the complex role of women Beat writers Merely Being There Is Not Enough theorizes the memoirs of Diane di Prima Joyce Johnson Hettie Jones and Brenda Frazer and analyzes their contributions to the Beat movement Among the writings of female Beat authors the memoir has become the most commonly used literary genre At the height of the Beat movement Frazer published Troia Mexican Memoirs in 1969 the same year that saw the publication of di Prima s Memoirs of a Beatnik Most female Beat voices however remained astonishingly silent until 1983 when Johnson published Minor Characters A Young Woman s Coming of Age in the Beat Generation Johnson s long time friend Jones followed with How I Became Hettie Jones in 1990 The memoirs of Beat women chronicle the Beat 1950s and the intimate relationships with icons of the time Jack Kerouac Allen Ginsberg LeRoi Jones Amiri Baraka and Ray Bremser Being there at a crucial moment in history validates female Beats stories as indispensable social documents of the 1950s To make women Beat writers visible and to categorize their memoirs this work immerses in the almost paradoxical project of defining a category of female Beat writing when it is the nature of Beat literature and its rebellious aesthetics to dismiss any kind of labeling Women Beats unsettle the categories of Beat writing and culture Therefore a revision and re examination of Beat history is inevitable to understand the movement

s literary expression Collected Letters, 1944-1967 Neal Cassady, 2005-01-25 Dave Moore s work on this collection is simply awesome It should become and remain the definitive reference book for Beat scholars forever Carolyn Cassady Neal Cassady is best remembered today as Jack Kerouac s muse and the basis for the character Dean Moriarty in Kerouac s classic *On The Road* and as one of Ken Kesey s merriest of Merry Pranksters the driver of the psychedelic bus Further immortalized in Tom Wolfe s *The Electric Kool Aid Acid Test* This collection brings together more than two hundred letters to Kerouac Allen Ginsberg John Clellon Holmes and other Beat generation luminaries as well as correspondence between Neal and his wife Carolyn These amazing letters cover Cassady s life between the ages of 18 and 41 and finish just months before his death in February 1968 Brilliantly edited by Dave Moore this unique collection presents the Soul of the Beat Generation in his own words sometimes touching and tender sometimes bawdy and hilarious Here is the real Neal Cassady raw and uncut

Kerouac, the Word and the Way Benedict Giomo, 2000 Jack Kerouac a ragged priest of the word according to Ben Giomo embarked on a spiritual quest for the ultimate meaning of existence and suffering and the celebration of joy in the meantime For Kerouac the quest was a sustained and creative experiment in literary form Intuitive and innovative Kerouac created prose styles that reflected his search for personal meaning and spiritual intensity These styles varied from an exuberant brand of conventional narrative *On the Road* *The Dharma Bums* and *Desolation Angels* to spontaneous bop prosody *Visions of Cody* *Doctor Sax* and *The Subterraneans* Giomo s primary purpose is to chronicle and clarify Kerouac s various spiritual quests through close examinations of the novels Kerouac began his quest with *On the Road* which also is Giomo s real starting point To establish early themes spiritual struggles and stylistic shifts however Giomo begins with the first novel *Town and Country* and ends with *Big Sur* the final turning point in Kerouac s quest Kerouac was primarily a religious writer bent on testing and celebrating the profane depths and transcendent heights of experience and reporting both truly Baptized and buried a Catholic he was also heavily influenced by Buddhism especially from 1954 until 1957 when he integrated traditional Eastern belief into several novels Catholicism remained an essential force in his writing but his study of Buddhism was serious and not solely in the service of his literary art As he wrote to Malcolm Cowley in 1954 Since I saw you I took up the study of Buddhism and for me it s the word and the way I was looking for Giomo also seeks IT a vital force in the experience of living that takes one by surprise suspending for the moment belief in the real concrete grey everyday of facts of self and selfhood its various meanings paths and oscillations from romantic lyricism to the ragged and ecstatic joy of pure being and from the void pit of the Great World Snake to the joyous pain of amorous love and finally from Catholic Buddhist serenity to the onset of penitential martyrhood
