As I Remember Them:

As I Remember Them Peter Isaacson, 2012 *As I Remember Them* Jeanne-Elise Olsen, Ian Adam, Grace Lorraine Ouellette, 2002 Originally written in the early 1970s *As I Remember Them* is based on Jeanne Elise Olsens extraordinary recall of her childhood and youth spent in an isolated part of the Laurentians in the Li vre River Valley in the early twentieth century She recounts how the Church lifted the ban but only on specific conditions one of which was for the family to leave Quebec *Facts as I Remember Them* Rufe LeFors, 2013-12-06 The rivers of the Texas Panhandle the Canadian and the forks of the Red break through the Cap Rock at the eastern edge of the Staked Plains It s rough bleak country with few trees and a great expanse of sky Storms that form on the Great Plains and in the Rocky Mountains sweep through with nothing much to slow them down And the small dusty towns that serve this vast ranchland cling to the waterways as they have for over a hundred years since their early settlement Their names aren t well known now but they were once focal points in a rugged country where buffalo hunters trail drivers outlaws and ordinary folks alike passed through Rufe LeFors was one such ordinary man With his father and older brothers he was among the first to settle this country drawn to West Texas by tales of open land and good grass His life story set down near the end of his long and adventurous life is the best sort of insider s history the chronicle of a life lived fully amid the exciting events and rough landscape of the frontier s final years Rufe LeFors recorded his story over the course of a decade finishing up in 1941 in his eighty first year His memoirs span the period from the War between the States to the early twentieth century when the Panhandle was still scarcely settled a true frontier In his time LeFors was trail driver pony express rider and rancher He traveled for a year with Arrington s Texas Rangers and he wore the badge of deputy sheriff in the wild west town of Old Mobeetie He rode a fast horse after claims in the Cherokee Strip spent time as a horse trader and finally settled in Lawton Oklahoma where after some twenty years as a deputy he was elected to the office of sheriff LeFors knew how to tell a story Whether it is an account of an outlaw s capture or the rescue of a white girl from prairie fire by a Comanche brave he weaves into his narrative all the color drama and character of the event His version of the death of Billy the Kid adds another perspective to that much celebrated episode in western history His encounters with Temple Houston the governor s flamboyant son rancher Charles Goodnight and Ranger Captain Arrington add to our fund of knowledge about those legendary frontier figures LeFors wanted to get the facts as he remembered them straight With his sharp eye for texture and detail and keen ear for language and timing he created a narrative that wonderfully captures the flavor of his life and exciting times *As I Remember It* Hugh Hamilton, 2005 **As I Remember It** Doris Johnson, Ray Imhof, 2005 *As I Remember It* is a fascinating account of daily activities of a family in the early 1900 s Esther grew up on the prairie of western Kansas Having been born in 1914 she and her family suffered some of the growing pains of a new frontier Hard work perserverance and humor saw them through Her stories provide vivid insight into the pioneer activities of hog butchering wheat threshing and chicken and egg production The humor shared with family

Smith,2009-10-30 In writing my book I tried to the best of my memory and with the help of a lot of people to relate and have a true story about the things that we did as children and adults about growing up and living in a small town in Alabama Even though times were hard then I feel very fortunate to have grown up during that time and in that place I believe that my life has been guided and protected by a Higher Being and I thank God for looking after me and guiding my life I also had some great teachers which I am thankful for knowing Most of our teachers loved us and tried to help when they could to prepare for our future All this gave me confidence to go into adult life and knew that I had my future in my hand and could make my life and that I alone am responsible for my actions I believe that growing up in Roanoke gave me the knowledge and background to have a great life for which I am thankful and I hope for many more good years **I Remember Them** Juanita Campbell Rogers,2012-10-08 Anita Stalls a retired business executive in her seventies is on the trip of a lifetime As she boards the train that will take her back to the southern town of Greendale Mississippi where she has not set foot in more than fifty years Anita is filled with anticipation apprehension and heartrending remembrances of her childhood As she settles back into her train seat for the long ride her mind soon drifts to the days of her youth spent in Greendale Sent to live with Moses and Annie Pearl at age four while her mother sought work in another city it does not take long for Anita to adapt to her new family that includes the elderly grandmother she lovingly calls Mah Happy living in a little shotgun house in the country surrounded by chickens mules and cows Anita becomes the daughter Moses and Annie never had As the train sways back and forth and her recollections become more vivid Anita suddenly feels a sense of longing for the years gone by I Remember Them is the touching tale of one womans journey through time as she faces the myriad of emotions that accompany the return to her childhood home **"King David: 'My Life as I Remember It'"** R. Media,2022-08-16T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 We've all grown accustomed to the frustration of memory lapses and the little things we do to get by in spite of them We often forget what we want to remember and we never forget what changes our lives 2 I had always been interested in numbers and I thought that being able to calculate in my head would make me a little sharper in my field I found the Extreme Mental Calculation World Cup where the best head mathletes flex their brains by incorporating memorization techniques in their calculations 3 The best way to remember anything is to turn it into a mental image When I first learned this I was so fascinated that I didn't care about how to apply the techniques in my everyday life 4 The best part of success is the opportunity it affords me to talk about memory to new people all the time I'm proud of my accomplishments but the best part of success is the opportunity it affords me to show people how easy fun and life changing it is to learn these techniques and put them to use **I Remember It Well** Carol A.
